One more team

The Midland Penetang Touch Football League plays every Sunday at Midland and Penetang Secondary Schools. The league is

in need of another entry after one team, the Brooklea Eagles dropped out. Interested in-

Graham wins in close golf game

The Midland Golf and Country Club men's championship were held the weekend before last; 102 participated.

After 50 holes, 1986 and 1987 champion Jeff Bales was tied with Chester Graham, also a former two-time winner.

A hooked drive on the 15th hole resulted in a double bogie seven for Bales; Graham registered a par five to go up two.

On the next, Bales thundered a 250-yard

drive, closing the gap to one stroke, while Graham bogied the hole.

But on the 17th, a tree got in the way of Bales's tee shot while Graham drove straight down the center on his way to a 229 total - and victory.

Bales finished with 232. The second flight winner was Larry Green with 242. Fred Lavin took third flight honors with 259 and Bill Lalonde captured the fourth with 282.

Curling club receives a plaque from government

The Penetanguishene Curling Club has been recognized by the Province of Ontario for its role as the home rink of the 1987 World Curling Champions.

On behalf of Premier David Peterson and the Minister of Tourism and Recreation, Hugh O'Neil, the vice-president of the club, David Gravelle, presented an appreciation plaque to president Tim Lindsay.

The club appreciation award goes to the home club or training ground of Ontario's team of the year. The Russ Howard Rink of Glenn Howard, Tim Belcourt, Kent Carstairs and Larry Merkle won the provincial, national and

world curling titles in 1987.

This plaque was first presented in 1982 when Thunder Bay's Al Hackner won the global title. Since then, Hackner's club has received it again. Ed Werenich and Marilyn Darte have also seen their home clubs honored. The only non-curling winners of the Team of The Year Award were the figure skating duo of Paul Martini and Barbara Underhill.

Upon receiving the plaque, president Lindsay noted that it will be difficult to find a bare spot on the wall of the club already adorned by memorabilia of the Howard rink's accomplishment.
