# Local Liberals line up behind leader

The Liberal candidate for Simcoe North will be picked in Coldwater on Sept. 17.

On the basis of a report by the Simcoe North Riding Association's candidate nomination committee, association president Alan Martin is confident that Liberals will have a choice of suitable candidates on Sept. 17.

During the meeting of the association executive last Thursday, the executive unanimously voiced strong support for Liberal Party leader John Turner on his stand that the voters should have a chance to vote on free trade before the governments of Canada and the United States implement the deal, Martin said.

That their motion was unanimous is significant because Liberals in the past few years have not been uniformly supportive of

their leader, Martin said. "He (Turner) has had his problems."

The nomination committee has talked to two or

three people. Their names tin said. Sept. 7 is the deadline.
