

Flyers win in touch football

In Penetang Midland Touch Football League action on the weekend at PSS, Huronia Optical Illusions tripped OPSEU Terminators 20-6. Despite the score, OPSEU played some pretty good football with Jeff Dunn catching several nice passes from

quarterback Bob Hirst, hauling in a 40 yard pass and running 35 yards into the end zone picking up the only score for OPSEU. Doug Waugh also was a standout for the Terminators making some nice offensive catches and knocking several away on defence.

The big gun for the Illusions was Jim Fraser who picked up a touchdown and a two point conversion. Bruce Sibbald and Lorna Marcilla scored the other TD's for Illusions. Marcilla also played an excellent two way game for Huronia Optical.

Mick B's Renegades were swamped 26-1 at the hands of the Redskins. Ernie Desroches displayed some excellent running skills at pivot for the Renegades, but only sacrificed a single point on a punt which ended up in the end zone. They had plenty of opportunities for major scores but couldn't dominate on possession.

Glen Bannon enjoyed a big day for the 'Skins hauling in a pair of touchdowns and a two point conversion. Jeff Atwood and Ray Brien accounted for the other majors. Richard Thomas and Dave Mink displayed razzle dazzle footwork going both ways for the Redskins.

Dial-a-Movie Destroyers edged the Guzzlers 7-6 in a very tightly played contest. Quarterback, Ron Tucker, hit Greg Latondress with a nice pass for the Destroyers only major. Tucker counted on a punt into the end zone for a single point. Brian Hook and Sean Fraser both enjoyed an excellent game for the Destroyers.

Guzzlers quarterback, Bob Dymont, played an excellent game at pivot as he tossed to Cliff Forget for their only major. Forget racked up a lot of real estate for good field position.

E and R Discount Outlaws kept their unbeaten record intact with a 34-0 whitewashing of G. Willicers Tavern. Mike Hamelin threw a pair of touchdown passes to Moe Robitaille and one each to Kent Goldsmith and Joe Beasley. Hamelin romped for a major himself. Peter Robillard and Brian St. Amant rounded out the scoring with two point conversions.

