

### Poised and ready to strike

Gravenhurst Indians goaltender gets a toe on a shot from Midland Centennial, Kevin Belcourt, (16), who is looking to get his

own rebound in Friday night's encounter at Midland Arena. Midland easily took the

game 11-3 to go up in the best of seven series, two games to none.

## Robillard, Miller lead G. Wilicers

In a battle for first place in the Penetang Recreational Hockey League, Huronia Optical downed Hindson Marine 7-2.

Steve Kennedy paced Optical's attack with a hat trick, while Gary Hansford, Peter Roi, Carl Cowan, and Al Melnyk chipped in with single tallies. Rob Cowan and Paul Loughran scored for Hindson.

G. Wilicers slapped last place Commodore Hotel 7-3, led by the three goal performances of Dave Robillard and Wayne Miller. Bob Gravelle accounted for the other

Willicers tally. Paul Robillard replied with a pair of markers for Commodore while Joe Rankin accounted for a single marker.

Therrien's Furniture kept pace with Hindson's in the hunt for top spot in the standings, by nipping Memories Devils 4-1. Ken Cowan recorded a pair of counters, while Roy Ferguson and Ken Akerman contributed singles. Trent Maracle tallied the lone Memories' marker.

Huronia Optical's Steve Kennedy was named Commodore Hotel Player of the Week.

## Caley stones Penetang

Ryan Caley was a very stingy young man, Sunday afternoon, as he kept Penetang Minor Atoms off the scoreboard while his team won 3-0.

Caley deserved full marks for the shutout, as he stymied the Penetang offence time and time again, especially in the third period.

It wasn't until the 8:40 mark of the third period

that Little Lake Petro Canada broke the deadlock when Matthew Stone beat the Penetang goaltender with Jeff Sauve getting the assist.

A minute later Sauve notched his own marker with help from Jeff Doughty and Darryl King. Then Doughty put the game on ice with a marker from Chris Bell and Sauve who figured in all three Midland goals.

## Schmidt hooked on racing

by PAUL SANDERSON

Some fast and furious driving, over the weekend, has put Midland's Gunter Schmidt back into contention for the title of Ontario's 1986 Ice Racing Champion.

A series of collisions on the mile long racetrack in Minden during a previous race left Schmidt's car chained together in several places. Despite the damage, skillful driving, on Saturday and Sunday, advanced

him from the bottom of a pack of 32 competitors to 10th place in the overall points record.

There are another three competitions scheduled for upcoming weekends, in the six race series that determines the Ontario championship.

With the snow kicked up from 30 speeding cars, Schmidt and Co-Driver Fred Aston describe ice-racing to be like "driving in a blizzard."
