SLEEP.

God bless the man who first invented sleep, So Sancho Panza said, and so say I; And bless him, also, that he didn't keep His great discovery to himself, or try To make it—as the lucky fellow might—A clese monopoly by "patent right!"

Yes-bless the man who first invented sleep, (I really can't avoid the iteration ;) But blast the man, with curses loud and deep,
Whate'er the rascal's name, or age of station Who first invented, and went round advising That artificial cut off-early rising I

Rise with the lark and with the lark to bed Observes some solemn, sentimental owl .-Maxims like these are very cheaply said : But, ere you make yourself a fool or fowl, Bray, just inquire about their rise-and fall, And whether larks have any bods at all.

The "time for honest folks to be abed," Is in the morning if I reason right, And he who cannot keep his precious head Upon his pillow till it's fairly Fght; And so enjoy his forty morning winks, Is up—to knavery; or clso—he drinks!

Thomson, who sung about the ' Seasons,' said It was a glorious thing to rise in season;
But then he said it, lying—in his bed
At ten o'clock A.M—the very reason He wrote so charmingly. The simple fact is, His preaching wasn't sanctioned by his

'Tis, doubtless well, to be sometimes awake Awake to duty and awake to truth—
But when, alas! a nice review we take
Of our best deeds and days, we find, in sooth, The hours that leave the slightest cause t

'Tis beautiful to leave the world a while

For the soft vision of the gentle night; And free, at last, from mortal care or guile. To live, as only in the angel's sight, In sleep's sweet realms so cosily shut in,
Where, at the worst, we only dream of sin

So let us sleep, and give the Maker praize; I like the lad, who, when his father though To clip his morning nap by hackneyed phrase Of vagrant worm by early songster caught. Cried, "serve him right! it's not all surprising," The worm was punished, sir, for early rising

## Miscellaneous,

If we crave the love others, we must

He that will "consider of it' takes time to deny you handsomely. The place of greatest safety is the place where duty calls you.

It is less painful to learn in youth than to be ignorant in age.

"Why is the first chicken of a brood like the foremast of a ship?—Because it's a little for'ard of the main-hatch." "The women must think we are great

robbers; we are all the while going about robbing them of their very names.' "The girl who succeeds in winn true love of a true man makes a lucky hit.

and is herself a lucky miss."

A man being commiserated with an ecount of his wife's running away, said, Don't pity me till she comes back again.

"William, I am fiscinated with Miss Million.--"With her personal charms?" "Yes, purse and all charms."

A lady slipped down on an ice pavement. While sitting, she muttered, "I have no desire to see the town burnt down, but I sincerely wish the streets were laid in

King Henry VIII. was going to hang the mayor of Boulogne for not firing a royal salute as he approached the munici-pality. His honour said he had twenty-four reasons for not doing so, the first of which was, he had no powder.—"Not word more, said blunt King Harry, "yo are forgiven."

An excellent system of gardening for young ladies:—Make up your beds early in the morning, sow buttons on your husband's shirts, do not rake up any grievances, protect the young and tender branches of your family, plant a smile of good temper in four face, and carefully root out all angry feelings, and expect a good crop of happiness. good crop of happiness.

An editor wanting a line to fill up the shoot Folly as she slies.—Pope.
In setting up the above, the Devil

Shoot Polly as she flies.—Pop!"

WHAT MADE AUNT MILLIE HAPPY WHAT MADE AUNT MILLIE HAPPY. Why are you always happy, Aunt Millie? & Because every one is good to me, Jemie? Why Isn't everybody good to my papa, aunty? He is always faithful; he says everybody tries to hurt him. What makes everybody try to cheat and vex my papa, aunty? A shadow fell over Aunt Millie's face. Jamie asked, Aunty, made you always happen? Aunt Millie's face. Aunt Millie's face. Jamie asked, 'Aunty, were you always happy?' Aunt Millie's work dropped from her hands. 'No, my dear boy. But I left off speaking ill of everybody; and, instead, I tried to see excellence in people's characters and good in their conduct. Since that time, all have treated me kindly. I do think the same people are better than they were when I saw only their shady side. Their good is more positive than it was before I sought it, when I cxnected only evil of sought it, when I expected only evil of them. In some way, looking for it seem-ed to mature the tendency to good in others; as the sun, by shining on the cold, dark ground, makes it bright and warm,

R AMOS & SON, Corner of Mein and Quay Streets, Buffalo, New York, are the only Physicians in the State who are members of the Royal College of Surgeons, London May be consulted from 8 o'clock in the morning until 9 o'clock at night, on every state and symptom of disease.

