Canada Type Foundry REMOVED TO ST. THEREEE ST., IN DEBERAT'S

BUILDINGS, MONTREAL. THE Proprietors of this Establishment beg to inform the Prin e's of Canada, that they a large quantity of Small P.ca, Long Primer, Bourgeo se and Brevier, of Scotch face, which they will guarantee cannot be surpassed by any Foundry upon this continent for durability and

appearance. They have also on hand a choice ssortment of various kinds of Ornamental Type. The prices at which these and other types ar sold at the Canada Type Foundry, will be found at least 30 per cent less than they could be purchased previous to its establishment. It is therefore hoped that the Printers of Canain will show their appreciation of the advantages it holds out, by be towing upon it a fair share of

their patronage, in return for which the proprietors pledge thomselves to leave no means untried to give ample satisfaction. Printers! mark the reduction in the price of pes nce this Foundry was opened; and bear in and that a greater reduction depend upon yourelves. Our motto is-supply the trade with type

The following list of a few of the principal artiles required by printers will give an idea of the great advantages of the Canada Type Foundry. --PRICES:--

Young Men—Take Particular Notice. There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood, and which, if not reformed by them in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious, and

The cure effected without confinement or hig-

devastating affections. Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered, feel strange and unaccountable feelings, and vague fears in the mind. A Most Scientific Invention. An instrument for the cure of Genital De-Victoria Square, the last Friday even- buny, or more properly known as Seminal

Weakness, Nervous Debility, &c., which are

permanently cared in from 15 to 20 days by the use of this instrument, when used conjointly New Remedies and Quick Cures. DR AMOS & SON take pleasure in announcing that they have invented a most important astrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadel-OYAL ORANGE LODGE, No. 778,
