

Improvement is club's idea

A jogging and bicycle path in Little Lake Park is a Midland Rotary Club project.

The club will use the profit from its Trip of the

Month draw to pay for the path.

The major prize for January, a \$1,200 letter of credit, was won by Stoneleigh Motors.

The letter can be used to pay for a holiday package to anywhere at anytime prior to April, 1990. The alternative is \$1,000 in cash toward

future travel. Jim Patchell of Midland was the January minor prize winner.

Minor prize winners receive a \$250 weekend hotel package at a hotel of their choice. The alternative is choosing \$250 of Samsonite or Jaguar luggage or travel clothing from The Parlor.

Marlin Travel, Terri's Travel, Bayshore Travel, Atkinson Travel, PMCL Travel Service, Carole's Travel Service of Elmvale and The Parlor, are co-operating with the Rotary Club to make fundraising through a Trip of the Month possible.

Coming this Friday in the Huronia Weekend

The Toronto International Boat Show drew hundreds of Huronia residents from Jan. 14-22. Read all about it in this Friday's Huronia Weekend.

No child care centre

An article in the Jan. 4 Midland Times said that the Catholic Family Life Center in Midland has a child care resource center.

The child care resource

center is in the planning stages under a steering committee including the Children's Aid Society, Kinark, the CFLC, Community Living Huronia, the LIFT program and

the Learning Disabilities Association.

The Times regrets any embarrassment or inconvenience to the Catholic Family Life Center.
