

## Indian Maiden

The new Christian Island ferry was christened on Monday with representatives from the Band and dignitaries from Penetanguishene, the province and

the federal government. The Indian Maiden replaces the R.H. Hoey and carries an extra 30 passengers in greater comfort.

## Motorola reunion planned for fall

A committee composed of former Motorola Employees is planning a get-together of other former Motorola workers for October 24.

Committee member Bea Waples says she hopes people from Penetanguishene and Lafontaine will take part in the event which will coincide with the 10th anniversary of the closing of the plant.

When Motorola closed its doors in 1977 more than 750 people from the North Simcoe area were put out of work.

Waples said she enjoyed the time she worked for the company saying that relations between management and the workers were extremely good.

During the early 1970s, Motorola had 12 production lines running at the Midland plant producing radios and tape players for automobiles, but a slump in the car market, pro-

mpted by the 'oil crisis', forced the plant to close. Although Motorola offered jobs to its employees if they were prepared to relocate, many stayed in the community while a few moved to the Toronto area to find employment said Waples.

The Motorola Reunion is going to be held at the Country Mill on Oct. 24, beginning with cocktails at 5:30 p.m. Waples hopes former managers, supervisors and employees will attend. She is looking forward to seeing familiar faces she said.

A prime rib dinner is scheduled for 7:00 p.m. and will be followed by a dance, music performed by the Phantom Four. Tickets are on sale at \$25 each and limited to a maximum of 400. They are sold on a first come first served basis said Waples. Contact Pauline Baldwin at 526-8408.

## Fish hunt registration up

Registration sales for the Budweiser Penetanguishene Rotary Fish Hunt have surpassed last year's total says Rotarian Grant Lawson.

The registrations, which cost \$15 for an individual and \$25 per family, were on sale until midnight Saturday July 4.

Jim Park, chairman for the event, said last year's last minute registration sales exceeded 900.

The weigh-in began at noon on Canada Day, July 1, at the Town Dock in Penetang. Harry Frisman was first at the scales with a 4lb 12oz pike. Frisman says he caught the fish off Beausoleil Island in the early hours of Wednesday morning.

The final count of registrations is still to be completed said Lawson. But, based on last year's figures, the club expects close to 1,500 entrants in the hunt.

Penetanguishene Rotary club teamed-up with Labatts in 1983. The Labatts' series now in-

cludes 31 communities across the country.

