TV workshops to come at Maclean-Hunter cable

Maclean Hunter Cable TV is offering a three part workshop, coming up Nov. 11, 18 and 25, at the Community TV 6 Studio.

This progressive workshop will focus on the

basics of television production, such as camera operation, audio, lighting, editing, directing and producing, with an emphasis on the enjoyment of everyone involved. This in-

formal setting will also provide an excellent opportunity for hands-on learning for all levels of ability.

There is no fee to participate in this workshop. However, it is required that individuals register in advance, as spaces are limited and filling up quickly.

Upon completion of the workshop, everyone will be given the opportunities

to challenge their new skills as part of the Community TV 6 volunteer production crews, in the months ahead.

Don't miss this opportunity to meet new friends, learn new skills and get involved in your Community Channel. To register or for further details, please contact the Maclean Hunter Community TV 6 Studio, during business hours, at 526-7905.
