Off to Quebec

Scott qualifies for Canadian Junior Golf Championships

Midland's Trevor Scott is off to Quebec August 25-28 to participate in the Pepsi Canadian Junior Golf Championship.

Scott played in the Ontario Championship at Borden's Circle Pines last week and finished 16 overall out of over 130 golfers.

Putting problems seem to plague Scott throughout the week as he shot 77 on Tuesday and recorded a seven over 79 Wednesday, followed by another 77 Thursday morning. However, the putts started to drop in Thursday afternoon as Scott registered an excellent two under 70 for a 303 total.

Scott was one of 43 golfers to make the cut

of 157. Scott's two round total was 156.

Scott also found himself in a playoff for a spot on the Inter Provincial team to play against Quebec's best juniors.

The playoff was necessitated by a tie. Scott's opponent turned out to be Ray Lange of Springwater Golf Club near Barrie. Lange is the same Ray Lange that set the course record at Midland Golf and Country Club the week previous in the Centennial Junior Golf Championship edging Scott by just one stroke!

This time around, the result was the same, but it took four holes to decide. The playoff took the two golfers one hour to play.

Fairway Shot

Trevor Scott who golfs out of Brooklea Golf and Country Club attempts a putt at the Ontario Junior Golf Championships at Circle Pines Golf Course in Base Borden last week. Scott's putter didn't seem to work until the

last round when he registered an excellent two under par. Scott will be competing this weekend at Midland Golf and Country Club in the Jeffery's Pro Hardware 30,000 Island Open Golf Tournament.

Going for the Gold

Georgian Bay rowers at Canadian Masters

Two crews of four will represent the fast-growing Georgian Bay Rowing Society at the

Canadian Masters Championships in Toronto on Aug. 16.

The men's crew has already competed successfully in three regattas this summer, and