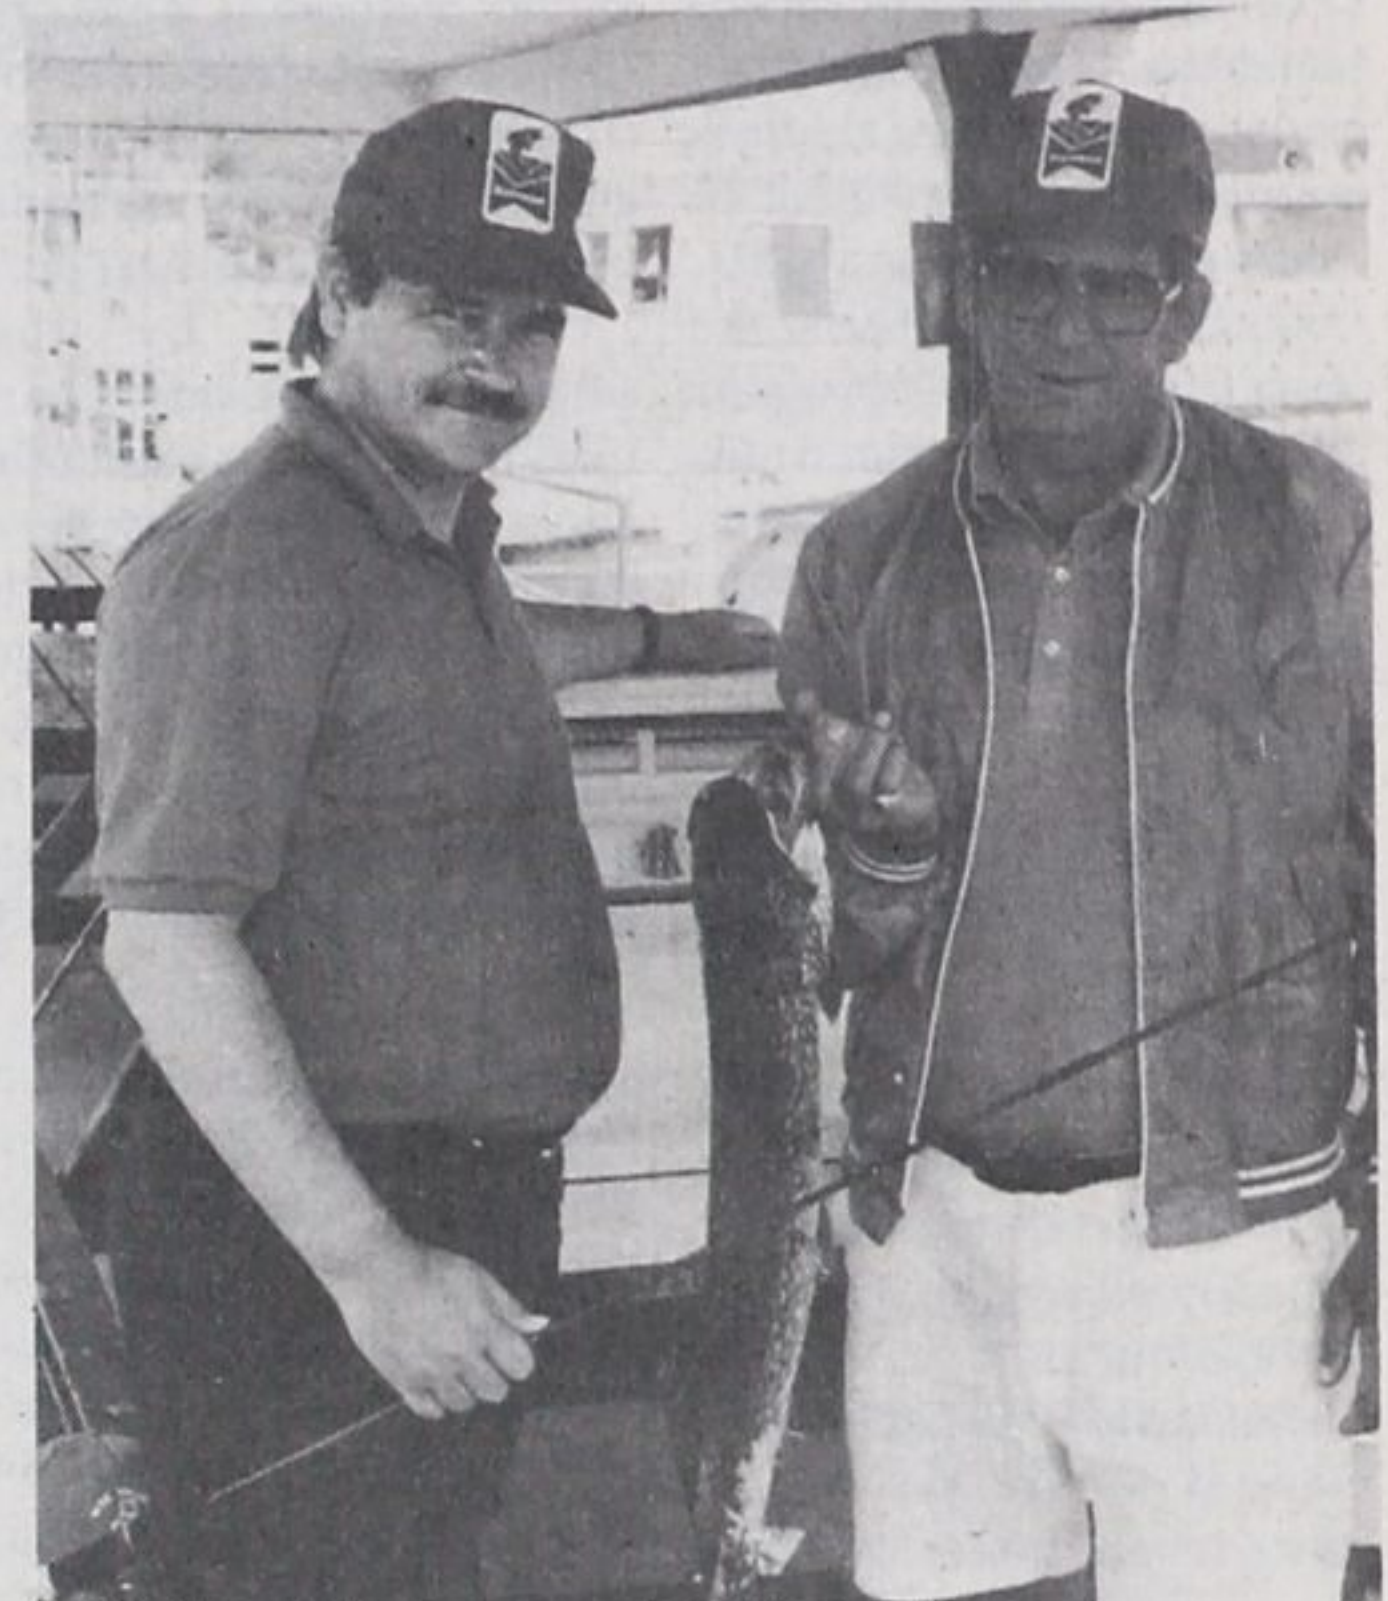

More than \$60,000 worth of prizes are up for grabs. There are daily prizes for the largest catch as well as prizes for the largest species caught.

All fish caught in Georgian Bay waters are eligible in the hunt. And competitors over 18 years-old can enter the national derby featuring a grand prize of a Chevy Cheyenne pick-up, 17 foot Springbok

sports-fishing boat with motor and trailer.

Penetanguishene Rotary is also featuring its own boat draw for a Grew 208 with motor and trailer. Tickets are on sale at \$5 each or three for \$10.

The draw for this prize along with other prizes in the fish hunt will take place during the wrap-up dance at the Penetanguishene Curling Club on the evening of August 1.

## First weighed-in

Harry Frisman was at the Town Dock shortly after noon on Canada Day with this 4 lb., 12 oz pike. The fish was weighed and recorded by Rotarian Jim Park. Frisman's catch was the first entry into the Budweiser-Penetanguishene Rotary Annual Fish Hunt.

## Jail term for Port resident

A Port McNicoll resident was sentenced to 11 months in jail after driving with a suspended licence.

Jackie Cadeau, 24, appeared before Judge L.T. Montgomery in Provincial Court in Penetanguishene on Thursday facing charges which included taking a motor vehicle without consent and driving while under suspension.

Charges against Cadeau stemmed from an incident which took place in the Port Severn region during the first week of July, 1986. Cadeau was charged at his parents' home in Port McNicoll on July 6, 1986.

Witnesses for the Crown maintained that a person answering Cadeau's description had been responsible for damaging a mail-box in the Port Severn area.

Morely Wood said he heard a bang outside his house on the evening of July 6. Wood went outside just as a vehicle was entering his driveway.

Under cross-examination by defence counsel Peter Deacon, Wood said he caught a glimpse of the driver but could not be sure that it was the man in court, Cadeau.

However, Elizabeth Magiar, a neighbour of Wood's said she got a good look at the driver when he got stuck in a laneway close to Wood's property.

Both Magiar and Woods described the driver as having long, dark hair and wearing a beard.

Under oath, Tom Cadeau described his pick-up truck which witnesses concurred was the same vehicle

Cadeau was alleged to have been driving the night of the incident. Cadeau's father said his son did not have his permission to drive the vehicle.

