Nobody was prouder of their entry in the Simcoe County Board of Education Area Three (Waubaushe to Penetanguishene) Kiwanis Science Fair at MSS than Dave O'Hara, 13, (left), or Mike Boyd, 12, (right). The display title Les Plantes (Behind the foliage) tells you these young, Grade 7 scientists attend Ecole St. Joseph, where their experiment, comparing the health of bean plants grown in soil or water only, earned them a first prize in the Life Sciences division.
