OPERATIONS SUPERVISOR

NEBS production printing facility requires a supervisor who can manage all aspects of the day to day operations on our second shift. A graphic arts background would be an asset, however, the individual we are seeking does not need specific printing experience if they have the necessary management experience & technical ability.

Our continued fast growth & expanding product line require someone with extensive management background who possesses strong leadership, decision making & interpersonal skills.

If you're looking for a solid company that provides a supportive working environment where people are encouraged to reach their full potential, you will be interested in NEBS.

Qualified applicants reply by resume or letter including salary requirements to:
