

Port McNicoll News

by Clara Power

This week is Ontario Public Library Week and you are all cordially invited to drop in and visit the Port McNicoll Public Library. While there, please fill in our survey sheets with your comments on how we may better serve you - our patrons.

Every Wednesday morning from 10 a.m. until 11 a.m. "BOOKIE'S STORY TIME" is held at our Library. Ruth Klades, like the Pied Piper, brings the children up to search for BOOKIE - our resident Book Worm Puppet. Then they all go downstairs to

the Meeting Room for a jolly good time of stories, songs, and crafts. Do bring your young ones along to join in the fun.

The Catholic Women's League (C.W.L.) of Sacred Heart Parish in Port McNicoll held their last meeting on Oct 1. For the guest speaker they had Lawyer Elise DeVillers, who spoke on Wills and Estates.

On Oct. 17 the C.W.L. also held a Craft Workshop. Geraldine Boost, along with other members, shared their knowledge of crafts with emphasis on Christmas Crafts.

Will you please help out Storytime at the Library by saving, and bringing in, the following items for crafts? We need acorns, large pine cones, styrofoam meat trays, styrofoam egg cartons. All of our little "BOOKIES" thank you.

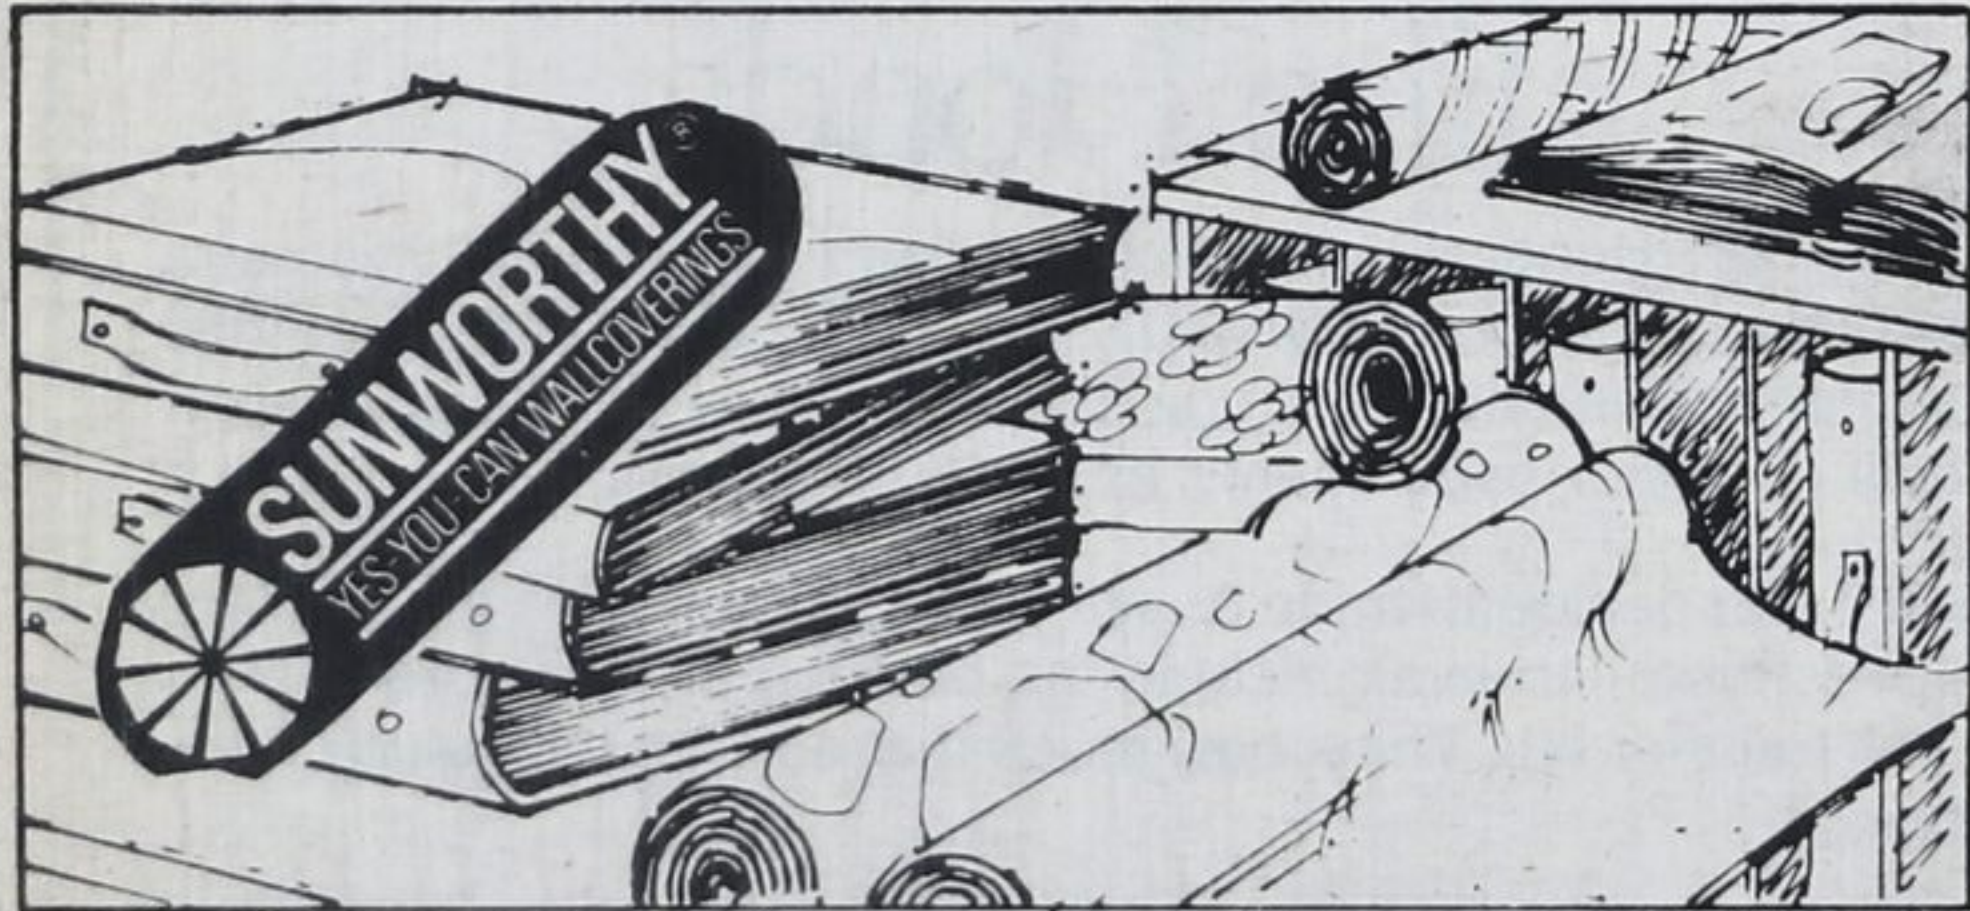

On Oct. 29, between 1:30 and 3 p.m. the Port McNicoll Recreation Board will be hosting a Halloween Party for children ages one to six-years-old. FREE - no admittance charge! There will be Costumes, Prizes, Games, Haunted House, Goodies! So come on out to the Port McNicoll Community Centre, and have a great time.

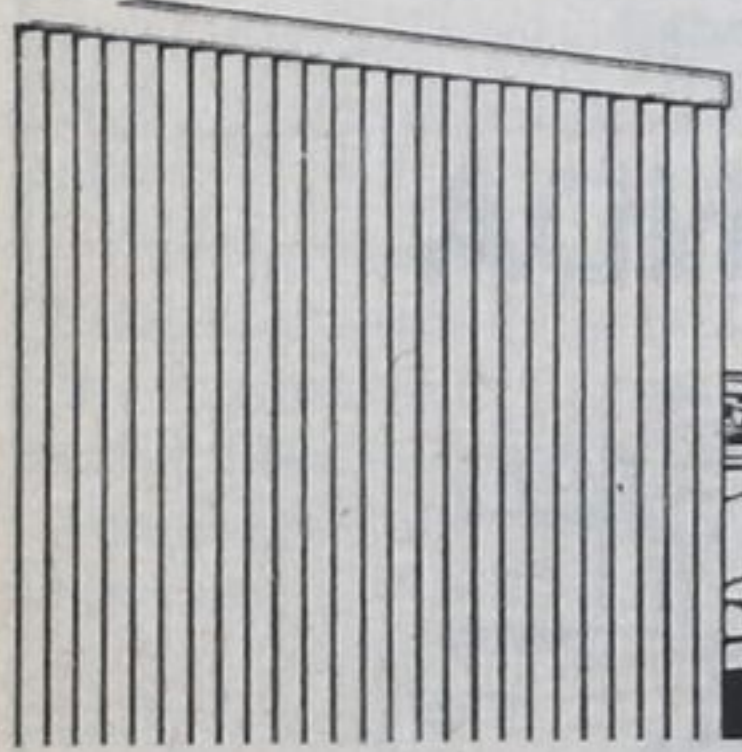

Rummaging around

Linda Berriault, 37, of Penetanguishene, looks for good buys for her family at St. Ann's Church's rummage sale held Saturday. About 100 others were there with her when the doors opened at 10 a.m.
