

PUBLIC PARTICIPATION COORDINATOR

required for

GEORGIAN TRIANGLE WASTE MANAGEMENT MASTER PLAN

The municipalities of Wasaga Beach, Stayner, Creemore, Thornbury, Nottawasaga Twp. and Collingwood are in the process of preparing a joint Waste Management Master Plan. The Plan will be prepared by consultants however, the public participation coordinator will be responsible for a large portion of the public participation component of the Master Plan.

Under the direction of the Steering Committee, the public participation coordinator will be responsible for implementation of the public consultation program for the waste management master plan. This will involve public education and awareness programs, identification of interested participants, working with councils, public organizations and the media, developing a communications network and the preparation of reports to document the public participation program.

The successful candidate must have a thorough understanding of the purpose of public involvement in the planning process and be able to implement such programs. Ability to work with the public and act as a facilitator of public participation programs is critical to this position. A degree in planning or a related discipline would be an asset.

The position is a yearly contract position renewable for the duration of the master plan which is expected to take two years. The salary is negotiable commensurate with education and experience. Position commences March 1989.

Please send resume, by February 17, 1989, to:
