

Keegos win gold

The Midland Y Keegos placed third out of ten teams last week at the Victor Davis Long Course Pool in Guelph.

The Keegos were competing in their first long course swim meet (olympic size pool) of the season. This time of year, most of the swim meets are long

course meets as opposed to the usual short course (25 metres).

Although a number of the regular record breakers put in good performances, all swimmers improved their times with Brent Landry doing exceptionally well.

In the record breaking

category, Pat Brooks, who just turned 10, broke his brother's team and individual regional record in the 400m free style. Pat still has another year to work on this new record.

In the boys 11-12 years old, Pat's brother Sean broke the 200m back stroke record with a time of 2:43:38.

In the boys 15 and over, Bryan Shouldice broke both the team and Huronia records with a 2:29:89 in the 200m fly. Brian also altered the Midland record book with a time of 2:08:00 in the 200m free style.

Records in the 11 and 12 year old bracket fell to Jenny Gibson in the 100m and 200m breast stroke events with times of 1:31:72 and 3:11:62 respectively.

Muriel Henry's specialty, the butterfly, proved her strongest event, setting a record in the 200m with a very respectable 2:48:30. Kyla Rollinson showed her strength in the backstroke breaking the record in the 200m with a time of 2:51:67.

Midland has fielded some good relay teams in past years. This was to be no exception as gold medals were gobbled up by the local aquatics in the 11 and 12 year old boys and girls and the 15 and over girls.

The combination of Jenny Gibson, Stacey Robertson, Muriel Henry and Kyla Rollinson swam an even 2:11 in the 200m free style relay and 2:28:32 in the medley.

Sean Brooks, Brent Landry, Chris Neville and Pat Brooks registered a record time of 2:15:06 in the 200m freestyle and 2:32:84 in their 200m medley.

The 15 and over girls 200m freestyle relay was swam in a record breaking time of 2:12:64 and the 200m individual medley relay was also a record setter with a time of 2:33:92. Becky Whittam, Lise Magnan, Melissa Cave and Kristi Haines were the winning quartet.

Measuring

Summer is officially here when the ladies don their whites and head for the local lawn bowling club. In this photo, the ladies are measuring the distance between the closest bowls and the little white ball at the

bottom of the picture. The ladies seem to be amused at something the photographer said. Trust it was in good taste, Ed.

Meet winners

Members of the Midland Y Keegos pose in the water after returning from Guelph where they participated in a 10 team meet at the Victor Davis Long Course Pool. Keegos enjoyed a very good meet, placing third overall. The meet served as a warm-up for some of the Keegos who participated in the National Youth Championships in Montreal on the weekend.

Tykes romp to win

Midland Gervan and Associates Tykes blew the cover off the ball and Collingwood out of the park as they romped to a 20-2 win in York Simcoe Baseball Association regular season play last week at Little Lake Park.

Midland scored three times in the first, five in both the third and fourth, two in the fifth and added five in the sixth, while Collingwood managed their two in the fourth frame.

In the first inning, Mark Larmand doubled to centerfield to start things off. With Jess Eason on first by virtue of a base on balls, James Downs belted a three bagger to left, scoring Larmand and Eason. Mikey Mannapso cashed in Downs for the inning's third run with a base hit through shortstop.

Downs reached first in the third inning on an error to the shortstop and scampered to third on another infield miscue. Vincent Leary cashed Downs on an another error credited to the first baseman. Jacob Cote walked and Jonathan Deacon was thrown out at first allowing Leary to score. Paul Beauchamp's RBI single brought in Cote. Mark Larmand stroked a double plating Beauchamp and scored himself on a passed ball.

Downs opened the fourth with a double and scored on Leary's infield out. Mannapso singled to right and went to second on an error. Cote walked and Deacon singled home Mannapso. Cote scored on Larmand's round tripper.

For the second inning in a row, Downs opened with a two bagger. Leary and Cote then walked to load the bases. Downs and Leary then scored on Paul Beauchamp's base hit.

Bill Brown opened the five run sixth with a base on balls and scored on yet another double off the bat of Downs. Leary received a free pass and both runners eventually scored on an error to the pitcher. Two more walks to Mannapso and Cote and a single off the bat of Beauchamp plated two more runs to finally end the slaughter.

Leary went the distance on the hill for Gervan and Associates to garner the victory.

The team is showing more and more confidence each time out, working together as a team.

THANK YOU PARTICIPATION CHALLENGERS

The Midland Recreation Department would like to thank all those individuals and groups who took on the Challenge on Wednesday, May 27, 1987.

It was the efforts of such people (and you know who you are), that made Participaction Day a success. We only lost by a small margin, the final score was Midland with 43% of its population participating and Orillia with 46%. We'll get them next year for sure!!

We would like to give recognition to the following groups for their support:

Regent School
Parkview School
Bayview School
Monsignor Castex School
St. Theresa's High
Midland Secondary School
Prime Time Nursery
Small Set Nursery
Tina Watling's Dance Centre
Chamber of Commerce
Bayshore Bowling
Midland Golf & Country
Brooklea Golf & Country
Minor Baseball

Shuffleboard Club
Tennis Club
Air Cadets
Sea Cadets
St. Andrew's Manor
Villa Retirement Lodge
Villa Nursing Home

Martial Arts Academy
Hacker, Gignac & Rice

Thank You!!

The Midland Recreation Dept.

Balmy Bowling Days

Ed Pearson It was just another perfect day in paradise at the Midland Lawn Bowling Club on Wednesday.

The girls and boys shook the mothballs from their summer whites and lugged their bowls to the green for the first tournament of the season. It was a happy scene as members celebrated the arrival of summer and renewed acquaintances from last year.

Syd Griffiths, the drawmaster, assembled 12 rinks for the two game, mixed triples, event. The greenskeepers had the greens in mint condition and the weatherman co-

operated with a sparkling day.

Ed Pypher with Betty Titherington and Ed Pearson at lead were the overall winners. The dynamic trio of Sandy MacDonald, Dorothy Tucker and Marge Stamp were runners-up. Ken MacKenzie, Florence Broad and Cliff Ross com-

bined to count a two game score.

The members are looking forward to another exciting social and sporting season. Last year they celebrated two weddings at the club. Next Thursday, the Ellis Trophy for mixed triples gets underway at 1:30 p.m.

The greens are situated on the east side of beautiful Little Lake Park, enter off King Street opposite the cemetery. Spectators are invited and those interested in exploring the interesting game of bowls are welcome to approach any of the members for details.
