U-Bag-It

U-Bag-It Bulk Foods has serviced the Midland area since September 1982.

Owners Doug and Irene Parker returned to Doug's home town, Midland, after 8 years in the hectic city. Wanting the beauty and solitude of Midland they began a much needed service.

U-Bag-It was developed to offer tremendous savings, allowed customers to buy only what they needed and gave food shopping some good ole time friendly service.

U-Bag-It is staffed not only by Irene but her right hand person Margie Blue, who is credited with all the creative window fashions. Jennifer Moreau, a student, assists on weekends. Their knowledge and

sharing of recipes and ideas makes food shopping enjoyable. They will help fill your recipe requirements or phone ahead and your order will be awaiting you.

U-Bag-It has a wide selection of every baking and confectionary need. Nuts, dried fruit, glazed fruit, flour, sugar, spices, Christmas candies, chocolate etc.

For those interested in cake decorations, a large assortment of supplies to decorate cakes or for those chocolate lovers, molds for every occasion. Special boxes, pot pourri and folk art all add to the decor of a bright clean store.

Doug and Irene have two sons, Brandon 3 years and Curtis 2 years. Customers are quite accustomed to

the boys. In the early stages of U-Bag-It Brandon and Curtis helped Mom from their baby walkers. Now customers can see their progress by the recent pictures hanging by the register.

Avid boaters by the summer, skiers in the winter and walking in between, keep Doug and Irene pretty busy. Doug being a cabinet maker is kept busy doing kitchen cabinets in the area - never a dull moment.

With the Christmas season shortly upon us, Irene, Doug and family wish all their good customers a happy and safe holiday. Thank you for your loyal patronage at this time and in the future.
