Health walk '87 a town affair

The Penetanguishene General Hospital's annual health walk was a town affair this year with close to 500 people turning out for the six kilometre walk with world curling champs from the Russ Howard Rink, Anglea Schmidt-Foster, and Sister Joan Whelan walking for Brian Orser. At the end of the day the walk raised more than \$16,000 for new heart-monitoring and life support equipment for the hospital. The Elmvale Lions Club had a similar walk which began in Wyevale and followed the old track to Penetang. The combined walks and Friday's phone-in campaign helped net \$21,500 for the new equipment.
