

Ladies Powderpuff banquet a great success

On Saturday night, the Ladies Powderpuffs Softball League held their annual awards banquet at the Athenian Banquet Hall.

It has been a busy season for the league as they hosted their first annual tournament in July. Four teams from Georgetown

visited Midland to test their skills against our four local teams. The Georgetown "Gang Green" team came out the Champions while our own Burgandy Brats wrapped up the Consolation title.

In addition, for the second year in a row, the league sent two teams to a 32-Team Tournament in

Georgetown. Last year one of our teams made it to the semi-final round, but this year we didn't fare quite as well and none of our girls made it past the second round. However, we did have a "great" time with our friendly neighbours in Georgetown.

The watchword of the

Powderpuff League is "to have fun and enjoy the game of organized ball". However, it is obvious that the quality of the type of softball played by the teams is improving each season. This year we matched one of our tournament teams in a couple of exhibition games against

two industrial teams and came out on top. A definite indication that you can combine enjoyment and skill.

The 1986 Executive consisted of Pat Gravel, President, Karen Marion, Vice-President, Linda McKinnon, Secretary/Treasurer, Gail Therrien, Public Relations, and Bev Greenwood, Tournament Chairperson. Seasons Champs were the Burgandy Brats who ended up two points ahead of the Midnight Specials.

Playoff Champs, the Midnight Specials, coach-

ed by Kevin Legrandeur and Ralph Befort; Second Place, the Burgandy Brats, coached by Tom and Dave Lancaster; Consolation Champs, the Junior Jays, coached by Harry Billson Jr. and Harry Billson Sr.; Runners-up, the Lime Rickeys, coached by Briar Wristen.

It has been a terrific year, and much of the credit must go to the bang up job done by this year's executive. Thanks should

also go to the two umpires who volunteered their time for the entire season, Bob Armstrong and Ron Bianco. In addition, we appreciate the donations made by Andrea's, M. Fitzgerald Real Estate, Bay Mills, and Jo and George Gorthy. The support of not only our own players and executive, but also of various people in the community is what continues to make the Ladies Powderpuff League a growing success.

Hockey season

The Penetang Midland Ladies Hockey League are beginning another season. During the '85-'86 season, the Petras, in their second year of existence, were the "D" Division Champs for the North Eastern Ontario Women's Hockey Association.

The team members recently met to plan for the 1986-87 season. The first event the team are sponsoring will be a garage sale on September 20, at 8 a.m. at the corner of Maria and Jeffrey Sts. in Penetang. Come and check out the bargains.

The next new venture for the Petras will be the hosting of a "D" level Ladies Tournament on November 8, to run from 8 a.m. to 9 p.m. at the Penetang arena. There will be eight teams taking part from various towns in Ontario. This will be a sanctioned O.W.H.A. event and Championship and Consolation trophies will be awarded as well as M.V.P.

awards for each game.

The Petras would appreciate support in the form of donations, for an hour ice time advertising, trophies or suitable merchandise and lots of fan support on the 8th of November.

Other fund raising will be announced as the season progresses. Also the members have been actively looking for individual sponsors for sweaters. Anyone interested in six months advertising please contact Maureen McKinnon at 526-9540.

There is one other very important position to be filled for the team and that is a "COACH". Anyone interested in teaching, inspiring and leading the Petras for the '86-'87 season contact Maureen McKinnon at 526-9540. The regular season schedule involves ten games, five at home and five away, and the playoffs which are three out of five semi-finals and finals.

Coastal Cruiser

BUSINESS OPPORTUNITY!

Become part of a successful new team in a fast expanding "business", assembling luxury fiberglass cruisers for the American Rental Market.

A complete training and supervisory program is in place to ensure an efficient and easy entry into the boating industry. A financing package is available to qualified persons. For more information on Coastal Cruiser's Associate Builder Program, please call collect:
