## Work found for 1,200 in 1986

**Dear Editor:**  
With my final days as CECS supervisor winding down, I feel a sense of urgency to thank local employers for their support. During my two years with the Canada Employment Centre for Students program there has been

dramatic increases in local student placement activity. This year our placement level increased (to date) 12.5 per cent over the 1985 season, and 34.4 per cent over the 1984 season. In actual numbers the 1984 placement level was 893 jobs, 1985, 1,068

placements, and this year we have placed 1,200 students so far!

The Midland Canada Employment Centre for Students has had increases and decreases in placements over the years, which largely reflects local economic performance. I

have been fortunate to administer this program during a local economic upswing. This year's placement level, at the Student Centre in Midland, is the highest recorded since the program started.

The bottom line, however, is that our employ-

ment area has assisted 1,200 situations where students have gained important life experiences. They have also earned money which will allow them to continue their pursuit of academic goals.

On behalf of the students who have used our services

this year, I thank all businesses and homeowners who have used our services. You can feel proud of your contribution to Canada's National Student Summer Employment program.

On Aug. 29 the Canada Employment Centre for

Students closed for the season. People requiring employment assistance should contact the Canada Employment Centre, in the Mountainview Mall, Midland (526-2224).

Thank you  
Ian J.K. Lucas  
CECS Supervisor  
1986, 1985

## Art show drew 400

**Dear Editor:**

Thank you for your paper's excellent coverage of our recent art exhibit, Left on Tiny 17.

The exhibition, which was held at our studios near Lafontaine on Aug. 16, was a great success. About 400 people came to view the work and enjoy the gardens. It is encourag-

ing to see so much support for an art event of this kind.

We particularly appreciated Michelle Gouett taking the time to preview the show and interview us both.

Sincerely,  
John Hartman  
Rod Prouse

## Workshoppe says thanks

**Dear Editor:**

The Penetang Art Workshoppe would like to take this opportunity to thank everyone who helped make our Summerama art exhibition such a success; the media, the Penetang Chamber of Commerce, the Penetang Legion, Ray McLarney and the public for their interest

and comments.

Special recognition goes to the North Simcoe Arts Council for their financial aid.

I personally wish to thank the members of the Penetang Art Workshoppe for their support and participation.

Yours truly,  
Prima McIntosh  
(President)

## Almost \$3,000 raised during day

**Dear Editor:**

On behalf of the members of the Auxiliary to the Huronia District Hospital, I would like to thank the area residents and summer visitors for their generous support of our annual Tag Day. The one day "blitz" of the malls and downtown area raised almost \$3,000. This money will be used for equipment purchases and will support Auxiliary projects in patient care.

A special Thank you is due to Mary Jarman and her group of volunteers in Victoria Harbour; to the three Junior Volunteers

who tagged in uniform; and to Knox Presbyterian Church and the church secretary. Their help is much appreciated.

This year, 1986, is a special birthday year for the hospital and the Auxiliary. We can all be very proud of our regional hospital, the staff and volunteers. But we always need the help and support of the community.

Please remember us this coming year as special events and projects are announced. Thank you.

Cathy Martin  
President  
H.D.H. Auxiliary

## Learn to speak second language

Planning a trip? Would you like to learn another language for your own satisfaction? The Midland Public Library stocks a number of language learning systems in French, Italian, Spanish, Japanese and German, which are available free from the Reference Department.

Following is a list of new books available at the library as of August 22.

Fiction. The Magic Cottage by James Herbert, Apricot Bed by Margaret Yorke, The Third Reel West by Bill Pronzini, The Lilac Bus by Maeve Binchy, Girl With a Crystal Dove by Mollie Hardwick, Vendetta by Steve Shagan. Non-fiction. How to

Motivate People by Fran Tarkenton, Aircraft Versus Aircraft by Norman Franks, Rock Husdon: His Story by Rock Husdon, CFL '86 by The Canadian Football League, Shoot-down: The Verdict on KAL 007 by R.W. Johnson, British Columbia: Time of Our Lives.

The films scheduled for Aug. 27 are Winnie the Pooh and Tigger Too, Oh My 'Aching' Tooth, Big Henry and the Polka-Dot-Kid. Films begin at 1:30 p.m. in the Children's Library. Admission is free.

**PGH births**

A baby boy was born to Lise and Peter Fournier of 4 Water St. in Penetanguishene on August 28.

### Next!

It was a real assembly line production to get a hot dog at the Al McLean Corn Roast held in Dalston Sunday afternoon. Simcoe East Progressive Conservation

Association President Jelle Hessel and Ken Burgess spent the day cooking up a storm for the many visitors to the M.P.P.'s farm.

## False alarm

Before the Penetanguishene Fire Department (PDF) even arrived at the Penetang Mental Health Centre (MHC) after being called to a fire, the brigade was dispatched back to their station.

According to Fire Chief Ted Light, the only call the fire fighters received last week, on Thursday morning, was just a false alarm.

# Play your part

Each year in Canada, about 70 young children are killed and 4000 are injured in car crashes.

The latest national survey showed that almost 80% of children under 5 are not being protected adequately in motor vehicles. Transport Canada sets tough safety

standards that manufacturers of infant carriers, child safety seats and booster seats must meet.

You can provide the best protection for your children by securing them in a properly installed seat, anchored to your vehicle by a top tether strap.

## Buckle up. It's the thing to do.
