

After Tubby's

Controls wanted on chip wagons

A chip wagon parked by the Midland Curling Club bothers Councillor Buzz Brown.

The owner of the Tubby Mobile Chip Wagon, Peter Desmasdon, was surprised to hear that his business was discussed at a planning and development committee meeting. All of his customers are very nice, and friendly, people, he said.

Desmasdon is licenced to operate a chip wagon. He parks his chip wagon in the club's parking lot and runs an extension cord into the building. He pays rent to the Curling Club.

Last year Desmasdon parked his chip wagon on the lookout on Bayshore Drive. Since he moved to King Street, the owner of the park store, and one downtown restaurant owner, have complained to the town hall.

Desmasdon has owned the chip wagon for 18 months. Through the past

25 years he has been in the marina, hardware, and rent-all businesses, he said.

At present a chip wagon can be parked anywhere in town, Counc. Brown said, in front of someone's house, or even by a school, where it would be a hazard.

Brown thinks that regulations should cover location, safety, and

cleanliness of chip wagons.

The committee recognized that Desmasdon keeps the area around his chip wagon free of litter. Another chip wagon operator might not be as clean, Counc. Brown said.

Councillors Gail Barrie and Gale Niblock agreed with Brown that some thought should be given to regulating chip wagons.

Rosewood assisted

Rosewood for the third year has been assisted financially by the Georgian Bay Best Ball committee.

Ontario's best amateur golfers are invited to the annual competition at the Midland Golf and Country Club.

Last Wednesday Best Ball chairperson Bill Gray presented Rosewood's manager Ila Kellermann and Rosewood's book-keeper Diane Buxton with a \$200 cheque.

The shelter for women and their children is waiting for approval of its budget. Its financial year concluded at the end of April.

The coming months are the shelter's "busy season," Kellermann said.

Women who stay in Rosewood come to Midland from as far as Orillia, which does not have a women's shelter.

Soon Rosewood's dining

Troubles for Tubby

Tubby's Chips has been in business for the last 18 months but some councillors in Midland think all chip wagons should be regulated to insure cleanliness. The

suggestion was made by Councillor Buzz Brown at the last meeting of Midland council. The news comes as a complete surprise to owner Peter Desmasdon.

room, furnished and redecorated with the help of the community, chiefly the Midland Civitan Club, will be opened formally.

Rotarians realize raffle profit

The Midland Rotary Club is closing on the financial breakeven point of its ambitious cottage raffle.

Close to 2,700 tickets have been sold, Club President Des Carpenter said before the club's weekly meeting. The club wants to sell 6,000 tickets before July 1.

Last Wednesday a workman at the cottage said the insulation would be put in place as soon as the building inspector had visited.

Tickets will continue to be sold until Canada Day. The winning ticket will be drawn during the Club's annual Canada Day barbecue.

The cottage is in Tiny Township, almost at the end of Champlain Road, one cottage in the solid line of cottages between the shoreline and the road in the stretch called Kettle's Beach. The "giant" of

Giant's Tomb Island clearly can be seen through the three-bedroom cottage's windows.

Huron District Hospital will be the main beneficiary of the cottage raffle. Half of whatever profit is realized will be donated to HDH. HDH would receive \$150,000 if all 6,000 tickets are sold. The rest of the profit will be donated to other charitable causes.

The sales pitch is aimed at Southern Ontario's Golden Horseshoe. The Rotarians are making the purchase of tickets as convenient as possible. People telephone a toll free number at any hour, any day of the week, and buy a ticket using a VISA or Mastercard credit card.

The cottage and lot are valued at more than \$150,000. The 1,040 square foot cottage sits on a lot 60 feet wide and 205 feet deep.

Kozlov Centre

holds

"Rock Around The Clock"

The Kozlov Centre, presents a special and unique promotion for the Barrie area, from Tuesday, May 24, to Saturday, May 28, 1988. The promotion is called "ROCK-AROUND-THE-CLOCK", a 50's and 60's theme, enabling those who are old enough and those who are not, to "Relive a piece of our past."

