

Orillia downs Midland again

by Bryan Peter

Wednesday, May 25, 1988 marked the 2nd Annual Crownlife Participation Challenge.

Midland residents donned their sweats and sneakers to participate in at least 15 continuous minutes of physical activities. This ranged from an individual walk to mass aerobics classes. Regardless of the activity you chose, your involvement was much appreciated.

With the combined effort of everyone in our community, the Challenge was taken with great anticipation. Special thanks to the following community groups, agencies, schools, businesses and industries, who took an active part in this year's Challenge and contributed largely to our grand total:

Bayview Public School (357), CKMP (15), Huronia Optical (2), 750 King Street Retirement Lodge (16), Midland Town Office (3), Therrien's Furniture (4), Huronia Historical Parks (43), Midland Tennis Club (24), Sunnyside Golf Club (10), Midland Lawnbowling (41), Minor Baseball (123), Leitz Girls Baseball (12), The Y.M.C.A. (850), Maclean-Hunter Cable TV (8), Bay Mills (44), Don Warrener's Martial Arts (67), Bayshore Bowling Lanes (125), Free Press (20), The Royal Bank (9), The

TD Bank (10), Canadian Imperial Bank of Commerce (9), Midland Fire Department (3), Midland Rotary Club (15), Midland Employment Centre (21), Recreation Department Shuffleboard (8), Regent Public School (264), Shuffleboard Club (12), Minor Lacrosse (42), The Highland Gym (110), Tai Chi-Association (6), Mens Baseball League (63), Midland Air Cadets (36), Burger King (10), Hurons Gym Club (30), Tilcan Financial Corporation (2), Brooklea Golf and Country Club (188), Horticultural Society (8), North Simcoe Arts Council (2), Minor Soccer (153), Midland Golf and Country Club (128), Don's Auto Glass (2), Midland Small Set Nursery (23), Leitz Accounting Department (11), Georgian Bay Rowing Club (30), Benefits Fitness (60), Johnstones Music Land (5), Bank of Nova Scotia (12), St. Theresa's High School (385), Midland Public Library (24), Parkview Public School (285), Hacker, Gignac and Rice (48), Huronia District Hospital (107), Waltec Plastics (21), Midland Credit Bureau (4), Huron Parks Public School (324), Midland Secondary School (1400), Monsignor Castex School (270), Sacred Heart Separate School (425), Huronia Association for the Mentally Retarded (174)

We would also like to extend a warm thank you to the 104 individuals who took the time to confirm their contributions to the 1988 Participation Challenge.

The battle against Orillia was fought uphill the whole day! Our first contact with our rival orillia was at 4 p.m. At this time, Orillia confirmed 20 per cent of their population to Midland's 6 per cent.

Striving for victory, both rivals continued on valiantly. At 6 p.m., the second report had narrowed the difference between the two communities. Midland

now has 44 per cent confirmation of involvement. Orillia was still in front with 53 per cent. Midland was closing in slowly.

The final percentage tabulations, however, indicated Midland with 53 per cent and Orillia with 73 per cent. Despite losing the Challenge, Midland has a 10 per cent increase over last year's results.

We are all winners! Midland is once again enriched with community spirit, friendship and enthusiasm; that my friends is what the Crownlife Participation Challenge is all about. Congratulations to you all!

Gerard's Drywall wins 3 in a row

Penetang Gerard's Drywall made it three in a row with a 20-1 win over Coldwater in Georgian Bay Women's Softball League play Thursday night in Coldwater.

After the teams traded runs in the first inning, Penetang struck for three in the third to take a 4-1 lead. Penetang blew the cover off the ball in the late innings with four in the fifth, five in the sixth and closing out with six. Cathy Cadieux, Marg Dorion, Deanne King, Mitch

Lacroix and Linda Ferraro all collected three hits in the win.

Ferraro pounded put a round tripper and added a pair of doubles. Lacroix, King and Cadieux each stroked a two bagger.

Donna Asselin pitched five innings for the win allowing five base hits. Cindy King finished up permitting a pair of base hits in as many innings.

Carol Barr allowed all 20 base hits on the mound for Coldwater

Environment Week

"We can save this planet" is the message of hope celebrated during Environment Week at the Wye Marsh Wildlife Centre.

The government of Canada has set aside May 30th June 5 as a time to prove that we care about the environment. "Our Common Future" is this year's Environment Week theme.

Wye Marsh itself is living proof of hope and love for our environment. This community fought to keep the wildlife centre alive through the crisis three years ago, when government cutbacks threatened its survival.

On June 5 come and see for yourself what we have saved for "Our Common Future." You'll be proud.

From 1:30 to 3:30 p.m. a guided walk on the boardwalk called Marshes Alive

will take you into nature's nursery. Countless birds, mammals, fish, reptiles and invertebrates make their homes there — an untold wealth of life and beauty, saved from destruction by determined conservationists.

From 2 to 4 p.m. in the centre, a discussion on the Trumpeter Swan reintroduction project will lift your spirits even further. A pair of swans will be brought to Wye Marsh later this summer. The hope is that these majestic birds will breed and that one day the Wye Valley will ring again with their calls, as it did in the time of the Hurons, before hunting and habitat change wiped them out. Wye Marsh's swan project proves that the damage we do to our environment can be undone, if we care enough.
