Mr. Harrison, when arrested, seemed counterfeiting. There can be no debt abels for some Chinese articles. The o her parties arrested were John Serney, Richard Tweed, J. W. Rumsey, M. J. Stillwell, Fred. Stiner, Morris Roach, James Connelly, and F. W. Griffith, all

The Mayor, after a short criticersation with Mr. Smith, decided to hold Mr. Harrison to bail in the sum of \$2,000 to answer, if any examination might be required. His clerks were also held as witnesses. Vir. Harrison soon gave the required bail and was discharged.

He describes Mrs. Sevesti as a woman apparently about forty years of age, and at all times elegantly attired and very lady-like in her manners

THE COMET.

From the Daily Colonist's Correspondent. MAGNETIC OBSERVATORY, Toronto, 8th October, 1358.

SIR,-So much that is at least appar\_ ing a very curious looking label, which ap ently contradictory has been written late. pears to have been a copy of a Turkish Iv, in our public journals, relative to bill for \$20, with various Arabic letters Donati's comet, and with that which may in the centre and around the edges. Mr. be admitted as true and instructive, there Harrison thought them to be a label for has been often so great an admixture of some Chinese invention, and did not for the false and palpably ridiculous, that he one moment hesitate to accept the job. He would do a good service who would come accordingly agreed to have the plates forward to unravel this net-work, and give manufactured at the earliest moment. An out to the world what comet (if any) of arrangement was then made that Mr. past history this one can be identified with. Harrison should print 600,000 copies at I am not prepared to undertake this task, one dollar a thousand, and that they should but it will be a step in the right direction be done within a certain given tune. The it I remove one opinion that is commonly