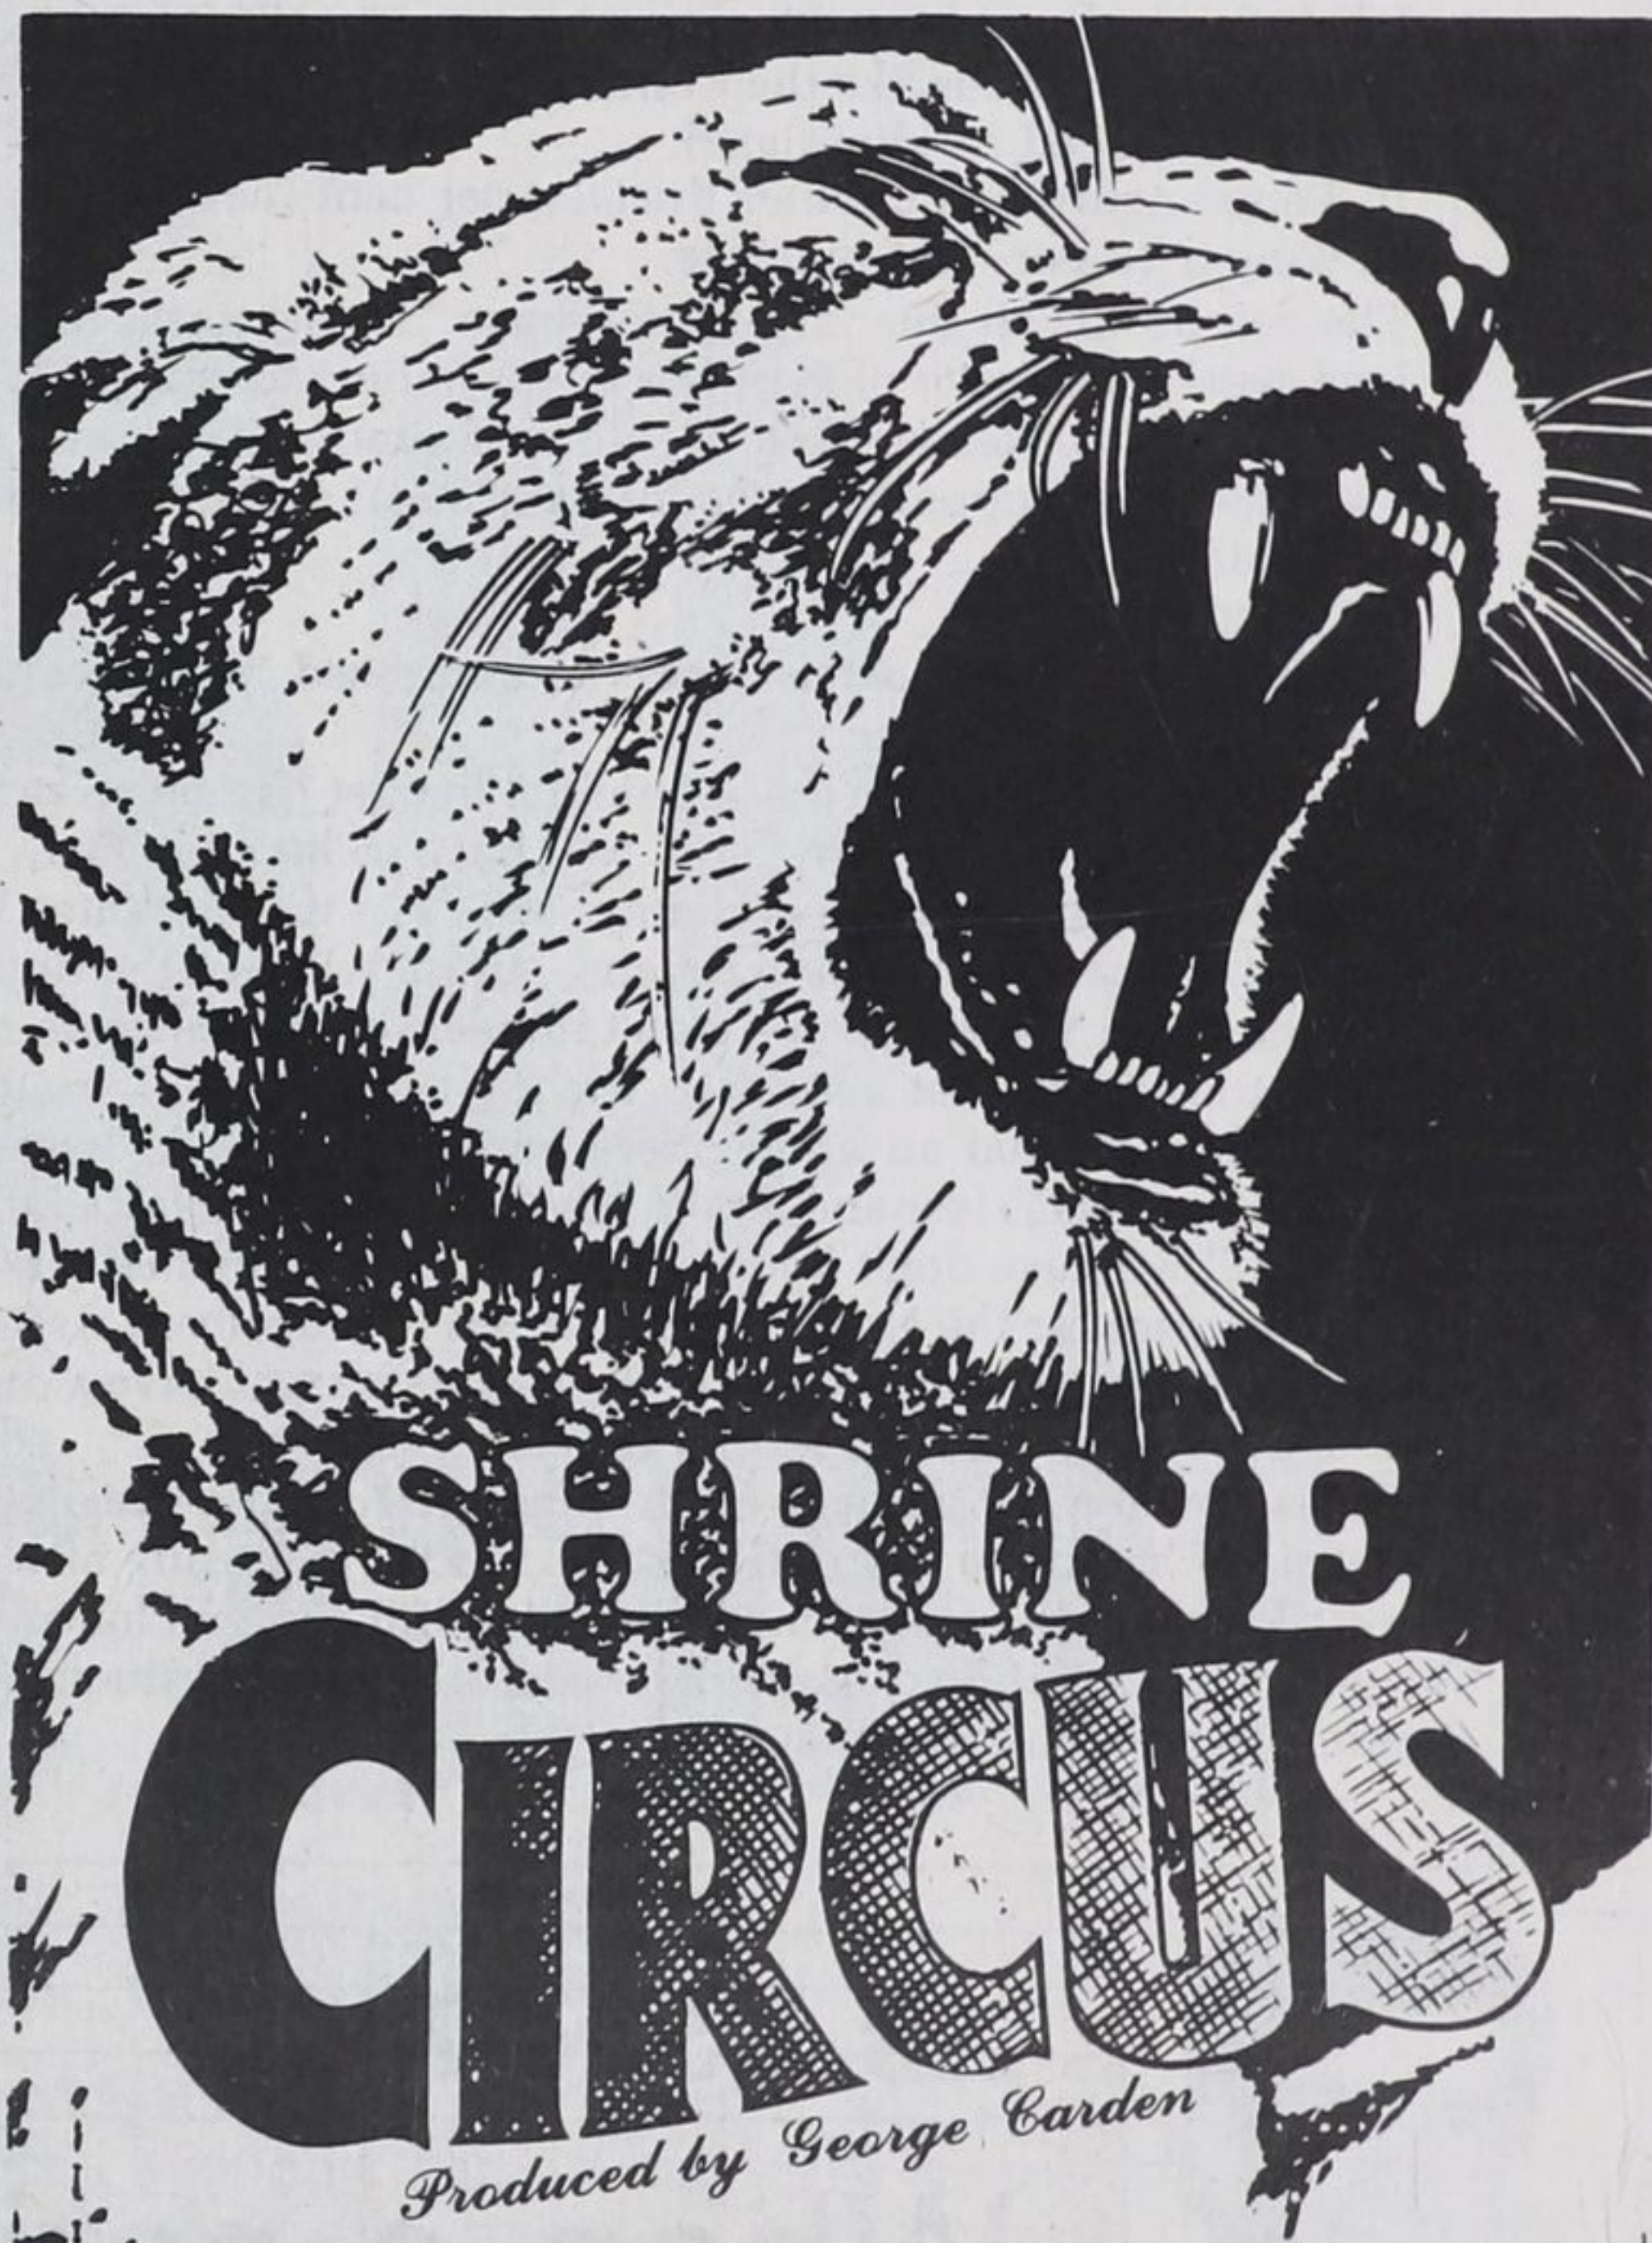

They will be featuring classic and antique cars from the 50's and 60's, courtesy of the Barrie and District Street Rod Association, as well as some independents.

A High School Cheer-leading Competition will take place Friday, May 27, 7:00 p.m., upper level, main fountain, and on Saturday,

May 28, 2:00 p.m., lower level near the Food Court.

As well as the above activities, they will also have a Rocking Chair Marathon, commencing on Tuesday, May 24, at 9:30 a.m., and ending Saturday, May 28, at 5:30 p.m. The chair will rock during Mall hours and all proceeds will be given to the Royal Victoria Hospital Building Fund.

All in all, it appears as if the week is going to be exciting, and humorous, plus hopefully, give us all a nostalgic look at the past and perhaps recreate magic moments that were important to us all at that time!!!
