-A carpenter's apprentice, tee lazy to work, dodges it in this fashion-when he takes a notion, he bumps his nose against a post till it bleeds, and then sits down to have a resting

state of things in general. I say, - You find your moostarchers a great yeou sell skins here don't yeou?" comfort, don't you, Tom." "Aw, well, yes : but I'm most afraid I must cut 'em, for one's obleeged to dress so doosed expensive to make response. everything accord."

-They have a man in Mississippi so lean skins tew, I reckon?" that he makes no shadow at all. A rattlesnake struck at his leg six times in vain, and retired in disgust.

-"And you charge a dollar for killing a calf, you smutty thief," said a planter to an old nigger. "No, no, massa," replied Sambo, "me charges fifty cents for kill um calf. and fifty cents for the know-how."

FIDELITY.

And now, could ever beauty wane Till not one noble trace remain ; Could genius sink in full decay, And wisdom seek to lend her ray; Should all that I have worshipped, change, Even this could not my heart estrange; Thou still wouldst be the first-the first That taught the love sad tears have nurs'd MRS. EMBURY.

-A very tedious Bishop having yawned during his own speech. Lord Ellenborough, ex- bewty, slick and shiney as a bran claimed, "Come, come, the fellow shows some new hat." symptoms of taste, but this is encroaching on our province."

says the merchant, -If you desire to enjoy life, avoid unpunctual people. They impede business and poison pleasure. Make it your rule not only to be I killed the darn'd critter, of couse." punctual, but a little beforehand.

-A company of ladies lately discussed this .question-" What is the great duty of man?" One of them, dressed a-la-mode from head to far from the Fourth of July, any foot, contended that "it was to pay dry goods bills !" This was agreed to without a single dissentient voice.

-Exercise, air, good temper, and temperance, are the principal sources of growth, comes the old critter, and I just gave him a rip in the gizzard that health and longevity.

-The Duke of Wellington wer fifteen bat- settled his hash mighty sudden. I tles and captured 3,000 guns from his oppo- tell yeou.' nents, never losing one of his own.

-Mrs. Partington, after listening to the 'are not very good when taken in Wm. Henderson, reading of an advertisement for a young ladies' boarding school, said :- " For my part, I can't deceive what on airth eddication is coming to ! very thin and not fit for much in When I was young, if a gal only understood summer.' the rules of distraction, provision, multiplying, replenishing, and the common dominator, and knew all about the rivers and their obituaries. and covenants and dormitories, the provinces weather when I shot the critter; age by fire, on liberal terms. Losses promptly and the umpires, they had eddication enough. and, I'll be darned if it was; made But now they have to study bottomy, Algierbay. a thunderin' mistak 'bout that, for Residence, and to have to demonstrate suppositions about sycophants of circuses, tangents and Diogene of parallelograms, to say nothing about the ox- by golly, for I and Seth Pirkins hides, corostics, and abtruse triangles !" Thus wur goin' to a frolic. I remember saying, the old lady leaned back in her chair. her knitting-work fell into her lap, and, for some minutes she seemed in meditation.

-As a clergyman was burying a corpse, a woman came and pulled him by the sleeve, it the middle of the service :- " Sir, I must speak to you immediately." "Well, what is the Never did see such a fat feller in matter?" "Why, sir, you are going to bury a woman who had the small pox, near my husband who never had it."

-A western editor thinks that if the proper way of spelling thou is "though," ate, " eight," and bo, "beaux," the proper way of varmint crawled along. Did, by spelling potatoes is "poughteighteaux" The snaps." new of spelling softly is " psoughtleigh."

-A great improvement has been made upon good, said Towle.