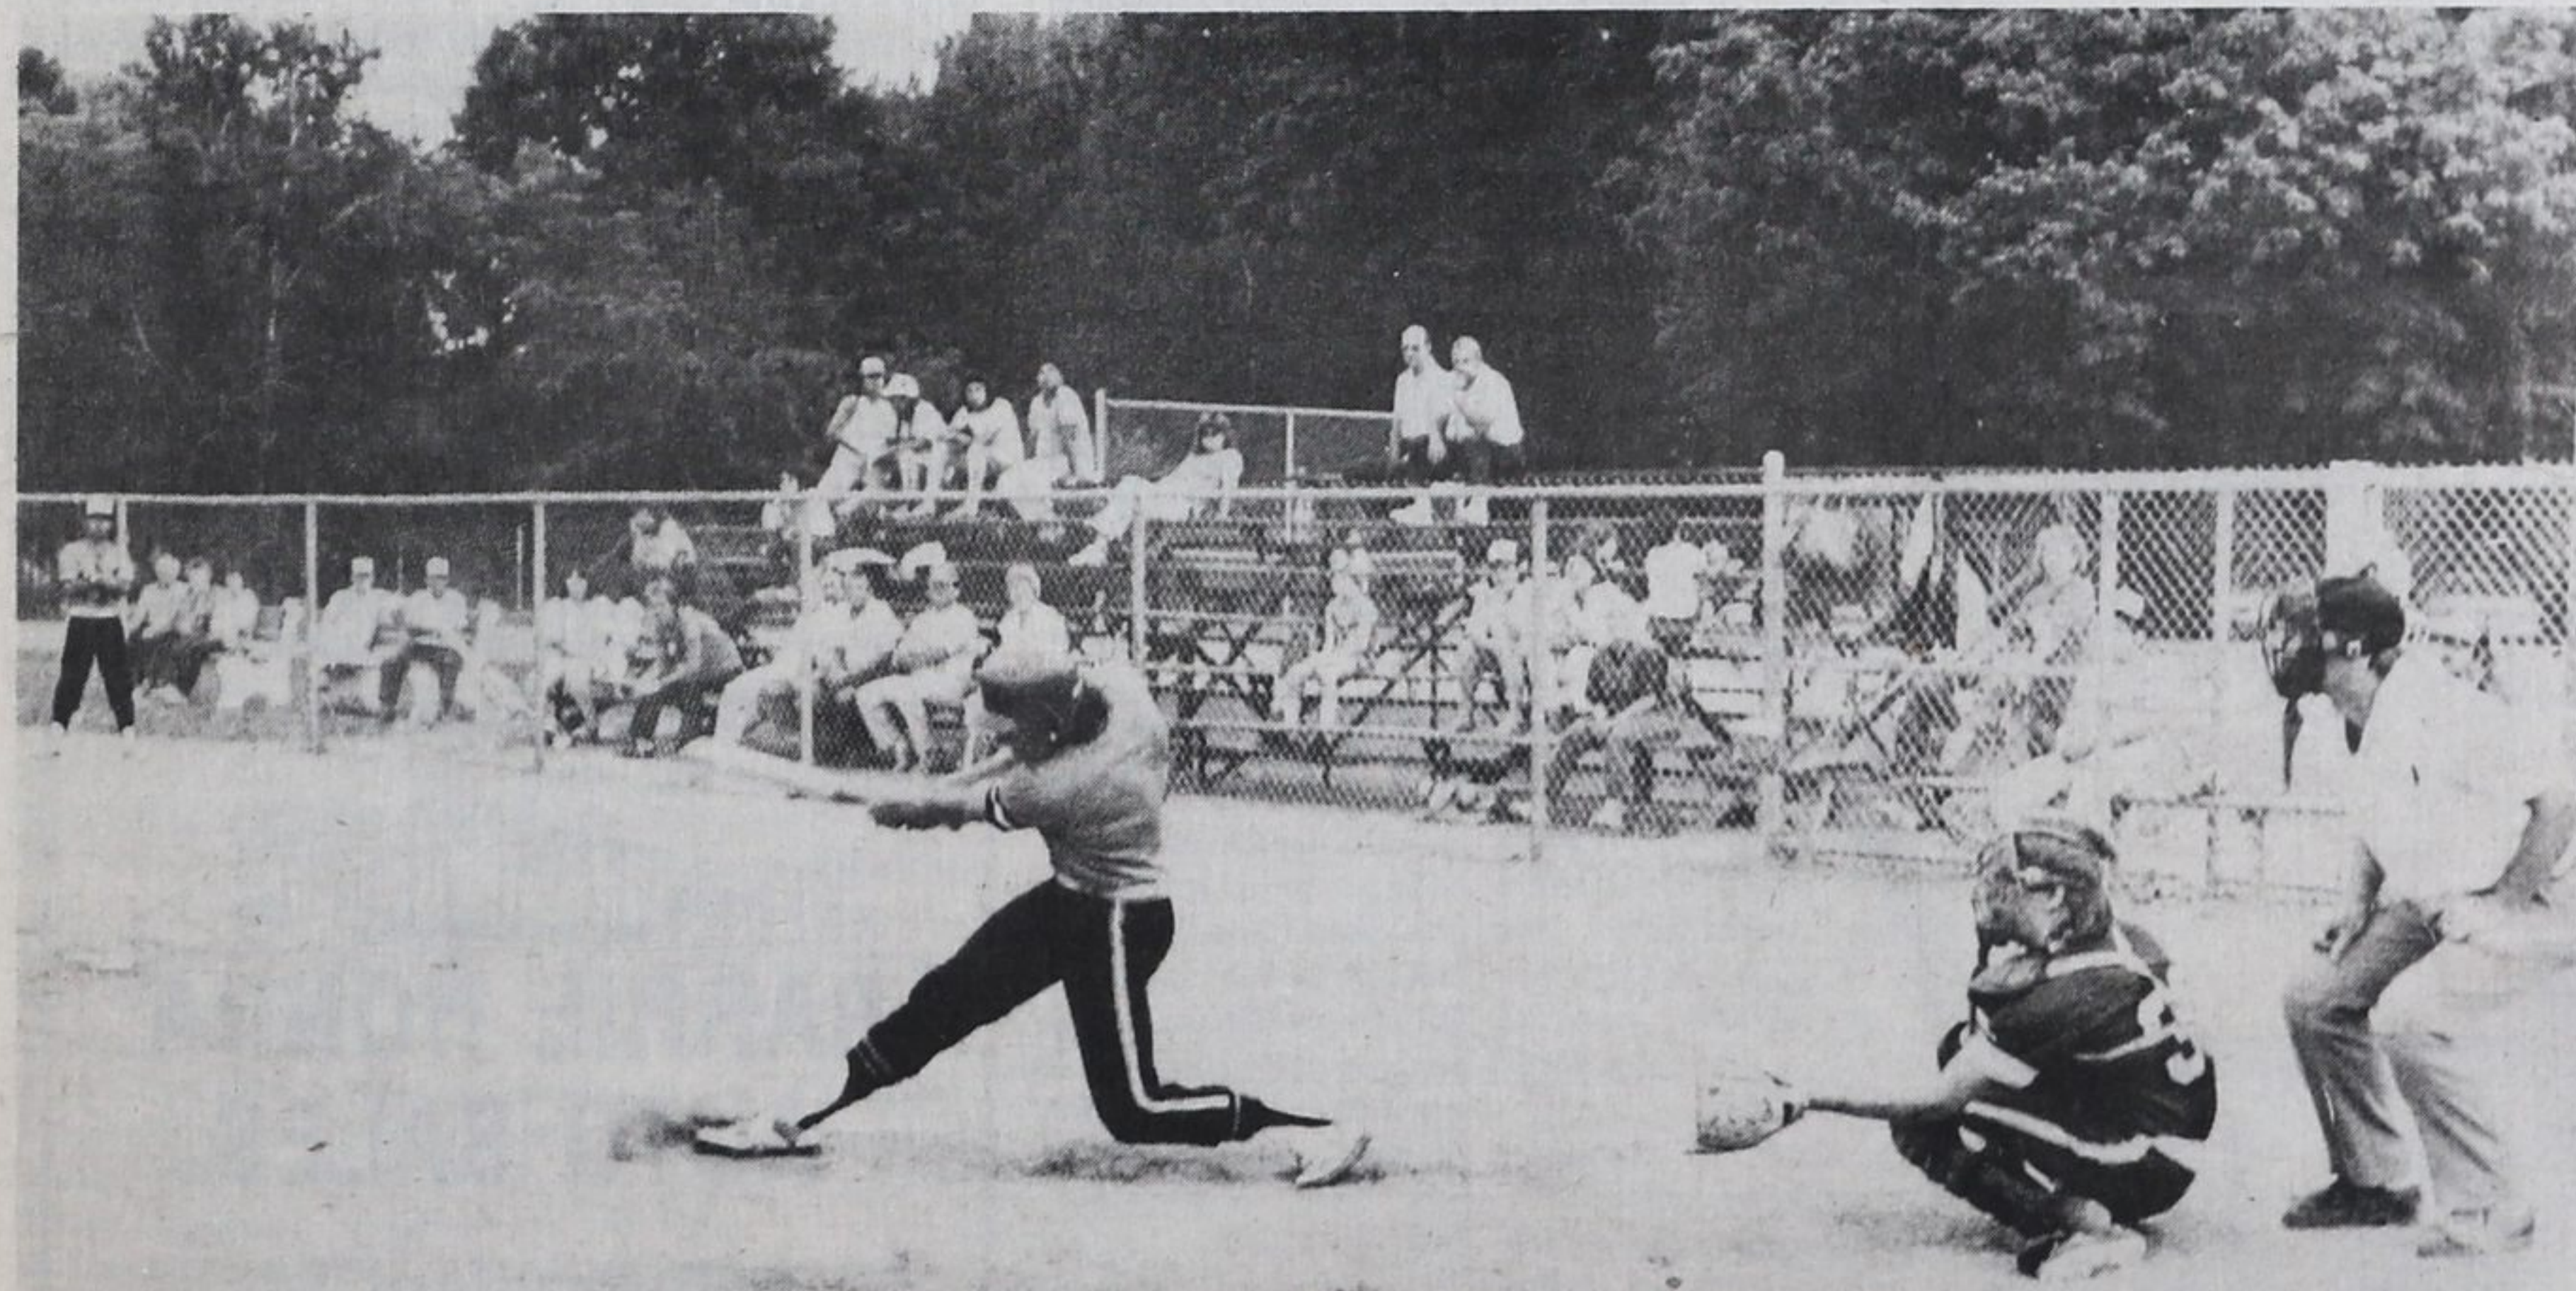

expect to compete with some of the same crews as at the Toronto Masters Championships in June. The Georgian Bay rowers came home from that regatta with gold medals.

This crew is comprised of Steve Killing, Stew Jones, Dave Hurst, Bill Byrick and John Morrison.

A women's masters crew is planning its debut in competition this weekend as well. Denise Tinney, Marg Killing, Sue Neilsen, Donna Sutherland, and Cindy Wright have been rowing on Little Lake several times a week to prepare for this event. This crew has great potential and is hoping for a great race in Toronto.

A master is someone over 27 years of age. Rowing is one sport that is popular among athletes and fitness buffs of all ages as it provides a total workout while at the same time being easier on joints than many other sports. The Georgian Bay Rowing Society has four women's crews and two men's crews rowing together regularly in the "coxed four" as well as numerous individuals who enjoy "sculling," rowing in a single.

This year the society initiated a high school program in which 35 Midland Secondary School students participated. The program operated from April 1 to June 10 and resulted in 18 rowers competing in the Canadian Secondary School Rowing Championships in St. Catharines. If their enthusiasm is an indication, these young rowers will also be going for the gold in the 21st century and will add their trophies to the collection started in September 1986 by the Georgian Bay Rowing Society.

Big Swing

John Cook takes a George Bell swing at the ball at Herb Beauchamp Memorial Field in Midland last week. The Olympia Fastball League, like other area leagues, is winding

up their 1987 regular season schedule and gearing up for the playoffs which will begin Tuesday night with the first contest starting

at 7 p.m. between Christian Island and Dial-a-Movie followed by Huronia Satellite and Brooklea.
