## Ski team does well

St. Theresa's Boys' ski team competed at Horseshoe Valley last week.

Fastest Crusader time was recorded by Mike Taylor. This was Crusaders' last meet of the year. The team has shown some fine skiing and sportsmanship.

Congratulations and good luck next year.

# Regent girls nab Castex Cup for second consecutive year

Regent Elementary girl's basketball team emerged victorious in Monsignor Castex Cup Fourth Annual Invitational Basketball Tournament for the second consecutive year.

The Bob Armstrong coached Regent girls had perhaps their toughest game of the tournament in their opening fixture against Port McNicoll. Port led most of the game until the last minute when

Regent came on to tie and sent the game into overtime. Denise Greenwood and Brenda Kennedy each enjoyed a good game in helping their team to the 42-41 overtime victory.

Regent's second game was only slightly easier as they bested Parkview by a 53-46 score. Shari Jeffery, Denise Greenwood, Brenda

Kennedy, and Kelly Naylor supplied the spark for Regent.

Monsignor Castex supplied the opposition in the Championship encounter and trailed Regent by a point at the half. But the Regent girls pulled out the stops in the second half and came away with a 13 point margin 67-54, and their second con-

secutive title. Michelle Sabourin, Tammy Robitaille, and Melissa Brabant put in good efforts to ably assist in the victory.

The tournament victory for Regent serves as a warm-up for the Area III basketball tourney to be held on February 25 at Parkview, Sacred Heart, and Huron Park.

This Week in Canada On Feb. 13, in 1764, the Earl of Egremont produced a feudal plan for the Island of St. John (P.E.I.), and in 1841 parliament met for the first time in Kingston. ## WELCOMES YOU

The 1986 Labatt Brier will unquestionably present the best curling to be seen in Canada. But the 1986 Labatt Brier is not being called BRIERFEST without reason. In addition to the glittering formal opening banquet and the rousing closing Oktoberfest party, there will be brunches, lunches, special dinners and parties - all of which you can attend! And all our Curling Clubs extend an invitation to you to visit them for "food that schmecks" and to meet your curling friends. Relax, eat, or dance after the last draw at their nightly parties. We welcome you to our "most social" Brier.

Kitchener-Waterloo is an area unique in ethnic traditions. Generations of German and other European immigrants have created a community you'll want to visit again and again.

Old Order Mennonites still come to market by

buggy while busloads of tourists visit the many factory outlets. Antique shops, malls and specialty stores abound, and for food... well you're in for a treat. From cabbage rolls to pigtailed and apple strudel. We've got a table full of gemütlichkeit set for you.
