

Saints battle

This past weekend, the Midland Saints Oldtimers hockey team participated in the Fourth Annual Wasaga Beach Old Beachboys Hockey Tournament. With eight rookies on this year's roster and under the able coaching of Bill Knibbs and Bob Larmand, the team skated all the way to the finals in their division.

In the first game last Thursday evening, the Saints encountered the Barrie No Name Auto Parts team with the Saints taking an early lead from a goal by Earl Cousineau and assisted by Len Miller and Warren Duckworth. The No Names responded quickly with a goal and the game remained tied until one minute and thirty seconds left in the final period when the No Names flipped in their second goal to take the lead and to win the game. The Saints M.V.P. award, this year labelled the "Awsum Award" was awarded to Mike Fleurie who played an outstanding game between the pipes stopping a number of clear cut breakaways.

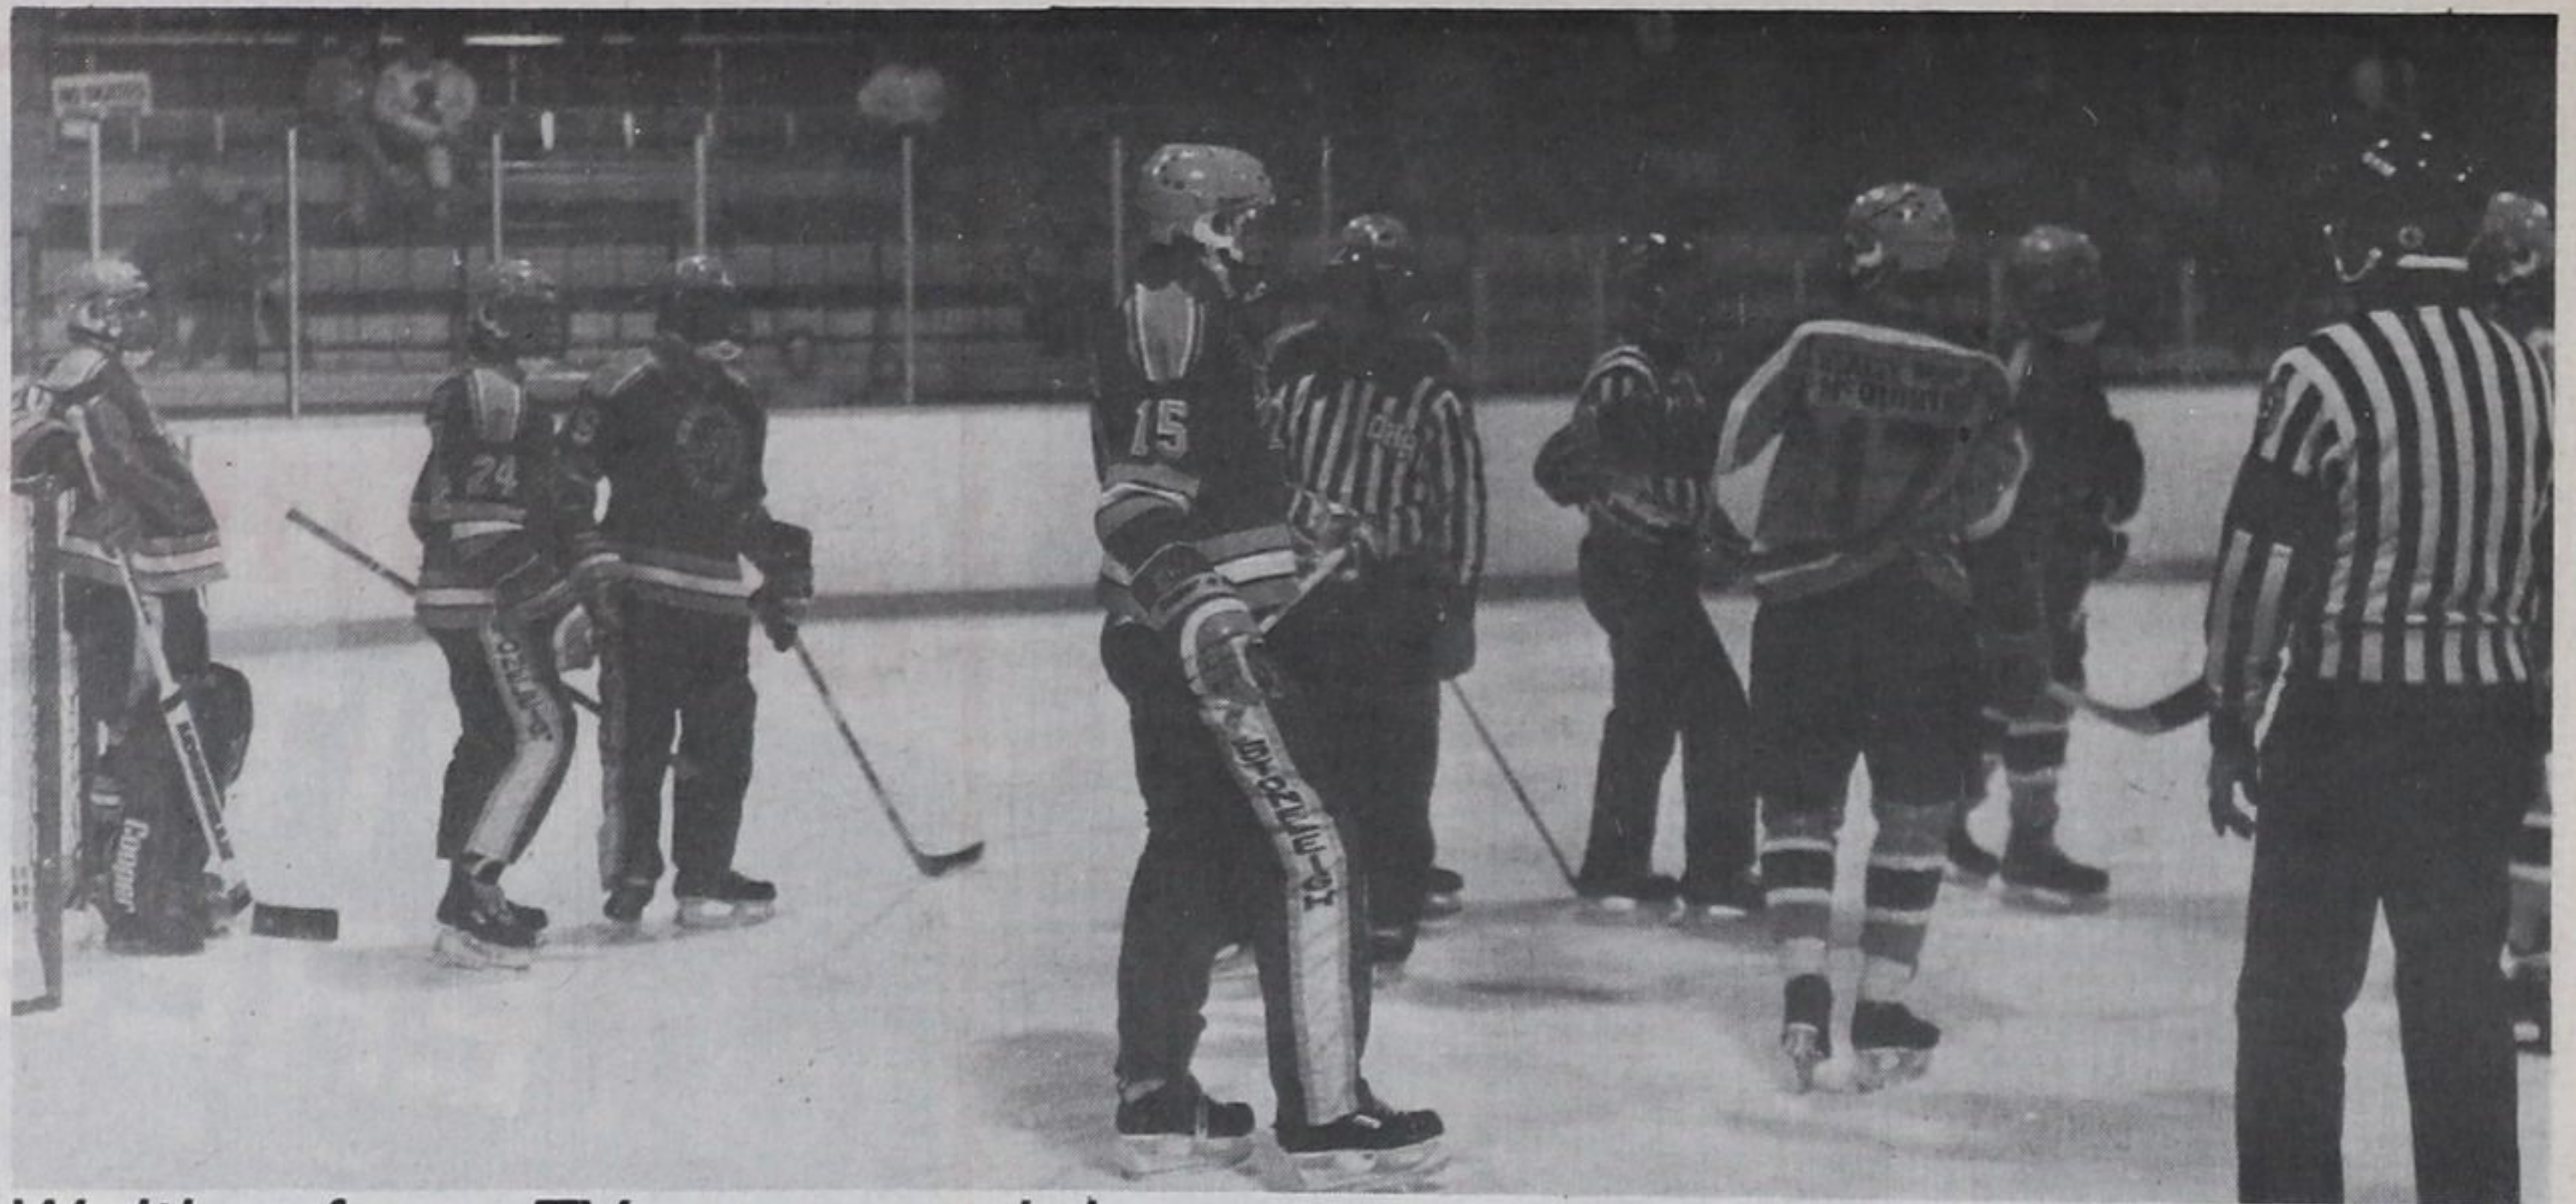

On Saturday morning, the Saints were matched up against the Base Borden Braves with Midland taking an early lead in the first period with a goal from Len Miller assisted by Brian Marshall and Bryan MacKell. In the final period, the Braves responded with a goal to tie the game and late in the third period, the Saints' winning goal was scored by MacKell assisted by Burke Thompson and Fred Flood. Goaltending chores for that game were handled by Nelson Robillard and the Awsum Award was presented to MacKell.

In the third game on Sunday morning, the Midland boys faced the Bolton Bruins and skated to a conclusive win. Scoring in the first period was Warren Duckworth assisted by Bob Larmand and Earl Cousineau and late in the same period, Duckworth tallied for his second goal of the game assisted by Larmand and Art Desroches. In the final frame, the third goal was scored by Len Miller assisted by Fred Flood and Bob Sweezy. Mike Fleurie recorded the shut-out and the Awsum Award was presented to Duckworth.

In the championship game late on Sunday afternoon, the Saints once again met the Barrie No Name Auto Parts. Barrie jumped into the lead early in the first period with two quick goals. Late in the first period, the Saints then tallied with a goal from Bryan MacKell assisted by Fred Flood and Len Miller. Early in the final frame,

Barrie scored their third goal, with Earl Cousineau responding for the Saints assisted by Warren Duckworth and Bob Larmand. Barrie then fought back to gain their fourth goal and with less than a minute left in the game, the Saints in an attempt to tie the score, pulled their goalie only to have two empty netters against them for a final score of 6-2 for the Barrie squad.

