BELMONT AUTO-BODY

PROPERLY EQUIPPED WITH
YEARS OF EXPERIENCE

HWY. 93, Midland (at Balm Beach Road) 526-8224

In the event of an accident, should you require an estimate of damages, please feel assured that insurance companies allow repairs to be made at the garage of your choice. In turn, they will have the vehicle appraised to validate the damages with the repair shop. You must be wary when directed to an auto body repair and paint shop that you are not familiar with.

BELMONT AUTO BODY has been open for 6 years and is owned and operated by NORM CAPES. For years the management and staff has provided expert collision repairs, frame straightening and painting with the best equipment. Today's auto body and paint shops must have people with lots of knowledge of paints and finishes as well as experience in repairing the body of your vehicle after an intense collision.

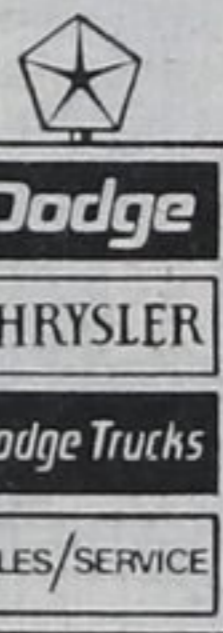

This four bay shop is well known for painting cars or trucks in either acrylic enamel or acrylic laquer and can restore your vehicle to that factory finished look.

If you simply wish to have your automobile repainted, resurfaced or need full frame straightening and bumper replacement, BELMONT AUTO BODY has maintained a reputation for competent service and installation of quality products.

Creative Cut

UNISEX HAIR DESIGN

OFFER VALUABLE SERVICES
TO IMPROVE YOUR IMAGE

482 ELIZABETH ST., Midland 526-5321

The most important factor about visiting a salon is that the hair stylist must quickly understand your preferred length, texture and hairstyle and then act on your requirements accurately. This fine profession has become recognized as one of Midland's leading hair care centres. It is successfully guided by BRIAN BUTINEAU who opened this hairstyling salon on September 20, 1983.

The services at CREATIVE CUT are most complete in every respect including perms, shampooing, styling, and all phases of blowdrying. CREATIVE CUT is well known for their sculptured precision cutting for men or women and retail professional hair care products. No matter how rushed they are there, they always take time for personal consultation.

We found that a noticeable difference at CREATIVE CUT is that the management and staff listen to customer's preferences in styles and offer professional services at reasonable prices.

If you have a special event or function to attend this month or you would just like to look your best, we suggest you start by stopping in at CREATIVE CUT. They are accomplished hair stylists offering high fashion styling and beauty care.

GAMES PLUS

Commodore

CRYSTON COMPUTER SYSTEMS
GAMES PLUS

FOR THE BEST IN FUN IDEAS

299 KING ST., Midland 526-2464

This business has been operating for over two and a half years and is owned and operated by GORDON HALL.

GAMES PLUS, a division of CRYSTON ENTERPRISES INC. features games, software, a full line of peripherals and authorized service for COMMODORE computers. Commodore has three home computers on the market today; the newly updated Commodore 64C, the Commodore 128 which is three computers in one, and the top of the line Amiga.

Commodore's Amiga is built around the Motorola 68000, a powerful microprocessor that is capable of handling twice as much information at one time as the IBM PC. The base unit with 256K Ram, goes even further by including three additional chips to relieve the 68,000 of some of its duties. One chip controls all the animation, one controls the sound, and the third controls the other two. The result is a microcomputer capable of producing smooth flicker-free animation coupled with stereophonic music with enough computational power left over to calculate your taxes, all at the same time.

COMMODORE's IBM Compatible PC-10 and PC-20 which are available at CRYSTON COMPUTER SYSTEMS are excellent for business application. They provide learning courses, and supply computers directly to business and industry.

Besides COMMODORE home computers, small business programs, software and video games, GAMES PLUS also features plastic models, remote control dune buggies or cars, Avalon Hill board games and fantasy role playing lead miniatures by Grenadier and Asgard.

The next time you are out shopping, stop into CRYSTON COMPUTER SYSTEMS-GAMES PLUS, the place that offers all the little extras in computer and hobby ideas.

T&G FABRICS INC.

FOR YOUR COMPLETE HOME SEWING NEEDS

365 KING ST., Midland 526-6971

Once you have made the decision to make your own clothes for yourself, family or friends, it is imperative to shop at a fabric store that features an up-to-date and wide selection with a competitive price. T & G FABRICS INC. has these qualities and we feel that their stock has been carefully selected from the dye work to the finishing pattern work.

Originally established 17 years ago as T & G Remnant Shop, this business moved and changed the name over 6 years ago under the direction of TED DRENNAN. T & G FABRICS INC. has arranged a good selection of fabrics and sewing notions as well as BERNINA and JANOME sewing machines. This store is also an authorized TANDY leather sales centre.

The people at T & G FABRICS INC. are experts at helping you plan wardrobes that go together smoothly for many looks. They ascertain whether your needs are natural fibres or synthetic blends. The factors of the natural or non-crease look, fabric breathing, and ease of laundry care are looked into, after you have informed the staff member about your particular project.

It's a wonderful way to save money by shopping at T & G FABRICS INC. as we feel that they have shopped for an attractive fabric selection for the many dressmakers. If you are in need of today's popular pure wools, polyester blends, silks, cottons, sewing notions or patterns, we refer you to T & G FABRICS INC.
