

Prize piano player

Max Woods, age 7, won third prize in a piano competition for eight-year-olds and under at the prestigious Canadian National Exhibition Music Festival last Friday, Aug. 21. Max, a student at Ecole St. Joseph in Penetang, has been taking piano

lessons for two years from Mrs. K. Mounter of Midland. He entered the contest along with 24 other youngsters, and was rewarded with a pin for his third-place showing.

Against NSWMA

Tiny may appeal court decision

The Township of Tiny may get its day in court - again.

At last Wednesday's council meeting, clerk Guy Maurice said Tiny is considering appealing a Supreme Court decision Aug. 10 which forced the

township to stay within the North Simcoe Waste Management Association.

Maurice did not say what conditions the township would appeal on.

Supreme Court Justice Allan Hollingworth ruled against the township on

most aspects of a case it brought forward against the NSWMA. However, it did favor Tiny on one major condition: that the NSWMA has no legal authority as of now to buy the land it wants to use as a dump.

The court orders have yet to be finalized from the case, so some of the finer details are yet to be known. The judgment came in an hour-long oral decision by Justice Hollingworth, and there is some confusion as to the exact decisions.

No further delays

NSWMA set to approve budget

After damming all the torpedoes, the North Simcoe Waste Management Association is ready to move full steam ahead at tonight's monthly meeting.

The 1987 budget is finally up for approval tonight, after months of waiting to see whether Tiny Township was legally "in" or "out". The Supreme

Court declared Aug. 10 the township was in.

And the environmental assessment study is now complete. That's the document outlining why the NSWMA wants a piece of land known as Site 41 on Concession 2 in Tiny Township as its next dump.

The document has been

in preparation a long time and it is expected to take up to three years before a dump is finally approved.

With both matters expected to be dealt with tonight, and with the announcement that Orillia's

landfill site would be ordered to take emergency waste from the association, the NSWMA will have a big night tonight. The meeting starts at 7 sharp in the Penetang council chambers.

Carpenter resigns from committee

One of the five members of Midland's committee of adjustment has resigned, 14 months before the end of his term.

David Carpenter, in his letter of resignation, cited business pressures as the impediment to his atten-

ding meetings. He will be glad to be a member of other committees in future.

Carpenter also was a parks board member for many years and "very forthwith about serving the municipality," Mayor Al Roach said.

Burgers for church

Each hamburger sold this Saturday afternoon in Penetanguishene at the Dock Lunch will represent \$1 donated to a church renovation fund.

Dock Lunch owner Nick Boudouris said yesterday that he will donate \$1 for

each hamburger sold between 1 p.m. and 4 p.m.

The basement of St. Ann's Church is being renovated. A bike-a-thon to raise money to pay for the renovation is being held on Sept. 20.