The treatment they adopt is the result of upwards of 30 years' extensive and successful practice in London. The most inveterate symptoms of Disease cradicated in eight or nine days, and cases o'a slight nature in two or three days at a very medicate expense.—The cure effected without confinement or hindrance from business.

Young Men-Take Particular

Notice. There is an evil liabit sometimes indulged in by boys, in solicude, often growing up with them to manhood, and which, if not reforms they them in due time, not only legets serious obstacles to matrimonial happiness, but gives rise to a series of protrected, insideus, and devastating affections. Few of those who give way to this peruicular practice are aware of the consequences, until they find the nervous system shattered, feel strange and unaccuntable feelings, and vague fears in the mind.

A Most Scientific Invention.

A FFLICTED READ!

TERMS.—Seven and Supence per Annum, in Antracec; and in religious to the cure of General Delility, or more properly known as Seminal Current Services. Seven and Supence per Annum, in Antracec; and in not paid within Three Mouths two dellars will be charged. A Most Scientific Invention.

bility, or more properly known as Saminal Weakness, Nervous Debility, &c., which are permanently cured in from 15 to 20 days by the use of this instrument, when used conjointly with medicines. New Remedies and Quick Cures,

Dr AMOS & SON take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most entire in thysicians in London, Pais, Philadeleminent physicians in London, Pais, Philadel-phia and New York. It has been declared the only useful instrument ever yet invented for the cure of Seminel Weakness, or any disease of the genital organs, caused by the secret habits of youth.

names of youth.

Dr. Amos & Son, in order to satisfy the most skeptical as to the merits of these instruments, pledge themselves, that in any instance where they may prove timesticated after a fair trial, the money will be refunded by returning the instrument in good order.

Parsons whiting the

Persons wishing the above useful instrument will observe, that the price, with the accom-panying directions, securely packed and sent by mail or express, is ten dollars. Beware of Imposition. Boware of empirics and itmerant self-styles of essors, who attempt cores, but never cores.

succeed.

Dr. Amos & Son have for a long series of years been engaged in an extensive practice in the treatment of these delicate complaints, and for the only legally qualified Physicians who now advertise to cure certain complaints, or from whom genuine European remedies can be obtained.

obtained.

Persons in any Part of the Would may be successfully troated by forwarding a correct detail of their cases, with a romittance for Medicines, &c., which, will be returned with the utmost dispatch and secure from observation. Address Dr. Amos & Son, corner Main and Quay streets, Buffalo, N. Y.

MAYOR'S CONDITION PHYSIC

WORM DESTROYER.

THIS Splendid Modicine can be given in one Ball at any time of the year, without injury to the Horse, and has been used by the Farmers of Markham for the last two year-with a success unprecedented. By the use of this remedy it will convince the owners of that noble animal the meanistenery of an innecessary outlay by using Artificial food or Condition Powders, which are to well known to contain ninerals highly injurious to tos meriabrane or coating of the Stonnach. The Ball is a compound of Pars Vegetabe, and warranted not to contain either Morenry, Arsonic, Antimony or any other Miceral. Its immediate action is surprising and the ultimate effect has latenished thousands. If the Animal is out of sorts, there is a cause remove that and he is all right. One dose at the cost of 2s cents is sufficient to cure Hide Bound, Loss of Apportine, Coughs. Colds and Fever, Distemper, Stoppage of Water, Swelled Logs, Grease, and is a complete Dastroyer of Worms, a greatpurifyer of the Blood, and a good Physic, always recommended to be given in the Spring and Fall, which will act as a preventive and unprove the general condition. Makes him completely up to the mark for his work, thereeby giving every satisfaction the owner can require. Testimonists of the highest character will be forwarded to testify to the above if required. Cash Terms—One Dollar per packet containing four Balls.

Cash Jerms—One Dollar per packet containing four Bails.
Letters prepaid enclosing a remittence, will be promptly attended to.
Printed Directions wrapped round each Bail with my signature in full, without which none other are genuine.
Office—Victoria Square. Manufactory—4th concession Markham.
