SCARBORO' TOWNSHIP.

We have been kindly favored with a copy of the Rules and Regulations of the Municipal Council of the Township of Scarboro', compiled by W. H. Norris, Esq., a member of that council.

EXAMINATION OF COMMON SCHOOL TEACHERS.

The annual examination of Teachers took place in Richmond Hill Grammar School on Tuesday the 3rd inst. The numbers who were examined were more numerous than in any previous year, there being 57 males and 7 females, total, 64 persons who were examined as to their advancement in knowledge in the different departments.

SCARBORO' MUNICIPAL COUNCIL.

This Council met on Monday, July 26 at 10 o'clock A.M. The business transacted is scarcely worth reporting. The Reeve produced a communication from the Chief Superintendent of Education, recommending the purchase of Maps, Globes, Diagrams, &c., from the education depot; and that a portion of the Clergy Reserve money should be devoted to that purpose.

MR EDWARDS' DISCLAIMER.

TO THE EDITOR OF THE TRIBUNE. Sir:—I was much surprised at the unfair construction the Economist put upon my letter, of the 23rd July. I hasten at once to discard the motives imputed to me. I give the quotation entire:—"A DISCLAIMER.—We are glad to see that Mr. Edwards, of the Tribune, disclaims all responsibility for the gross falsehoods which have characterized that sheet. Mr. Trudeau, he says, is alone responsible for what appears in that paper. Mr. Edwards is evidently ashamed of the company into which he has been accidentally thrown, and seems to be indignant at the bare mention of his name in connection with what appears in that paper."

RESIGNATION OF MINISTERS.

MR. WALLBRIDGE said.—Mr. Speaker, I rise to move the adjournment of this House; and, in so doing, I beg to inform this House that the Administration have placed their resignation in the hands of His Excellency the Governor General, who has signified his acceptance of the same. I am requested to add, that immediately after the vote of Monday night, the Government came to the conclusion that their only course was to ask for a dissolution. This they demanded from His Excellency, who at two o'clock this day conveyed to them his answer, refusing to grant a dissolution.

THE HOUSE OF ASSEMBLY.

THE SEAT OF GOVERNMENT QUESTION.

RESIGNATION OF THE MINISTRY!

MR. THIBAUDEAU then moved and proposed the following resolution:—"That an humble Address be presented to Her Gracious Majesty the Queen, to represent that this House is duly grateful to Her Majesty for complying with the Address of Her Canadian Parliament, praying Her Majesty to select a Permanent Seat of Government; but that this House deeply regrets that the city which Her Majesty has been advised to select is not acceptable to a large majority of the Canadian people."

LEGISLATIVE COUNCIL.

HONORABLE MR. PATTON moved, seconded by the Hon. Col. Tache, that the House having heard the explanation offered by the organs of Government, beg to express their entire dissatisfaction therewith, and a want of confidence in a Government which is not prepared to enumerate a policy upon the various questions which the members thereof, while in opposition, agitated so much zeal.

NEW ADMINISTRATION.

AFTER the usual routine of business of presenting petitions, &c. Mr. PATRICK, from the desk usually occupied by the Premier, said.—Mr. Speaker, I am requested to announce to the House the names of the new Administration. They are as follows:—

The Premier of Canada. For should he attempt to carry out the principles enunciated in the Globe, it would bring Lower Canada to arms; and should he not do so, he will lay himself open to the charge of abandoning his principles, and thus be guilty of the very crime which he has so often thrown in the teeth of his opponents. Anyhow, it follows that he is not the man for the present crisis, for Lower Canada is opposed to him, nearly to a man, and even in Upper Canada his course has rendered him obnoxious to not a few. We much question whether it is possible under existing influences, to carry on a Clear Grit Ministry, unless, indeed, the Clear Grits themselves come down from the high horse they have so recently ridden, and we much question if they can do so without breaking their necks.

SCARBORO' TOWNSHIP.

We have been kindly favored with a copy of the Rules and Regulations of the Municipal Council of the Township of Scarboro', compiled by W. H. Norris, Esq., a member of that council. We think the Rules are very important, and will doubtless prevent much confusion. We have perused them with satisfaction.

