If thou wouldst win a lasting fame ; thou th' immortal wreath wouldst claim, And make the future bless thy name : Begin thy perilous career ; Keep high thy heart, thy conscience clear And walk thy way without a fear. And if thou hast a heart within, That ever whispers, 'work and win,' And keeps thy soul from sloth and sin ; If thou canst plan a noble deed, And never flag till it succeed. Though in the strife thy heart should bleed; If thou caust struggle day and night, And in the envious world's despite, Still keep thy cynosure in sight; If thou canst bear the rich man's scorn ; Nor curse the day that thou wert born To feed on husks, and he on corn ; If thou canst dine npon a crust, And still hold on with patient trust, Nor pine that fortune is unjust; If thou canst see, with tranquil breast, The knave or fool in purple dressed. Whilst thou must walk in tattered vest If thou caust rise ere break of day, And toil and moil till evening grev. At thankless work, for scanty pay : If in thy progress to renown. Thou canst endure the scoff and frown Of those who strive to pull thee down ; If thou canst bear th' averted face, The gibe, or treacherous embrace. Of those who run the self-same race . If thou in darkest days caust find An inuer brightness in thy mind, To reconcile thee to thy kind :-Whate'er obstacles control. Thine hour will come-go on-true soul ! Thou'll win the prize, thou'lt reach the gao If not- what matters ? tried by fire, And purified from low desire. Thy spirit shall but soar the higher. Content and hope thy heart shall buoy. And men's neglect shall ne'er destroy Thy secret peace, the inward joy. But if so bent on worldly fame, That thou must gild thy living name, And snatch the honours of the game, And hast not strength to watch and pray, To seize thy time, and force thy way, By some new combat every day : If failure might thy seul oppress, And fill thy veins with heaviness, And make thee love thy kind the less ; Thy fame might rivalry forestall,
