### MSS wins tourney

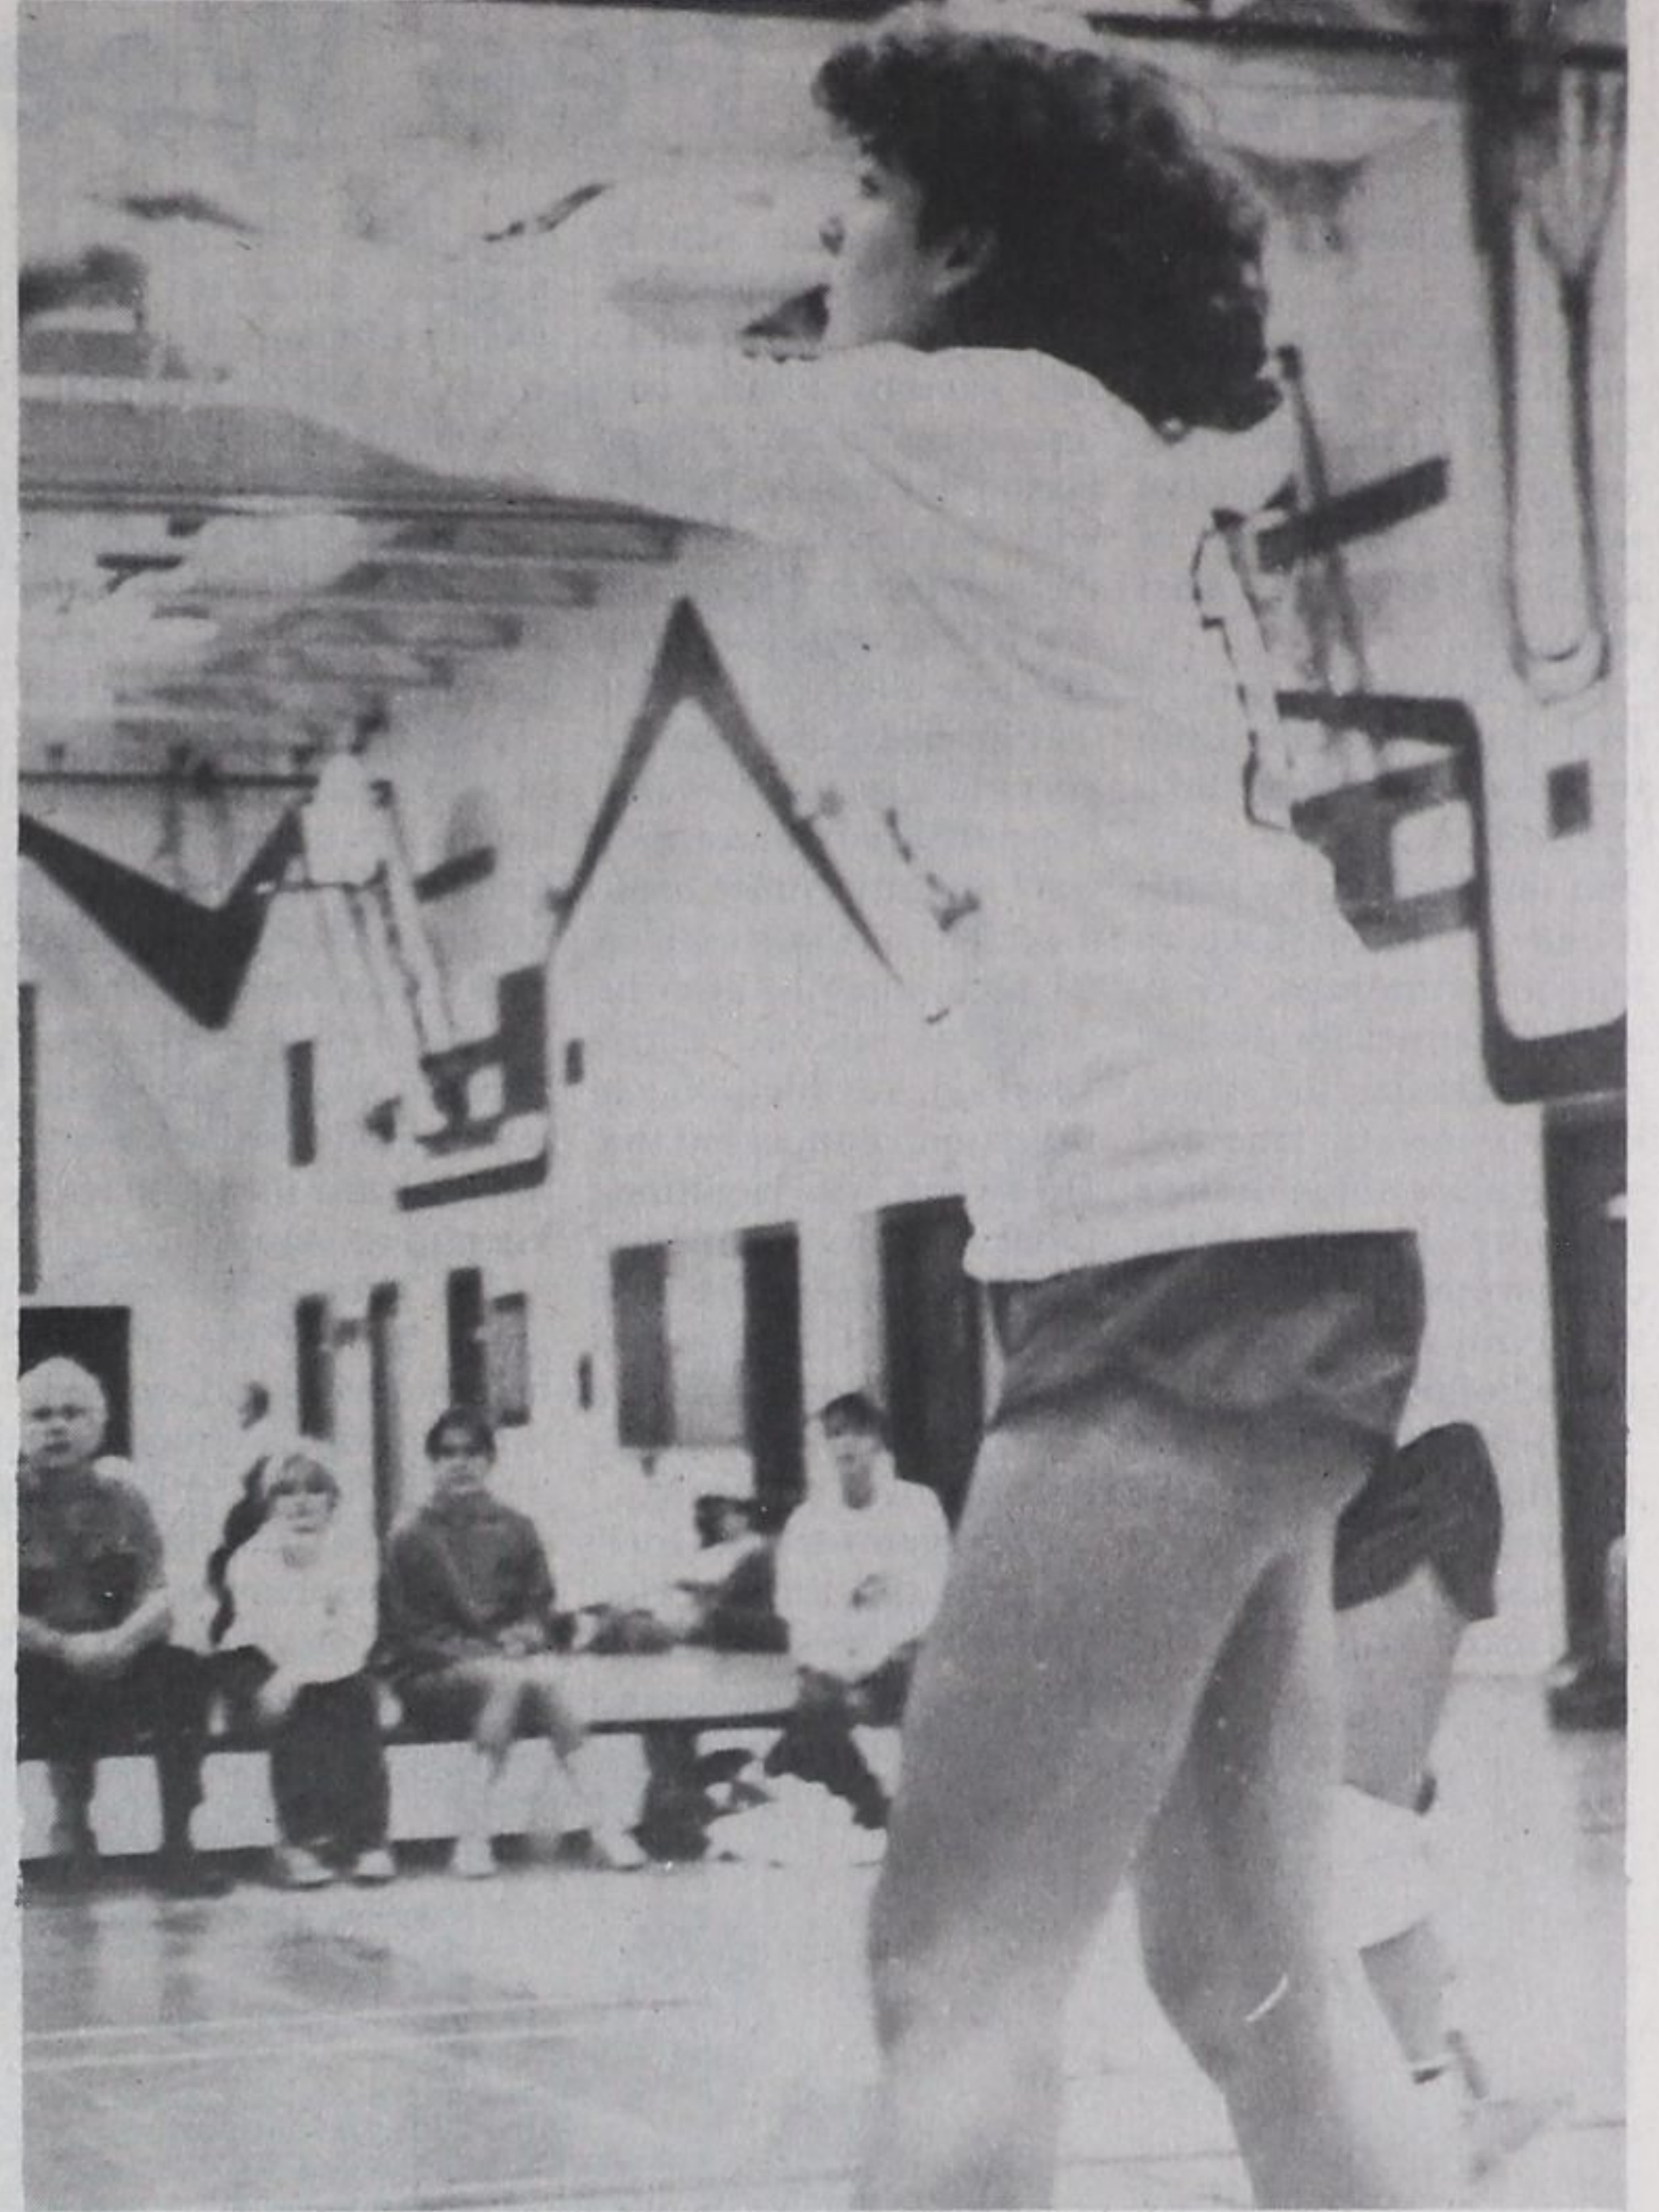

Midland Volleyball Club held their annual high school volleyball tournament on the weekend on three sites.

At Midland Secondary School, the Senior Marauders emerged victorious in their pool consisting of LeCaron, Park Street, Orillia, and Parry Sound.

In the semi final of the championship round, MSS met Orillia District Collegiate and Vocational Institute defeating them 15-5, 12-15, and 15-7 to move on

to the final against A pool winner Banting High of Alliston. In the first game of the set, the senior Marauders experienced some difficulties in most aspects of the game against the bigger Banting squad but persevered 17-15. In the second game, MSS fine tuned their passing and setting, while relying on good serving to walk away with a 15-4 victory and the championship.

In the consolation final, PSS took Park Street two straight 15-12, 15-7.

### Modern dance?

Theresa, MSS, and PSS all day Saturday. Midland seniors defeated Banting High of Alliston for the Championship while the MSS Midgets won over Park Street of Orillia for the honours in their division.