NEW ADMINISTRATION.

AFTER the usual routine of business of presenting petitions, &c. Mr. PATRICK, from the desk usually occupied by the Premier, said.—Mr. Speaker, I am requested to announce to the House the names of the new Administration. They are as follows:—

Mr. PICHE moved an amendment to the amendment the substitution of the following:—"That in the opinion of this House the City of Ottawa ought not to be the permanent Seat of the Government of the Province." The division was then taken upon Mr. Piche's amendment.—Yeas, 64. Nays, 50. Mr. W. F. POWELL, (Ottawa,) then moved—"That in the opinion of this House the city of Quebec ought not to be the permanent Seat of the Government of this Province." After some remarks from Mr. ROBBLIN and Mr. CIMON. The vote was taken on the motion for adjournment, which was negatived by 61 to 50. Mr. CIMON then moved the debate be adjourned. The motion was negatived by a vote of 67 to 36. Mr. TURCOTE then moved an adjournment of the House. The motion for adjournment was carried by a vote of 95 to 5 and the House adjourned at two o'clock. TUESDAY, July 29. RESIGNATION OF THE GOVERNMENT. Atty. Gen. MACDONALD then rose and said:—"The Government have taken into consideration the adverse vote of the House last night and have left it their duty to offer their resignations to the Governor General. Those resignations have been accepted, and we now only hold office till our successors have been appointed. This course must have been anticipated as the result of the action of the House last night, in adopting the motion of the hon. member for Berthier. The Legislature had by an Act of Parliament made an appropriation for the erection of public buildings at whatever place might be selected by Her Majesty, and it was to all intents and purposes the law of the land. We felt that as a Government we could only take the course which any Government placed in like circumstances would have been bound to do—that the law of the land being so, the Government must carry it out. The House, on the motion of the member for Berthier, resolved last night that the law should not be carried out. It was simply a resolution of the House that the exercise of her prerogative by Her Majesty, made at the request of the Legislature, was a mistake, and that she had chosen the wrong place. It did not even ask her to reconsider her choice, and did not assign any reason why her decision should not be carried out, but simply stated—in a manner which I characterize last night as an act of discourtesy and rudeness to Her Majesty—that we having asked her to select a place and she having done so at our request, she has made a mistake. We had to consider then what our future course must be in consequence of that resolution of the House. We consider that the law of the land declared that Ottawa was the place, and that we were bound to carry it out. The House declared we should not carry it out, and we stood in this position that we must either commit a breach of what we considered the law of the land, or act in opposition to the will of a majority of this House, a majority of 14. We came to the conclusion that the usefulness of our position was so much affected by that vote, that we could not, with respect to ourselves, continue to hold our office, a considerable number of those who have usually supported the Government having taken that strong view, and joined in the vote that Her Majesty had made a wrong selection. Those are the grounds on which we have resigned. I may add that subsequent to that vote, there was another by which the action of the member for Toronto, who leads the opposition, was made a test question. Upon that the Government had a majority, but we could not conceal from ourselves that several gentlemen who had formerly acceded their support to the Government, had now withdrawn, and therefore in all the circumstances, we thought it right and due to ourselves, and due to the House, to offer our resignations. The Attorney General East reminds me that as the motion of the member for Berthier merely stated that Her Majesty had made a wrong selection, and did not recommend any other place, it had the effect of preventing the selection of any other place whatever. With these explanations, I move that the House do now adjourn. The motion was then agreed to and the House adjourned. MR. BROWN SENT FOR. Mr. Brown, shortly after the rising of the House, was sent for by His Excellency, and charged with the formation of a new Administration. MINISTERIAL CRISIS! HOUSE OF ASSEMBLY. FRIDAY, July 30. Hon. J. S. MACDONALD (after the usual routine business had been gone through) rose and said:—"Since the adjournment of the House yesterday, after the announcement made by the hon. gentleman, the member for the city of Kingston—the senior member for the city of Toronto had the honor of being requested by His Excellency the Governor General to undertake the task of forming an Administration. Mr. Brown undertook the duty, in conjunction with Mr. Dorian, the senior member for the city of Montreal."
