Och, I am sick of the sickle, Molly dear, And stooping so long and so low ; And it's little sorrow it gives me To give the ould brother the ga! And when another harvest comes, By the Powers! I'd like to see The money or anything else that 'ud make A Rapin'-Machine of me!

I've raped in the north and south country, And I've raped in the Lothians three, And I've crossed the water so soft that They call it the Irish sea; I've reaped yer wheat, and yer barley, And yer oats, and yer beans sez Pat, But as for Profit-it's sorrow the reapin'

That ever I reaped of that. So good luck to you Misther McCormack, And yer Riv'rence, Misther Bell, And good luck to you Misther Hussey-I wish yer Honors well; The sheerer's footin' in the field, Yo've fairly cut away,

But it's not been worth the standin' on,

Bedad, this many a day, And pulls the huge machines That go clickin' and clickin' across the fields bear in mind the political principles which Of wheat, oats, barley, and beans, Machines for sowin, and thrashin'

And reapin' between and betwixt !-In troth, it's my private opinion they'll have A machine for eatin' it next! Then we'll throw the sickle aside, Molly.

And go and try our luck, On the banks of the far Australian strames Where the otter has bills like a duck, For there's mate and drink and clothes, Molly, And riches and rank to be won. At the Anti- what d'ye call the place ? On t'other side of the sun.

And there'll be no land agents. Nor middle men, nor Jews, But ye'll see me stonin' lumps of gould At the thievin' Kangaroos; And there's nayther shoetin' of bailiffs, Nor a dale of bloody fun, In the land that lies beneath our feet On t'other side of the sun

Ye've a bandage on yer wrist, Molly, That wrist with gems I'll deck. And a string of nuggets like milestones I'll hang around yer neck, And we'll live in a nate retirement, Where our nearest neighbor 'll be-The Emperer of Chayney, Who will sometimes look in to tea!

Och ! the world we're leavin', Molly, Is a world of bitter care, For even the pigs and the praties are not The angels that once they were; But the world we're goin' to Molly, Is where the giants of ould, Buried for want of a better bank, Their stockin' legs fill'd with gould.

It's a world of wonders, Moliv. A world without a Pesr ! And what it has and what it wants, We've nothing like it here; But of all its wonderous things, Molly, The strangest thing to me Is that there the workin' man's the man, Gets first to the top of the tree.

Random Readings.

Calamity never leaves us where it finds us; it either softens or hardens the heart of its victim.

Why are ladies the biggest thieves in existence? Because they steel the petticoats, bone the stays, and crib the babies.

Slander is more accumulative than a comets: snow-ball. It is like a salad, which every one will season to his own taste, or the in being all head and tail. They are untaste of those to whom he offers it.