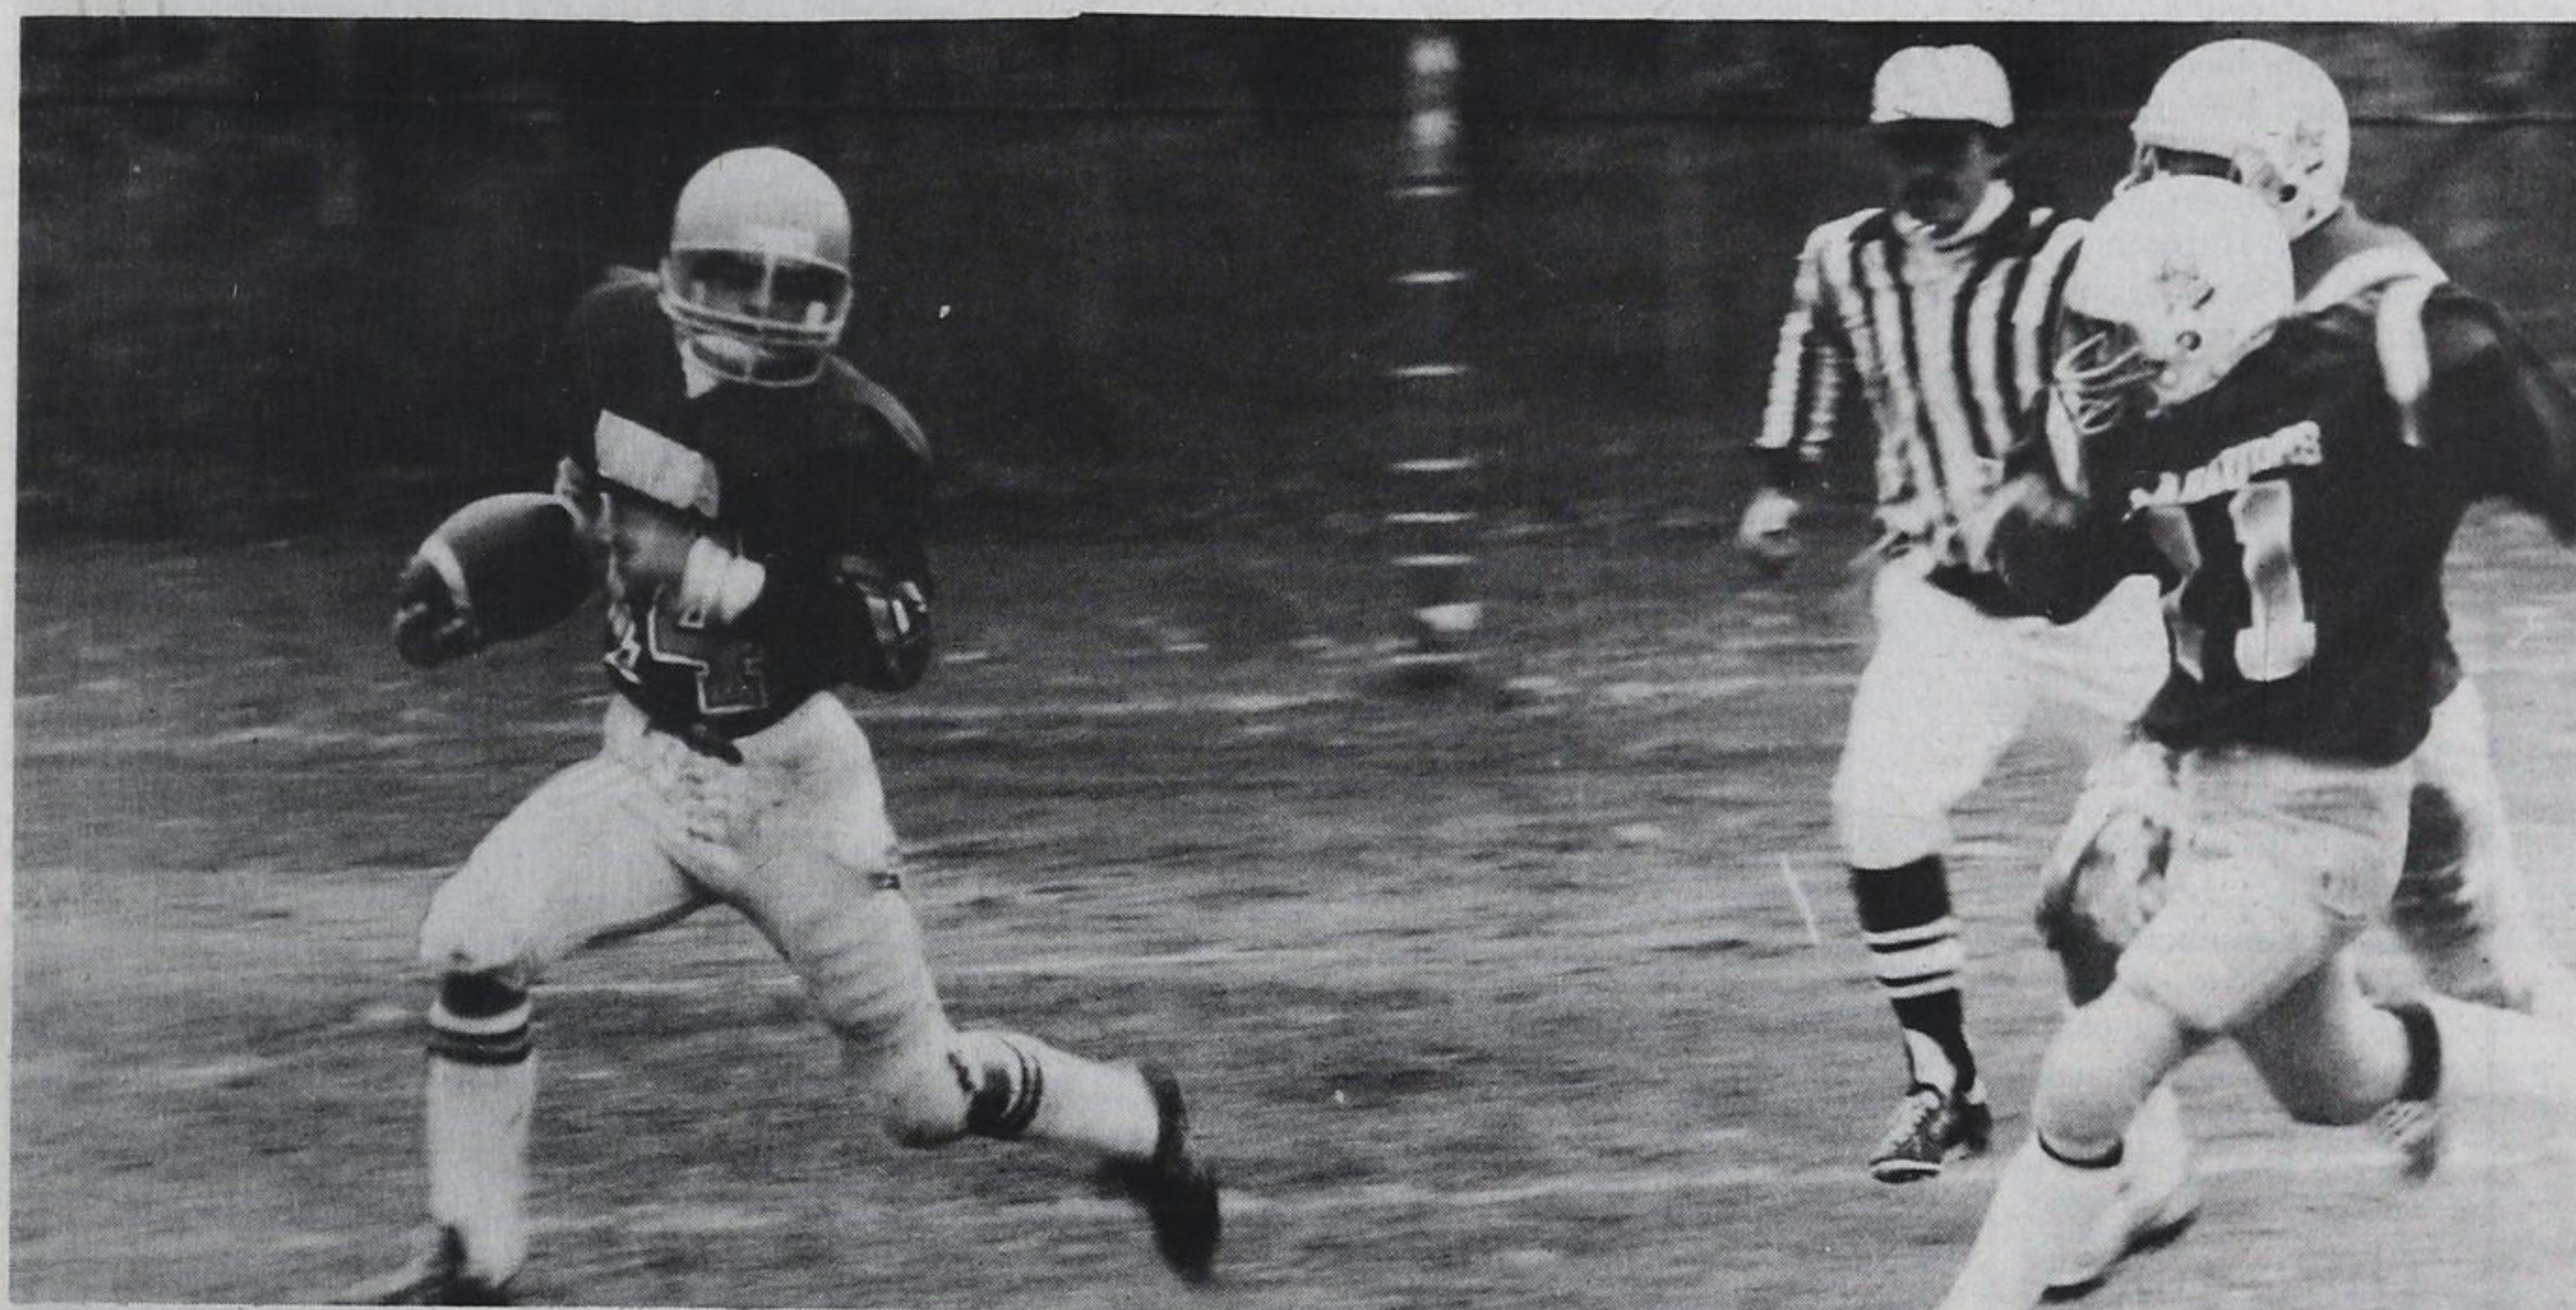

In the closest contest of the season, Tom's Auto Body Flyers squeaked past Brooklea Eagles 1-0. Doug Edwards accounted for the only point with a punt into the end zone. The win leaves the Flyers in second place with only one loss in seven games, while the Eagles were looking for their second win.

Little Lake Service Center Hawks stunned the Dial-a-Movie Strikers 30-0. Quarterback Trent Maracle hit Keith Maracle for two touchdown passes, while Kirk Ure and Kevin Loughrin each counted one. Pierre Genier, Peter Stevens and Rick Dorion collected two points each.

The final games of the regular season will be played next Saturday. All games will be at PSS with Mick B's taking on the Guzzlers at 9 a.m., while the Redskins face the Destroyers at 10:15 a.m. At 11:30 a.m. Hawks will do battle with Illusions and the Eagles and Outlaws go at it at 12:45 p.m. while Tom's Auto Body takes on G. Willicers at 2 p.m. Strikers and OPSEU wrap up the day's proceedings at 3:15 p.m. both looking for their first victory of the season.

Team leader

Gig Leader is the sparkplug of the St. Theresa Senior Boys Volleyball team. He is pictured here in action as the team practiced Monday morning for their tilt tonight against the visiting team from Devon, Alberta.
