

Eye on the ball

Brian Wilson of CMT swings mightily at the ball and sends it in flight during Huronia slow pitch action Sunday afternoon in Penetang. Notice how Wilson appears to be

watching the bat hit the ball. That is a good thing for young ball players to keep in mind old ones, too.

Widdes stops Mets

Pitcher Bob Widdes three hit Elmvale Mets Thursday night to lead Vasey to a 4-0 shutout in Simcoe Rural Fastball League action. Widdes struck out three and issued only a pair of free

passes in gaining the victory. Steve Tumber was tagged with the loss giving up all four runs on seven hits. Tim

Belcourt came in relieve in the third and one-hit Vasey the rest of the way.

After Jim Beck scored the only run they would need in the second frame, Vasey struck for three more in the third as the first five batters all stroked a single base hit.

Jim Beck paced the offence with a two for three night at the bat, scoring once and knocking in a pair of runners. Vasey was bolstered by the addition of Wayne King, late of the Midland Firebirds.

Tennis Talk

Last Saturday was a significant day for two reasons, it stopped raining and the Midland Tennis Club had their first fun tournament of the season. There was good turn out for the Mixed Troubles (Doubles) event. Competition started promptly at ten (well, promptly for Midland) and finished at two, we had three and a half hours of fierce competition. At the close of play the winner was Nancy Reitmayer. The lone winner was arrived at by the method of each lady player partnering a different male player in each set. She was the only player who went through without a loss. Nancy, who has only been playing for a year, modestly attributed her success to having good partners.

Gail Barrie, the charming lady alderman for ward one, officiated at the 50-50 draw and gained a vote for the next election by pulling the name of Kim Barron from Port Severn. Kim will be \$250 richer for supporting the Midland Tennis Club. Thanks to her and all the other ticket buyers.

The Ontario Tennis Association will be holding a players' clinic at Little Lake courts this coming Saturday. Juniors from 10 a.m. to 12 noon, adults from 1:30 until 3:30 p.m. If you wish to participate please call the Recreation Office at 526-4770.

Club members were pleased to hear that our excellent town council have voted to resurface the town tennis courts. Costs are estimated at \$18,000 and are expected to be borne equally by the Township, the Tennis Club and a Wintario grant. It is hoped that work will be completed by June 20th. Membership for the Tennis Club is open and you are welcome, please phone 526-4770 or Jim Hughes at 526-9190.
