

# Weekend shutouts in touch football

E&R Discount Outlaws blanked the Little Lake Service Centre Hawks 16 - 0. Quarterback Mike Hamelin produced a great aerial attack. Joe Beausoleil and Pete Robiuard contributed majors scores and quarterback Mike Hamelin added six points. Also picking up a two points conversion was Andrew Buttineau for the Outlaws. Hawks quarterback, Peter Maracle, couldn't stir up anything to get his team on the board.

The Redskins walked past the Brooklea Eagles 14 - 1. Redskins quarterback Andy Wickstead hit receivers Jim Costello and Ray Brien for majors as Glen Bannon hauled in a two points conversion. Eagles punter, John Pickett, chalked up his team's only point of the game but their defence held the Skins to a low score.

Huron Optical Illusions squeaked past the Dial-A-Movie Destroyers 14 - 12. This was a great defensive battle as both teams kept each other at respectable scores.

Quarterback John Larmand found teammates Brian Ackerman open to gain six points as Morrispaupé snagged a touchdown pass for six points as well as a two points conversion for the Illusions. Destroyers quarterback Ron Tucker found receivers Mike Howell and Roy Freer open enough to pick up their major scores.

Tom's Auto Body Flyers whitewashed the Dial-A-Movie strikers 18 - 0. The Tandem of Doug Edwards and Glen Smith as quarterbacks gave the Flyers the versatility they needed. Edwards hit John Koppenal for six points as well as Andy Zurawski. His arm was awesome as receivers Koppenal, Zurawski and Smith were kept busy all game. In the second half "Smitty" changed roles as quarterback and did equal job to Edwards, especially scrambling as he ran in a 25 yard touchdown for six points. The score sounds high but Strikers quarterback Randy Buttineau, also played an excellent game as pivot but his receivers

could not dominate on any drives to score.

The Guzzlers started G. Wilicers by a score of 16 - 2. Quarterback Bob Pymenty played well at the pivot position making several nice tosses. Bill White snagged a six pointer and also played a great defensive game with several sacks and batted away several balls from his offents. Bob Haats hauled in a 6 point major as well as a 2 point conversion to help lead the Guzzlers to their victory. Quarterback Bob Dyment was also awarded 2 points for a safty touch as the ball was dead in the end zone. Another player that helped in this victory was receiver, Cliff Forget, who gained some big yardage for the Guzzlers.

G. Wilicers quarterback Darryl Beam had problems as nobody could hang on to ring up any majors. Dwayne Hill did manage to score two singles on punts in the end zone. Defrnsive rushers Paul Hamelin and Tom Zumne kept Guzzlers quarterback Pymenty honest as they sacked him

several times. G. Wilicers Rod Lake was injured late in the game with a severely broken finger as time was halted and Lake was rushed to hospital by teammates. This was also a game of interceptions as play flipped back and forth all game.

Mick B's Renegades blanked UPSEU Terminators 12 - 0 in a well played game despite the score. OPSEU played some great defense considering they only fielded seven players all game. The Renegades quarterback Jamie Robitalle got things

going on a nice toss to Ernie Desroches for their first major. OPSEU held the Renegades until late in the game when back up quarterback Ernie Desroches found receiver Rick Lavigne open for six more points complete the Renegade drive. Desroches

also played some grest defense to keep OPSEU off the board. OPSEU players Doug Waugh both shone for OPSEU'S defense as they held them in their end for several possessions. This was also a game of several turnovers as both teams fought to the finish.

## Recreation policy focus of County conference

The County of Simcoe Recreation and Special Services Department, in co-operation with the Ministry of Tourism and Recreation is sponsoring a Fall Conference entitled,

"Community Recreation Training Program and the New Provincial Recreation Policy Impact."

The Conference will be held on Oct 24 from 9 a.m. to 3 p.m. at the Simcoe

County Museum. A registration fee of \$10 includes coffee breaks, lunch and resource material.

The Conference will be an opportunity for Municipal Recreation Committees, Municipal Politicians and Recreation Staff to examine the role and functions of a Municipal Recreation Committee.

The Conference Leader will be Greig Stewart, currently employed as a Consultant for the Ministry of Tourism and Recreation. He brings with him 17 years of experience in the Recreation field and has conducted many successful meetings and workshops with Community Recreation Committees. He is a resident of the County and has learned to appreciate the small communities as well as the large municipalities.

### WHY A WATERBED?

The conventional mattress creates "pressure points" on those areas of greatest weight concentration.

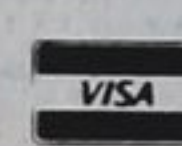

The watermattress conforms to the exact shape of your body, providing total support, and eliminating uncomfortable "pressure points".
