BAG A BIG BEAR.

Big Bear

YAMAHA
We make the difference.

Big Bear's on the loose. Biting through muck and bog with fulltime 4WD. Clawing over rocks and logs with the mightiest tires on any ATV. Hauling your prize home with 350cc's of brute force and a dual range

5 speed (plus reverse). It's an animal, but it isn't a bear to handle, thanks to Torque Control Differential. Hunt down Big Bear. Follow the trail to your Yamaha dealer.