Through the course of the tournament the Saints team received outstanding checking and diligent play from the third line comprised of Terry Knight, Jim Johnston and Larry Smith. The Lady Bying Trophy for the Saints team was not won by the new captain who, wearing No. 23, endeavoured to emulate former professional greats such as Eddie Shack and Jeff Brubaker. The Saints would also like to congratulate the Midland Bay Marine Hawks for winning their division and the Penetanguishene Memories Lounge Oldtimers for finishing in the finals of their division.

Waiting for a TV commercial

A break in the action during Friday night's Georgian Bay Jr. C hockey between Penetang

Kings and Midland Stoneleigh Centennials. Although Midland appeared listless in the

first period, they persevered for an 8 - 2 victory.

Memories drop opener to Queens

Penetang Memories were defeated 97-64 by Queens Hotel of Barrie in Simcoe County Mens Basketball League action at the MSS gym Thursday night in their home opener.

Brent Hamelin led Penetang scorers with 15 points, followed by Frank

each hooped 22 points for Queens.

Godfrey with 12, and Doug Cairncross with 10. Marty McCrone and Jeff Edwards

Memories, perennial doormats of the league, put on an admirable performance in the first half, led

mainly by the ball handling of Godfrey and Hamelin. Memories, who trailed after the first half 43-30 appeared to run out of steam late in the first half. Queens is expected to be one of the

stronger teams in the league this year. Penetang Memories next home game will be Thursday night at the Midland Secondary School at 7:30 p.m. against Barrie Texaco.

Villages share officer

The Village of Port McNicoll finally has a working agreement with the Village of Victoria Harbour over sharing a bylaw enforcement officer and building inspector.

At last Tuesday's meeting of Port McNicoll officials, Councillor Regis Quesnelle said an agreement had finally been reached on the sharing of part-time Building Inspector/Bylaw Enforcement Officer John Dallaire.

Victoria Harbour officials have been without these services since the summer when the Village's building inspector and enforcement officer passed away. In an effort to help their neighbouring

municipality, Port McNicoll council agreed to allow Victoria Harbour to retain the services of Dallaire, who started working for Port McNicoll in June, on a part-time basis when they were left shorthanded.

Quesnelle said at a meeting between representatives from the two municipalities, most of the details were ironed out.

The deal struck will last until the end of December. In the new year both sides will have to sit down again and decide whether the two municipalities can work out a permanent sharing agreement of Dallaire's services or make some other arrangements.

School safety week

Many children are often injured, or even killed, due to the lack of safety precautions. Because of this, the Safety Council of Canada designated last week as "School Safety Week."

Schools in the Penetanguishene area, practised various safety measures during the appointed week. A representative from St. Joseph's School reported that Officer Don Penrose, from the Penetang Police Department, visited the school last Friday and informed the primary grades on schools bus safety. The Bus Patrol students were also given a speech on the same subject.

At Ecole Secondaire Penetanguishene Sec-

dary School (ESPSS), most technical students take an Industrial Accident Prevention Association course during the year, to learn about basic safety in the workshop. Other than this, the school had "no formal plans", according to Principal Gills Cinq-Mars. Cinq-Mars also commented that the school tries to practise safety every day.

Ecole St. Louis has been practising fire safety, by holding regular fire drills. These drills were the only events scheduled to take place, during Safety Week.

According to the different schools contacted, they all agreed that safety should be emphasized throughout the year.

OPP investigate accident

The Midland detachment of the Ontario Provincial Police are looking for more information about a car accident involving an unidentified car and driver and an 18-year-old man.

On Friday, Oct. 17, John Sweeney of Victoria Harbour was walking on William Street in the Har-

bour and was struck down by a brown car at approximately 8 p.m.

The driver of the car stopped to assist the pedestrian, but left without giving his name.

Sweeney was taken to Huronia District Hospital by his parents and was

released later, suffering only from minor injuries.

Midland O.P.P. would like the driver to contact them at 526-3761. As well, if anyone was in Victoria Harbour at the time of the accident and can supply any information, the O.P.P. said it would be appreciated.
