

### Good Set

The action was fast and tense at the Area III Boys Volleyball Championships held last Thursday at MSS. In this photo, number four gets a good volley to set his teammate for a spike as the opposition

blocker gets good height in his attempt to prevent the scoring attempt. All Elementary Schools from Area III of Simcoe County took part. Mpsignor Castex won their fifth title in as many years.

## Balabuck an all Canadian

by David Gravelle

A local athlete is setting his sights on the Canadian Football League, if it doesn't fold before he graduates from University.

Paul Balabuck, a junior at the University of Western Ontario was named an All-Canadian defensive lineman, on the second all-star team last week.

That acclamation was made prior to the Vanier Cup in Toronto, held Saturday, which saw the University of McGill Redmen defeat the favored U of British Columbia Thunderbirds.

The selection to the second team goes with the nomination of the former

Ecole Secondaire Penetanguishene Secondary School football star to the Ontario Universities All-Star squad.

Balabuck, at 6'4", 235 pounds, is a member of an awesome defensive line of the heralded Western Mustangs. His outstanding play this year pressuring quarterbacks and plugging up holes helped the Stangs to a 7-1 season. Their one loss came in the first round of the playoffs when the University of Guelph Gryphons shocked the purple and white.

In a recent interview, Paul told yours truly "there's a place for me in the C.F.L." We wish him the best of luck.
