

ATROCIOUS CRIMES ON THE HIGH SEAS.

Within a few months past we have had to record in the news columns or in the Law Department, says the Boston Courier of yesterday, a series of crimes of great atrocity, committed on board of American ships.

The early days of our Parliamentary and Constitutional system, and even within the memory of living men, it took as long a time for the member for Caitness or Ross-shire to travel from his county town to Westminster, as it would now take him to travel from Quebec or Montreal to Liverpool and London.

There are 87 Savings Banks in Mass., in which 177,000 depositors hold over \$33,000,000. More yellow fever in Cuba, this year, is the destructive than it has been for 30 years.

BARLEY was in great demand—minty, we believe, for export, and sold at 3s 2d per bushel. OATS met a brisk demand at 1s 10d a 2s 2d per bushel, and very well supplied.
