East End subdivisions

Penetanguishene's Planning Advisory Committee (PAC) is subdividing and expanding housing in the east end of town.

The PAC has supported the expansion of Bonaventure Estates.

The committee decided at its meeting last week to recommend council to pass a new zoning bylaw to change the lands from Deferred Development to Residential Second Density (R2), allowing only for single family homes.

The lands on the corner of Robert and Dunlop streets will be subdivided into 22 lots, if council endorses the recommendation.

The committee says it has been impressed with the quality of housing development in that area of town.

As well, lands on the corner of Broad and Fuller Streets, owned by Gordon and Theresa Champion, could be split into lots allowing for the construction of single family homes. The committee has restricted the type of house that can be built to single family detached residences.

PGH births

Gerard Marion and Rose Ladouceur, 439 Manly Street, Midland, are pleased to announce the birth of a baby girl, November 16, weighing 8 lbs. 3 oz.
