**ZIG ZAG ILLUSION**

A girl is placed in a box. Two blades are inserted. MIDDLE PIECE of girl is removed from her body. This illusion is now one of the greatest in magic.

**SWORD BOX**

A girl is placed in a small box. Twenty-seven solid wooden rods penetrate box. Girl steps out unharmed. A very popular illusion.

**HOUDINI'S METAMORPHOSIS**

A young lady is handcuffed. TIED IN A BAG AND LOCKED INSIDE A TRUNK. Magician and girl switch places in seconds. This is a very fast exchange and an incredible illusion.

**CRYSTAL CASKET**

Our NEWEST illusion, where a plexi-glass box is constructed PIECE BY PIECE. A young lady is produced, much to the delight of the audience.

**TORN AND RESTORED NEWSPAPER ILLUSION**

An illusion involving a newspaper. We have received much praise on the presentation of this illusion. A definite crowd pleaser.

**LIVE DOVES**

Live doves add that special feeling to our fast paced, family oriented illusion show.

Each show includes comedy and audience participation throughout
