The second is a 300 Ladies' Gold Watches .... 35 00 each the treatment of these delicate complaints, and unclose the plant which is an Expectorant, that opens and unclose the passage to the lungs by consone unclogs the passage to the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage. and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and onveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Palls not only enter the stomach, but become united with the blood, for they find their way to every part, and complete-GUIDE would respectfully call the ly rout and release the system from all impulity. for they cannot remain when the body becomes usual modes of puffery would be unworthy of rior than one month, must be paid for in ad-

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to The columns of the "Guide" will contain the afflicted parts, and which will open the the usual variety of original and spicy articles, natural passage for the disease to be cast out; Our Eleventh Volume will commence with written not only to please, but to instruct. In hence, a large quantity of food and other matter January, 1858-will run to January, 1859-and regard to politics the" Guide" will maintain an is lodged, and the stomach and intestines are contain 768 large octave pages, on fine paper, independent tone, and from time to time will literally overflowing with the corrupted mass; with new type. It will be issued within the first advocate measures as conductive to benefit thus undergoing disagreeable fermentation, men, and faithfully follow that light which is in them, withdrawing from all cold and quenching influence—there will assurate themselves to obtain suscriptions for this disease.

Scours in Animals.—A writer in the Maine Farmer, plied. I intend to try them of the interest themselves to obtain suscriptions for th and one month previous, thus giving in two, or otherwise if order ed, to the address of those piness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, For 300 subscribers, cash .... \$35 00 and whose feeble frames have been scorched that constitute bone, such as clubs of four and upwards: \$1 for sx months. did gold watch, warranted ..... 30 00 have been brought, as it were, within a step of by the burning elements of fever, and who he silent grave, now stand ready to testify that gold locket, four glasses, worth ..... 15 00 they would have been numbered with the dead, ity, and gelatine to smooth the mechanical improvements, and like matters of For 150 subscribers, one elegant bracelet 11 00 had it not been for this great and wonderful For 100 subscribers, one gold vest chain 10 00 medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were as tonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use there Pills, that will spend the remainder of his days in curing they will so clease and purify, that disease- that dreadful disease-Consumption-FREE of
