OHA set up library

The Ontario Hockey Association announced plans earlier this month to establish a hockey library at their Cambridge office.

The library which is intended to serve as a research centre for young and old alike, will be established "primarily to assist students doing research work, where hockey is a major focal point".

The OHA Board of Directors approved the concept at their at their January 7th, 1987 Board of Directors meeting hoping to build the library to contain up-to-date films, books and memorabilia which would be of interest to the general public.

An appeal is being made to the general public, authors, and publication houses, for donations of any hockey publications they may have on hand, which they may wish to donate to the library, or cash donations to assist in the establishment of the library itself.

Donations may be sent to the Ontario Hockey Association, 1425 Bishop Street Unit 6, Cambridge, Ontario N1R 6J9.

Peewees lose

Penetanguishene Driftwood Major Peewees saw a lot of hockey action over the past week and although there were no victories to claim, they played some spirited hockey nevertheless. As the league schedule gears down, Driftwood has only one game left to play and it will be on the road in Midland next week. Play-offs are just around the corner.

Last Tuesday Driftwood almost made their biggest comeback of the year against Collingwood, but fell short as a late goal by the visitors stole a tie from the boys. Collingwood began the game with one quick goal less than two minutes into the game and then added a second just before the end of the first period to stake themselves to a 2-0 lead. However, at the 1:04 mark of the second, Tim Mason found the net when his shot blistered past the Collingwood goalie. Mason was set up by Tim Maheu who played an especially strong game throughout this contest. With the score now 2-1, Collingwood struck for the next goal before Tim Maheu scored the first of his three goals for the evening to narrow the gap at 3-2, after he was assisted by both Mason and Billy Leonard. A brief defensive lapse by Penetang allowed Collingwood to score the next three goals and at the break, it was 6-2 for the visitors. Driftwood staged a valiant comeback in the third as they scored four unanswered goals to tie the game at 6-6. Scoring for Driftwood were Maheu with his second, from Mason and Leonard once again, Francois Charlebois, with two both from Adrian Maurice, and finally Maheu completed his hat trick at the 10:54 mark of the third when he tipped in a loose puck in the goal crease. Both Mason and Leonard were credited with assists on the goal. Unfortunately for Driftwood, Collingwood were able to score their only goal of the period with just 42 seconds remaining in the game and this was all they needed to win by a 7-6 score.

On Wednesday Driftwood played the Midland Peewees in Midland and although they came up short on the losing end of a 6-3 game, they played

well, relatively speaking, and were in the game save for the first five minutes.

Midland opened the scoring on their first shift, and then scored two more goals by the mid-way point of the period. Initially, it looked like a romp, but steady goal-tending by Claude Vallee and Scott Galt kept Driftwood in the game. Penetang's Tim Mason scored his team's first goal after being set up by Tim Maheu, but Midland replied with a goal of their own to restore their three goal lead at 4-1. Chris Marchildon narrowed the score to 4-2 in the second period, but once again Midland scored to take a 5-2 lead. In the third period, Midland went up by a 6-2, but Driftwood's Francois Charlebois made a pretty individual rush and scored his team's final goal of the game with only five minutes remaining. A few missed opportunities for Driftwood prevented them from tying the game, but nevertheless, they had their chances in this contest and they played a good game by holding Midland's strong offense to only six goals.

Over the weekend, Driftwood played a home and home series with Owen Sound, but came out on the losing end in both contests. On Saturday the boys travelled to Owen Sound and despite playing some good hockey they couldn't manage to contain the home-town team and the game ended 6-4. Scoring for Driftwood were Adrian Maurice with two and singles going to Tim Maheu and Dwayne Johnson. Assists on Maurice's goals went to Chris Marchildon on the first and to Francois Charlebois on the second. Maheu's goal was assisted by Johnson and Shawn McConkey. Johnson's goal was set up by both McConkey and Charlebois.

In the return match in Penetang on Sunday Owen Sound had less trouble in this game as they won in convincing fashion by a 7-3 score. The first period remained close and Driftwood was in the game until the beginning of the second period when Owen Sound scored four unanswered goals to take a 6-2 that help up until the third. Final score was 7-3 for Owen Sound.
