

### Smash. Crash. Gush.

Last Wednesday afternoon, two cars collided on the corner of Church and Burke Streets. After failing to stop at a stop sign and hitting the other car, this one then hit the fire hydrant, and caused a river to flow

down Burke Street. It took crews two hours to clean up and to tow out the car, which sank down as water eroded the earth.

## Business recycling needs boost

Businesses in the Towns of Penetanguishene and Midland have not taken to recycling garbage like the

North Simcoe Waste Management Association (NSWMA) had hoped. According to Recycling

Program Manager Anne Desroches, in the first collection of a weekly trial pick-up program of

newspaper, computer paper, unwaxed corrugated cardboard and other recycling materials, only nine businesses between the two municipalities participated.

In an interview Friday, Desroches said although over 100 businesses, industries and schools were notified of the project, only a small group participated in the first week. The project was implemented by the association in an effort to increase the volume of recyclable materials collected and increase the revenue of the association to help offset the program's operating expenses.

Desroches said she is confident the number of businesses involved will increase despite the poor beginning.

The manager added businesses in Midland and Penetanguishene can still get involved in the Friday pick-ups by contacting the Port McNicoll Village Office (534-7281).

### Penetang Library Log

## Library doors closed today

The library is closed today for the Remembrance Day holiday. Tomorrow, November 12, the Simcoe County Library Exchange takes place between 10:00 and 1:00 so we will be closed for those 3 hours also. This exchange of books from the county library offers us many different adult fiction volumes that would otherwise be unavailable to us.

The fourth in a series of travelling exhibits from the Royal Ontario Museum's Outreach Department, Pipes of Iroquois, will arrive this week. Pipes today are treated as very ordinary objects-but this was not the case with the pipes of the Iroquois.

For the Iroquois, pipes and smoking had deep cultural and religious significance, and we know that tobacco was an integral part of almost every recorded ceremony. The Iroquois believed that some smoke, lifted up to the heavens, could carry their messages to the Great Spirits.

Pipes were also smoked during business transactions, as it was thought that smoke carried enlightenment to the brain. A shared pipe was a demonstration of friendship and hospitality.

The earliest pipes used in Ontario may have left no remains if they were made of destructible organic materials such as bone or wood. But clay pipes from the more recent past are a relatively common occurrence in Ontario.

The pipes show great variety in design and decoration, but they can be divided into two major

groups: effigy pipes (on which animals or humans appear) and non-effigy pipes.

The Iroquois continued to make their own pipes, even after pipes were readily available from the Europeans. The presence of the Europeans and their culture strongly affected

Next week, the fourth Village of Port McNicoll Junior Council, elected at Port McNicoll Public School late last month will

be sworn into office. Council elect are Reeve Sheila Stafford, Deputy-reeve Crystal Hirlehey and Councillors Chris Burns, Tanya Copeland and Sherry Juneau.

The public meeting begins in the council chambers of the Municipal Offices at 7:30 p.m.

Indian life; however, because the pipes had such religious and cultural significance, the skills, artistry, and traditions associated with these important artifacts endured.

Stop in during regular library hours and view this display of ancient Pipes of the Iroquois.

Junior council inaugural

At next Tuesday evening's session of Port McNicoll council there will be five very special guests on hand for a very special inaugural ceremony.

## Water off after accident

Two cars, both totalled, and a mini-river running down Burke Street were the results of a smash-up last Wednesday afternoon in Penetanguishene.

According to police, about 4:15 that afternoon, Janet Beausoleil, of Concession 1 in Tay Township, was heading north on Church Street when she failed to stop at the stop sign.

Christopher Burns, of 337 Hugel Avenue in Midland, was heading west on Burke, when the two collided.

After having crashed, Beausoleil's car hit a fire hydrant, causing the main

to burst. A gushing river flowed down the sidewalk on Burke Street.

Both drivers were taken to the hospital. Beausoleil spent the night at Penetanguishene General, according to Doris Sherriff, the Executive Administrative Assistant at the hospital. Beausoleil was released Thursday, with some bruises but no broken bones.

Burns was taken to Huronia District Hospital but was released later that evening with bumps to the head and bruises, said the nursing supervisor, I. Haley.

Cleaning up the mess was no easy task for firemen and mechanics. Water and Fire Department officials managed to

stop the roaring tide about 5:15 p.m.

Due to the velocity and volume of water, Beausoleil's car became jammed in the curb, and Dusome's Garage, despite numerous attempts, didn't get the car out. Finally, a bigger tow truck from Midland came and pulled wreckage from the muddy hole.

Penetanguishene Police say damage totalled about \$12,500. Staff Sergeant Don Westcott said both cars were write-offs, one valued at \$8000, the other at \$4000. There was also about \$500 damage to the fire hydrant and water main.

Police say their investigation is continuing and no charges have been laid.

### PGH births

Mr. and Mrs. Keith Barry, of 778 William St. in Midland welcomed a baby boy Oct. 19. He was 6 lbs. 5 oz.

A baby boy was born to Mr. and Mrs. Gilbert Charlebois of Penetanguishene October 26. He weighed in at 8 lbs. 2 oz.

Mrs. Andrew Lizotte, 30 Fox St. in Penetanguishene, gave birth to a 7 lb. 14 oz. boy, October 26.

Mr. and Mrs. Dan Larose, of Sawlog Bay, welcomed a 7 lb. 2 oz. boy, October 29.

An 8 lb. girl was born to Mr. and Mrs. James Elliot of RR3 Elmvale Oct. 31.

Also on Halloween, Mrs. Denis Desroches, RR3 Penetanguishene, gave birth to a 6 lb. 3 oz. baby boy.

We apologize for an error in our Nov. 10th to 16th Flyer.

### Del Monte Vegetables

case of

12 - 14 fl. oz. tins

Not case of 24

for \$6.99 with coupon

are advertised at a low low price.

## MIDLAND/PENETANGUISHENE CKMP 1230 THE HEART OF HURONIA

THE CKMP ALL-HIT COUNTDOWN FOR WEEK NUMBER TWENTY
