

A wandering minstrel

David Anderson of the Whole Loaf Theater needed the help of his young audience, at the Port McNicoll Community Center last week, to sing the song of Aikin Drum. Aikin's head was made of corn bread, his nose was made of candy, his chin was made of — "besghetti!"

Texas tot finds "Canada"

The Midland, Texas balloon express to Midland, Ont., has made the front page of the Texas Reporter-Telegram. In January, four-year-old Cody Baker waved a helium filled balloon goodbye as it headed skywards in Midland, Texas, the paper reports. Midland Bay Woods Ontario. snowmobiler Hugh Trendall found it less than 10 days later — and 1,500 miles away — in a field near another Midland, in Ontario. The Texas newspaper took a picture of Cody, beaming with pride, with the letter and picture from Trendall.

Council tightens itself up

Coldwater councillors have decided to do more homework in order to beef up their meetings. They need co-operation from the ratepayers, to get correspondence and delegation requests in by the Friday noon before a meeting. Then the councillors will read up in advance instead of having correspondence read out by the clerk.
