## Movers and shakers in Thurs. night

by Peter Garraway

The first leg of the Thursday night Men's curling came to an end on November 26th. The Men's schedule is divided into three draws each consisting of seven weeks. There are 28 teams split into four divisions, A, B, C, and D, according to a rating system.

Each team plays a round robin (each other once) in their own division. The top two teams of each division after the seven weeks advance to the next highest division and the bottom two team drop to the next low. The remaining three

teams remain.

The top two teams in A division, (no surprises here) were Russ Howard and Larry Merkley. The top two in B who move to A are Marty St. Amant and Tim Lindsay.

The top two in C who move to B are Alvin Dupuis and the Don Sharpen rink.

The top two in D who climb into C are David Gravelle's team and the Don Maurice rink.

Good curling for the next seven weeks when I will update this list. Peter Garraway.

## Video in the classroom

Russ Howard and Warren Hansen (Curl Canada's top official) present the video from the World Curling Championships in Vancouver. The Japanese have learned curling through film, video and television... and have become great mimicks of the world's best.

## Christmas party December 11th

Are you ready for another party? Well, our Social and Events Committee sure is! On Friday, December 11, the scheduled mixed games will be shortened to six ends so that curlers can make it back upstairs for the heralded arrival of Santa Claus.

Bob Laurin and his Social group made the Halloween Ball a scary success and they are planning to make this one of the best

Christmas Parties you've ever attended.

Admission is \$2.50. Music will be provided by D.J., and of course, stocking stuffer prizes will be given away. The party is open to anyone in the club and we ask that you bring friends from your place of employment, or extra family members to help share in the Christmas Cheer.

Ho Ho Ho... Merry Christmas!

## B.J. Kubetz to carry torch

We have an Olympian (Olympienne) in our midst.

Club member and Match Committee Chairperson B.J. Kubetz must have flooded Petro Canada mailboxes with her entry forms because she will be carrying the Olympic Torch early in the New Year.

January 4, somewhere along the 401 Highway between Kitchener

and London, B.J. will carry the Olympic flame and the dream of native son Brian Orser (Penetanguishene's World Figure Skating Champ) for one kilometre as the caravan winds its way across this great country of ours.

From all of us at the Penetanguishene C.C. we wish you Godspeed B.J., best of luck.

**Real warmth is a Kitten!**

Sure, it gets cold in the winter, but KITTEN is right at home. KITTEN KNITS are Canadian Made, after all, designed by people who know what winter is all about. Unlike a lot of other winter clothing, however, your KITTEN is washable. Toss it into the washer, tumble it in the dryer, and it's like new again, wrinkle-free, and ready to keep you warm all winter.