Witnesses for the defence included Cadeau's sister Rose and her husband, Tom Strain of Victoria Harbour. Both testified that Cadeau had been at their house during the time of the incident and that he was clean-shaven.

Deacon asked Judge Montgomery to accept the testimony of defence witnesses noting that their evidence was in agreement and he tried to cast doubt on evidence given by Crown witness Magiar saying it was too precise. During his summation Judge Montgomery said he had no difficulty accepting the Crown witnesses noting that Magiar had been a "refreshingly frank witness."

"In spite of that Mr. Deacon attacked her evidence," he said.

The judge also called the evidence given by the defence into question saying it dovetailed to perfectly.

"I am of the impression that the accused and his brother-in-law and sister-in-law concocted the story."

"Sometimes the difference in evidence is the hallmark of truth," he said.

In handing down the 11 month sentence, Judge Montgomery said he hoped Cadeau would become a contributing citizen.

## Salon opens

Mayor Ron Bellisle was on hand to help with the ribbon cutting at Hairfacts' new location on Harriet St. last Friday. The move allowed owner Andrea Heath to ex-

pand the business. Cindy Debbatrista is seen putting the finishing touches to her work.

## Decision to be changed

A decision made by the Arena Parks and Recreation Board regarding berths at the Town Dock made two weeks ago will likely be overturned.

The issue came to a head in late May when Ken Hisey, a charter boat

operator, went to the board to ask for more space for his two boats. Mr. Hisey had reserved space in 1986 for a 40 foot boat but later purchased a 60 foot converted tug-boat.

With the space he was allotted, Mr. Hisey had space to accommodate the Argo Naut Diver, which he owned before purchasing the tug, and an extra 58 feet.

He went before the board at two meetings in June in an attempt to gain space at the front of the Town Dock which he said would accommodate both boats with the least disruption of other boaters using the dock.

The board listened to, and since it received no other detailed proposals, accepted Mr. Hisey's proposal which would have seen Richard Robitaille, who has used the same berth for 20 years, and another boater, Ted Saunders move their vessels behind Mr. Hisey's.

Garnet Cheney, also a charter operator, noted

that no matter how the boats were arranged there would not be enough space to safely dock if all the vessels were tied to the dock.

Following protests of the board's decision by both Mr. Robitaille and Mr. Saunders, Mayor Bellisle said he would be approaching Don McNee, chairman of the Arena Parks and Recreation Board, with an alternative solution. That decision has not been made public.

## Births

The Penetanguishene General Hospital reports two births this week.

Bonnie and Doug Caston from Elmvalle are the happy parents of a 7lb 9oz baby girl, Ashely, born on June 29.

Equally happy are Patricia Beauchamp and Paul Benedet of Perkinfield whose daughter tipped the scales at 6lbs 15oz. She was born July 1.

## Police report

### Bikes stolen

Penetanguishene police responded to two motor vehicle accidents which occurred within minutes of each other on Friday.

The first occurred at the intersection of Poyntz and Main Sts. and involved a Markham and Penetang resident. The driver from Markham was charged with making an illegal lane change. Damage was estimated at \$1,400. There were no injuries.

The second accident, also an illegal lane change, occurred at Main and Edward Sts. An Etobicoke resident was charged with making an illegal lane change. There were no injuries, but damage was pegged at \$1,300.

On Saturday morning a Penetang man was charged under the Narcotics Control Act and the Food and Drug Act. The man had hashish in his possession. He was taken to Barrie for a bail hearing.

Also on Saturday two bicycles were reported stolen from a Maria St. address. A women's bicycle and a Raleigh BMX bike were taken.

Later on Saturday the Penetang Police Department assisted the Midland OPP with regard to a three-vehicle collision at Copeland Hill.

## First for nurse

Mrs. Lorraine Murray, a former Penetanguishene resident, is the first nurse to be appointed Unit Director of the First Place Family Medical Centre, a clinical teaching unit of the Department of Family Medicine in association with St. Joseph's Hospital, Toronto. The former McMaster graduate administration skills and experience in family medicine made her the front-runner for a job normally held by a physician.
