Ajax wins A division

The Fifth Annual Penetanguishene Oldtimers Hockey Tournament went off without a hitch on the weekend.

The Ajax Old Boys captured the A division championship with a 5-2 win over Huronia Old A's of Midland.

Another Midland team, the Midland Saints, won the B division final with a 2-0 win over Aurora Old Sweats.

The St. Benedicts Old Saints defeated Newmarket Re/Max

Dynamos 5-1 in the C division final while the Georgian Bay Mallers downed West Muskoka 6-2 in D division.

The Huronia A's stopped Elmvale's Georgian Bay Indians 9-0 to open the tourney on Friday night and then edged Midland Saints 4-3 Saturday afternoon.

The Markham VIP's were the next to fall prey to the Midland machine as the A's earned a finals berth with a 2-1 win.

The Saints doubled West

Muskoka 4-2 in their opening contest Friday. After losing to the A's Saturday, the Saints rebounded for a 6-3 win over Bowmanville Town Sports.

Elmvale's entry in the 16-team tournament, the Georgian Bay Indians, defeated West Muskoka 4-2 Saturday but lost a close decision to St. Benedict's Old Saints 5-4 on Sunday.

The Fair Play winner resulted in a tie with West Muskoka Antiques and Huntsville Grey Owls capturing the honors.

Emery Cadeau of Molson's breweries supplied the winners and runners-up in each division with medallions. Hillerich and Bradsby supplied a Louisville Slugger hockey stick for the game winning goal scorer in each division final. Renfrew Tape donated a box of tape for the team that offered the most toward the success of the tourney.

Tournament organizers thanked CKMP radio 1230 for reporting the results throughout the weekend.

Gee, thanks

Richard Thomas of the Midland Saints beams while receiving his medal at the Penetanguishene Oldtimers Hockey tournament on the weekend. Fred Flood, in the background, shares in the happy moment. The Saints won the "B" Division with a 2-0 shutout of Aurora Old Sweats.

Hall of Fame is now accepting nominations

At a press conference last Wednesday in the Penetanguishene Arena, Vince Moreau announced that the Sports Hall of Fame is accepting public nominations.

Moreau is the chairperson of a six-man committee that oversees hall inductions.

The other members are Paul Devillers, Jerry Murphy, Ken Tannahill, Ron Marchildon and Michael Dubeau.

The Hall of Fame came to life last August after committee meetings which began in the summer of 1986.

The first inductees numbered 13, including players, coaches and builders in hockey, track and field and baseball.

The criteria for consideration are that the person must have been a resident of Penetanguishene or surrounding townships and must have been involved in local, provincial, national or international sports.

The individual must be retired for five years.

Race horses may be considered for entry as well as

teams and individuals.

Certain criteria may be waived or altered under some circumstances. For example, three or four years down the road Brian Orser could be considered even if he is still skating - because he was a world

champion as an amateur.

Russ Howard and his foursome also can be considered in a few years even though none lives in Penetang. However, their home rink is the Penetanguishene Curling Club.

According to Moreau, there must be a definitive connection with Penetang.

The cutoff for nominations from the public will be May 31, 1989. Nominations should be addressed to Ron Marchildon and delivered or mailed to the Penetanguishene municipal office. The nomination should also contain the nominee's name, sport and some information on athletic achievements.

The committee is hoping at least two people to be inducted into the hall. A banquet will be planned for late August to honor them.

Mick B's drop their opener

Midland Mick B's started off the 1988-89 Simcoe County Intermediate Men's Basketball League season on the wrong foot by losing to Barrie Queen's Hotel 85-70.

After being totally outgunned in the first half 46-30, Midland rebounded for a 40-39 second half in its favor.

Midland played a safe game with no player receiving more than two fouls.

Barrie, on the other hand, had one player with four fouls and two others with three for a total of 15 fouls in the contest, 10 of them in the second half. Midland was caught with

three fouls in the first half and seven in the second.

John Faragher paced the Midland attack with 13 points while Jim Costello netted an even dozen. Jeff Atwood and Bob Blasko hooped 10 apiece.

Midland received points from nine different players while all six of Barrie's players hit double figures.

Midland was only 5-13 at the foul line while Barrie struck three for six.

APPOINTMENT

LARRY FALLON

The management and staff at Sunrise Toyota would like to welcome Larry Fallon to their sales and leasing team. Larry is a former resident of Elmvale now residing in Barrie. Both Sunrise Toyota and Larry would like to welcome all his friends to call or drop in and discuss their present and future automotive needs.

Good Luck Larry!
