Terry Fox run a big hit

The K-Mart sponsored Terry Fox Run was held Sunday. The eighth annual event was easily the most successful to date with 90 runners, walkers and bikers taking part. Last year, 18 participants brought in \$1,980 compared with more than \$8,500 from the 90 this time.

Run organizer Bev King expects the total to reach over \$9,000 when all the pledges come in.

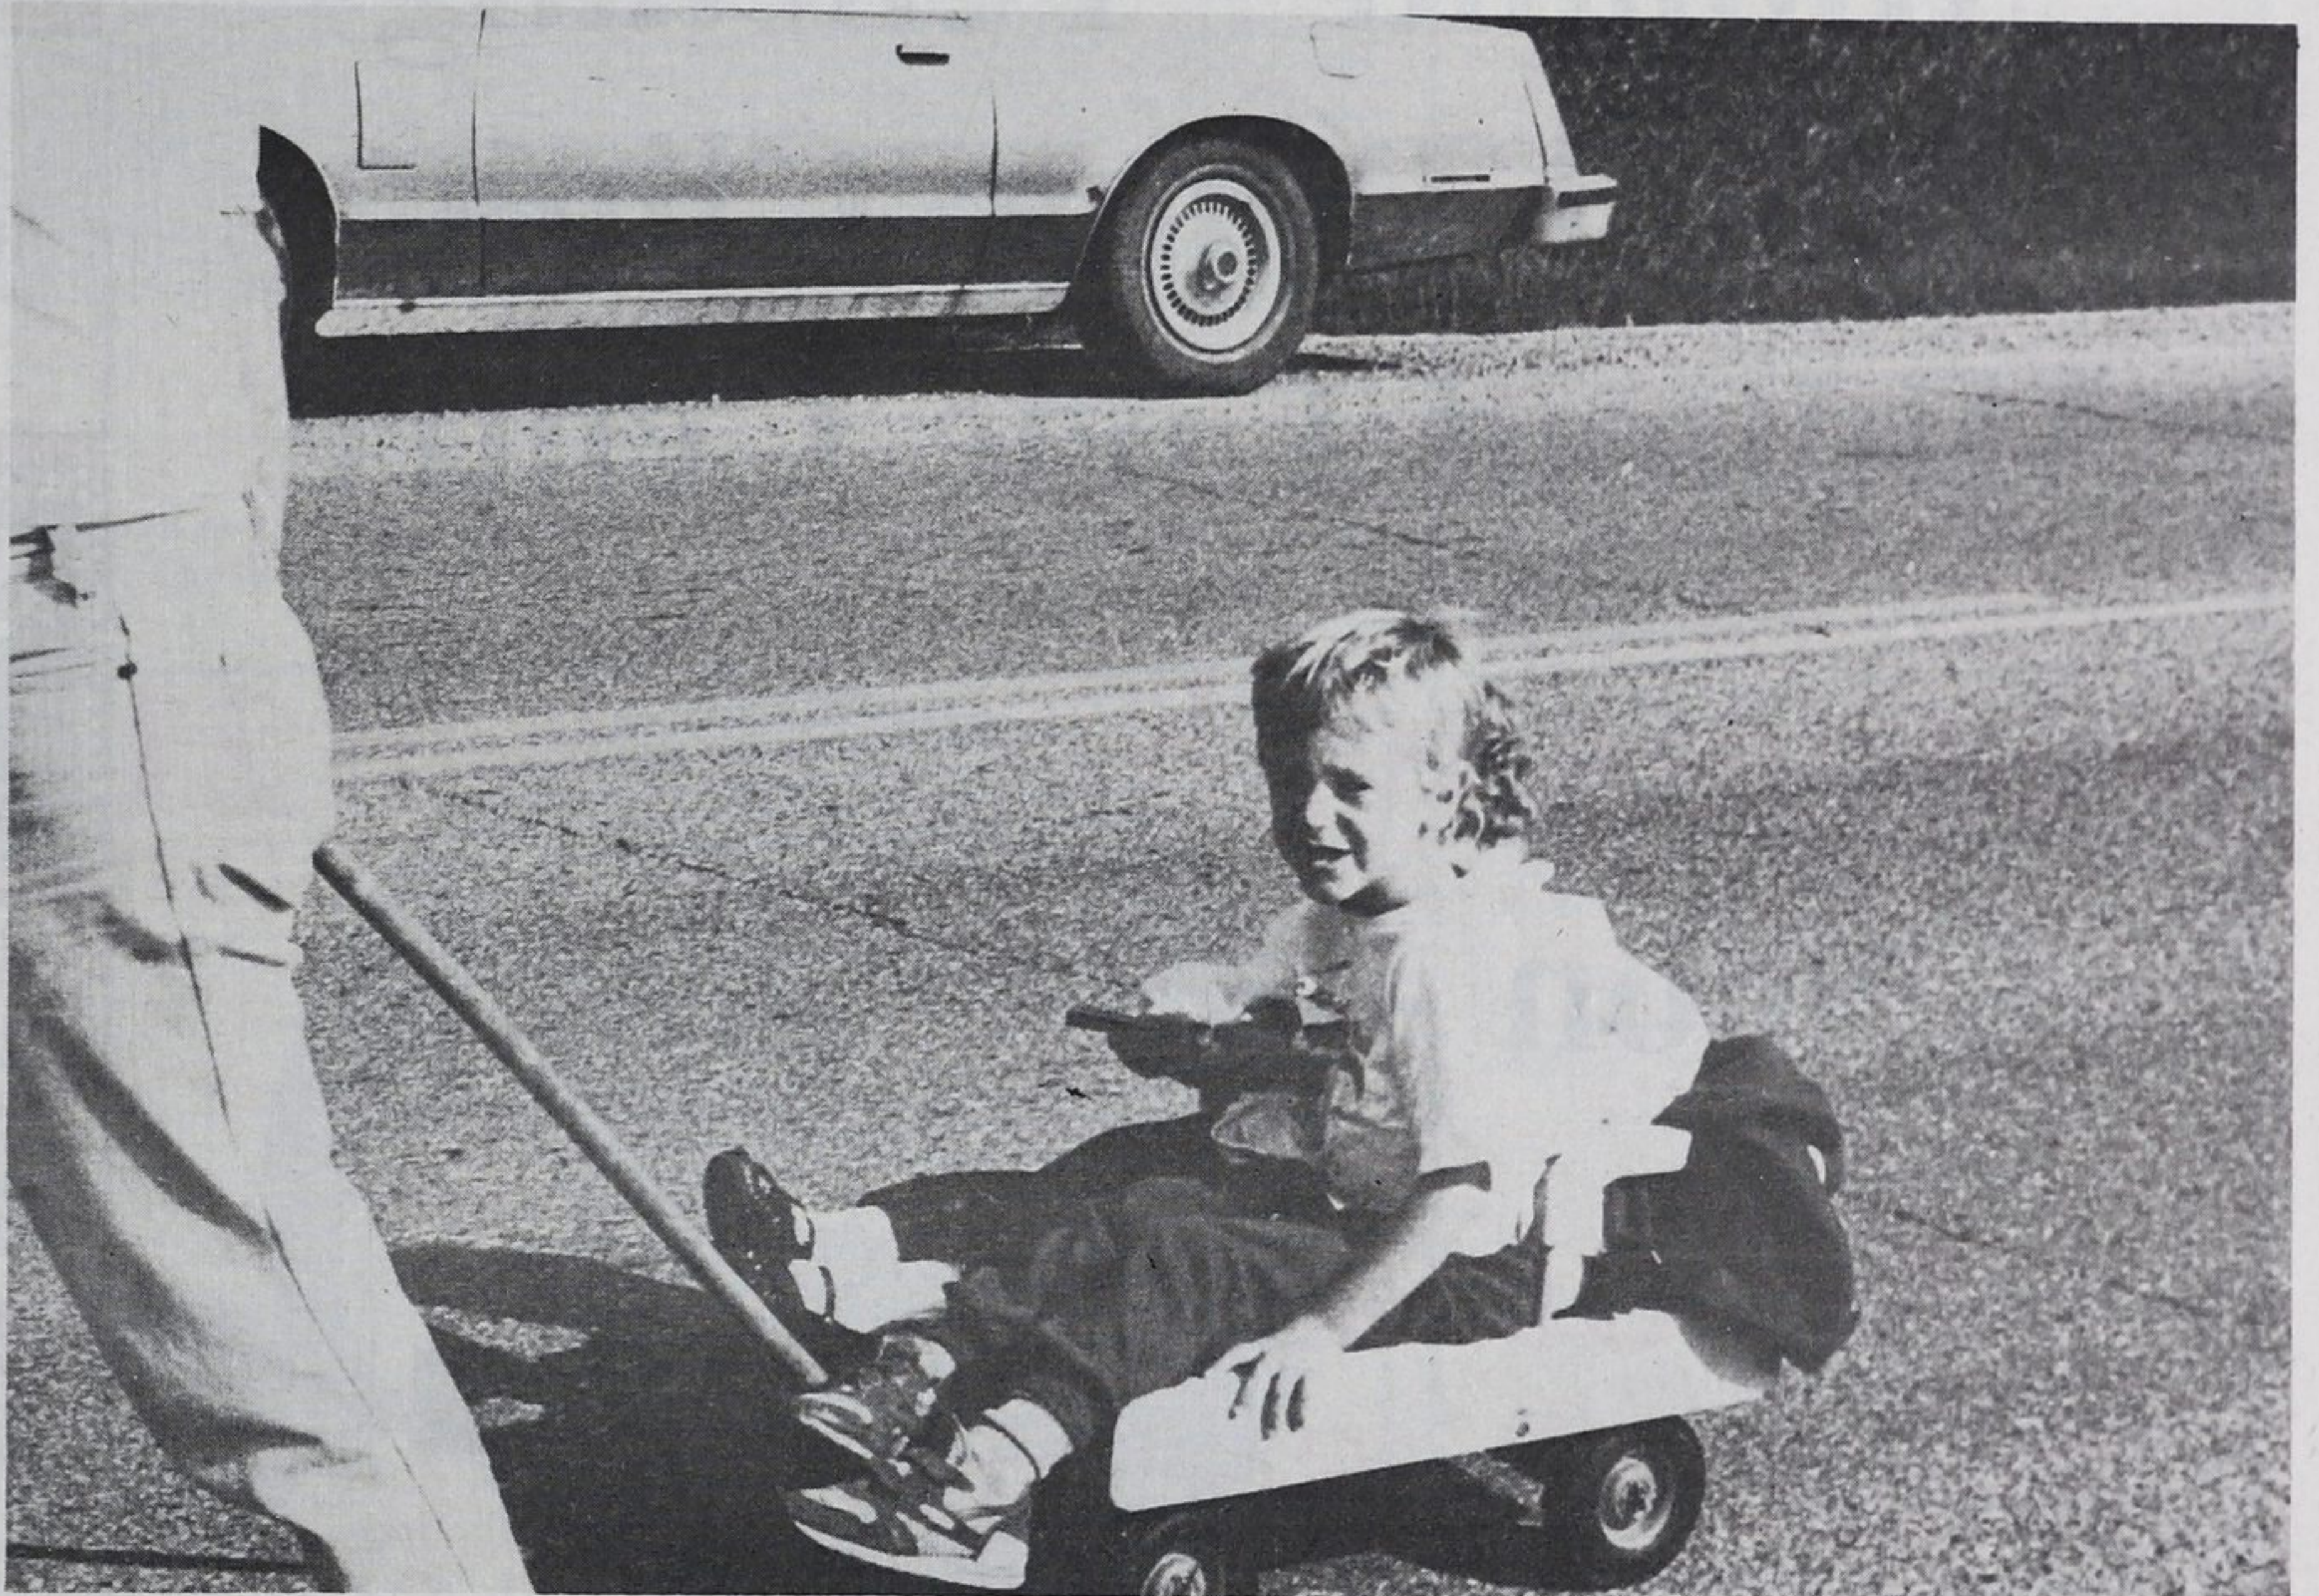

The total proceeds were aided by the \$2,000 raised by the Sunrise Saddle Club of Port Severn which was led on a 25-mile ride by Babs Ellis of Lafontaine.

The event included Missy Duval, formerly of Penetanguishene. The four-year-old Brampton resident became famous in the area because of her tremendous battle with

cancer. Christa Potter of Brampton participated in the event, bringing with her \$360 in pledges collected from a factory in Brampton. Duval herself raised over \$1,000 in pledge money. Elmvale's Ken Robinson also had \$1,000 in pledges.

The youngest participant was Marie Soleil Gosselin, two and a half months old, who rode the route on her mother's back. The oldest participant was 61-year-old Unice Monroe of Midland who walked the 10 kilometer course.

King wants to extend her thanks to Missy Duval and her family, Penetang Bottling, Pepsi-Cola, Hostess Potato Chips, McDonald's Restaurant, K-Mart and A&P Food Stores along with the volunteers and participants.
