

# HDH campaign comes down to wire

## \$75,000 from Bay Mills

Bay Mills' contribution of \$75,000 to the Huronia District Hospital capital campaign was presented officially to campaign chair-

man Robert Hartog and HDH board chairman Arnie DeCarli by, from left, George

Stanich, Anita Cadeau, and Leonard Ladouceur.

# Fayre success for the hospital

Dear Editor:

Your excellent coverage of our Yuletyme Fayre was a great help in making it

the success it was and we thank you.

We also want to thank those who came to our

Fayre. As well, we would like to extend our appreciation to the staff of the Budd Watson Gallery for their

help and co-operation.

Proceeds from the Fayre will go toward our pledge in the Fundraising Cam-

paign for Huronia District Hospital. Once again thank you for your part in our endeavors.

Auxiliary to Huronia  
District Hospital

# Three injured in car crash

A car crash over the weekend has seriously injured three Huronia residents.

Heidi Currie, 17, of Elmvale; Susan Patchell, 17, also of Elmvale; and Richard Gagne, 21, of

Penetanguishene were driving from Highway 93 to Golfink Rd. when the car rolled over several times.

The OPP Dispatch Officer, R.W. Sorenson, described the 1988 Pontiac car as "totalled."

After emergency ex-

amination at Huronia District Hospital, Patchell and Gagne were sent to Toronto General Hospital. Currie was sent to Sunnybrook.

Nurses at the hospital are refusing to say how serious the conditions of their patients are.

# BIA nodes vote delayed past 17th

Six of the eight seats on the board of directors of the Midland BIA were to be filled at the annual meeting on Nov. 17.

A vote about removing or keeping the nodes on King Street has been postponed, the board of directors decided last week. During the annual meeting the membership was to be given facts. A vote will be held at a later date, perhaps at a meeting, or by way of ballots distributed to BIA members, John Gianetto said.

Scheduled speakers were a member of the Collingwood BIA and the Ontario BIA, and a representative of the provincial government.

# Stone is trip winner

The owner of Stoneleigh Motors, Mike Stone, is the winner of the Midland Rotary Club's Trip of the Month draw.

Stone's name as the major prize winner was drawn on Nov. 4. Jane McLarney is the winner of the minor prize of the month.

Stone's ticket was sold to him by Stoneleigh sales manager, and Midland Rotarian, Miles Blackhurst.

Dear Editor:

Huronian District Hospital has made a lot of friends in its fund-raising campaign this past year.

Many have taken the time and effort to put a human face on the campaign to deliver the hospital's message. Subsequently, many representing businesses and organizations have responded with a handshake and a signature on a cheque or a pledge card. And then, behind the scenes, there were many enthusiastic volunteers who worked around the clock in order to ensure the campaign's success.

The campaign is now entering its final and most important stage with a little more than \$200,000 to go in realizing its goal of \$2 million. Letters are being mailed to every home in the community, asking that you take the goal of excellent health care personally.

If your letter has arrived and you've already responded, we sincerely thank you. If you have not yet participated in this vital project, we ask you to please mail your gift or personally drop it off at the hospital as soon as possible as the campaign will wind-up in two weeks.

With all the efforts combined, this individual expression of caring resulted in raising \$1,753,000 to-date.

Your support will make the difference. There is no better time, no better cause!

George Varney

## NEW DENTAL OFFICE

Our dental team is excited about the opening of our new practice.

Please phone Laurie for your appointment.
