

Children's theatre tickets hit street

Get yours early! Last year, we sold out fast, and some people were disappointed. This year looks to be just the same.

On April 28th, ticket sellers will be entertained by "A Touch of Class" steel

drum band, under the direction of Kathleen Munteer at the Budd Watson Gallery, as Huronia Performing Arts for Children 'kicks off' a 10th great season by introducing two brand new family

entertainment series.

Then look out! Our eager ticket sellers will be inviting you to participate in the entertainment bargain of the year - four live family shows for one low affordable price. Just \$10 will buy all four shows if you purchase your tickets before June 30/87.

If you don't get a call from one of our ticket sellers, you can purchase Series tickets at Johnstone's Musicland, Midland and Gignac's Children's Wear, Penetang. For more information call 526-3585 or 835-3308.

Signing for class

Courses offered by Georgian College at its new location in Midland, on the second floor of the former Canadian Tire building, start this week. Above, attended by her daughters Lacey, Jade, and Kristin, Kim

Beaudoin registers with the help of program supervisor Tom Morrisey, for a typing and office practice evening course.

For man and beast

The drinking trough was once a common site where people could stop to water their horses. Penetangishene is lucky in having this cast iron beauty. It's designer considered both man and animals. At the back is a fountain for people to drink from and below, at cat and dog height, is a smaller trough from which man's best friends can still drink.

ATTENTION: NON-PROFIT HOUSING ORGANIZATIONS

Create non-profit housing in your community. Applications are due May 15.

Meeting Ontario's housing needs.

As first advertised last January, applications are being accepted for the development of 6,700 new non-profit housing units across Ontario. Construction of these units will begin in 1988.

Interested groups should apply now as the May 15th deadline for preliminary applications is fast approaching.

The Government of Canada through Canada Mortgage and Housing Corporation, and the Province of Ontario through the Ministry of Housing, will be cost-sharing assistance directed to needy households. Market units will be fully funded by the Province of Ontario.

The program is open to all municipal non-profit, private non-profit and non-profit co-operative organizations.

Local community organizations wishing to sponsor non-profit housing projects can apply for government grants to cover the

costs of establishing non-profit housing corporations.

Affordable housing for those in need.

This program helps non-profit agencies to create affordable housing for households in need of housing assistance. These include families, senior citizens or physically, developmentally and psychiatrically handicapped persons able to live independently.

In addition, some of the units will be specifically targeted to low-income singles.

Call now for complete details.

Organizations wishing to sponsor such housing projects must submit their preliminary applications by May 15, 1987.

For more information and application packages, contact your nearest Regional Office of the Ministry of Housing as soon as possible.
