## Birthday Party at HDH

After three long months of planning, Huronia District Hospital's Special Projects Committee kicked off the facilities 10th birthday celebrations Wednesday morning. According to Arlene Stark, Chairman of the Committee, the final format wasn't finalized until a month ago. "Our main worry was the weather," according to Stark, referring to our stormy weather at the beginning of the week. The committee is made up of 27 staff members from all areas of the Midland Hospital.

Celebrations took place outside the hospital's cafeteria. Included in the festivities was raising the hospital's anniversary flag, releasing 10 birthday balloons and a staff family picnic. Of course, no picnic would be complete without entertainment. Providing the children's fun was Clara the Clown. Clara made animals from balloons for the attending children. While the adults enjoyed music provided by Dr. Larry "Teddy Bear" Melynk and Guy Johnstone. The duo, dressed for the occasion, provided listeners with an array of music to please everyone.

A special presentation to retiring Dr. Peter Brasher also occurred during the festivities. Brasher retired

from his practice, to go into the political field. He is Tiny Township's Deputy-Reeve.

Staff from 10 years ago,

helped the current staff celebrate the hospital's birthday. It appeared that all in attendance had a good time.
