We are the Champions

last year's champions Hoard's Station. Elmvalle was the host of the O.A.S.A. Intermediate D Championship Tournament on the weekend.

What Do I Do Now?

This Hawks Receiver clutches the ball and heads for the sidelines as Jeff Attwood (Number 44) appears ready for the "kill" in Penetang Midland Touch Football action at MSS on Sunday.

Hawks win over Redskins

Rick Dorion's two touchdowns paced Hawks to a 15-12 victory over Redskins in Penetang Midland Touch Football League action Sunday. Dorion's TD's were 25 and 35 yard romps. Don Bonnin accounted for the rest of the scoring with a punt and two converts. Rick Presse and Christian Wright crossed the thin white line for the 'Skins.

Illusions slipped past Destroyers 12-8. Tony Morella caught a 10 yard pass for one TD, while Morris Pauze received a seven yarder

for the other major. Reg Deacon picked up a touch down for Destroyers with Dwayne Allan converting. The other point came from a 35 yard punt.

In the other game played at MSS, OPSEU Terminators were shutout for the second week in a row by a 12-0 score at the hands of the Toros. Pete Decourcey was the offensive star of the game with two touchdowns plus four receptions.

Schmidt still leads in racing

Midland's Gunther Schmidt still leads in the Ontario Region Racing Championships after another second place finish a week ago at Shannonville. Schmidt experienced some tense moments during the last few laps as a malfunction caused oil to blow on the brakes making them virtually useless. However, the veteran driver hung on to cross the finish line three seconds ahead of the third place finisher and 25 seconds behind the winner. However, Schmidt is all but assured of the overall championship as long as he finishes the last race of the season at Mosport on September 27 and 28.

On October 3, 4, 5, Schmidt will be in Mont Tremblant, St. Jovite, Quebec, vying for the Canadian Championship.

Schmidt was also very fortunate to strike a deal for a fourth sponsor, thereby easing

the burden of operating a car in the expensive sport. The Schmidt driven Volkswagen Rabbit is sponsored by Garms MufflerWorld, Budget Rent-a-Truck, and Green Belt Motors. The new sponsor, Mitutoyo Measuring Instruments, is actually returning after a short absence from the racing scene.
