Foreign Memis. ARRIVAL OF THE "ARAGO."

THE WARINCHINA.

ST. JOHNS, N. F., Nov. 24. The steamship Arago which left Harre on the 13 and Cowes at 11 p.m., on the 14th inst., passed Cape Race at 9 p.m. yesterlay where she was intercepted by the news yacht of the New York Associated Press. The Arago has 165 passen-gers and 300 tons of freight for New York, and reports having experienced westerly winds most of the passage. She will be due at New York on Moaday night. CHINA.

It is reported that the settlement' of negotiations had been delayed on a ques-tion of money and unity of understand-

Ing. The allied army was marching on Pekin, where Cangavo and defend the city. Tord Elein was to follow the troops on where Sangkee Siasin had a large force to

rebels. It was rumoured in London that the British Government had received official despatches from China that peace had been concluded at Pekin by the English and French Ambassadors; but it was generally believed that the Government; would not withhold such intelligence.

GREAT BRITAIN.

The steamship Arabia, from Boston rig Huliax, arrived at Liverpool on the 11.h instant. The steamship New York from New Yo.k, put into Plymouth on the 11th inst.,

short of coal.

land. The Bank rate of discount had been advanced to 5 per cent, on Tuesday erea-ing, and the Bank of France had raised its discount rate to 41 per cent,

Intelligence respecting the negotiations for the capitulation of Gaeta is received. It is asserted that it is composed of only a few battalions. It is stated that Genea few battalions. It is stated that Gene-ral Goyon considers his position as unten-

able. Garibaldi has issued a farewell proclanation to his late army, concluding by telling his companions in arms, that an army of a million men will be wanted to is likely to break out in Italy by March

next. The sicge works before Gaeta are continued, and if the garrison will not capi-tulate, a general bombardment will commence.

The ex-King had rejected the proposal to evacuate the town on the basis that he commands the troops, 30,000 in number, at Gaeta, and relies on the strength of the fortress.

LIVERPOOL BREADSTUFF MARKET Liventroot. BREADSTUFF 'MARKET had slightly declined. Richardson, Spence & Co., report flour dull and declined 6d per barrel. Wheat quiet and lower; qualities were easier but quotations were unstituend; Western 11s. 6d. a 12s '2d.; Southern 12s. 6d. a 12s. 10d.; white Western 12s. 6d. a 13s.; white South-ern 13s. 2d. a 14s.' Corn dull.

LAVERPOOL BREADSTUFFS .-- Wakefield & Co., report a decline of 1d, a 2dr per cental on inferior wheat. Flour steady. Prousion market quiet. Beef heavy. Pork and bacon steady. Lard firm at 62s a 24s. Gabl & C which 62s. a 64s.

> ARRIVAL OF THE ARABIA.

HALIFAX, Nov. 27. The Arabia, with dates to the 18th, ar

rived this p.m. The City of Washington hence touched at Queenstown on the 16th,

GREAT BRITAIN.

The Prince of Wales' fleet had arrived The details of the return voyage show that the fleet had experienced head winds that the fleet had experienced near wiges, and had weather during the entire passage. The vessels were within a day's sail of England on the 6th when a heary gale England on the 6th when a heary gale England on the oth, when a heavy gale prevented any further progress. They had only another weeks provisions on board and the Royal party, for the last few days, lived on salted and preserved provisions. The party, however, landed all well, and the Drince of Wales reached Windsor Continue the memory for the inhabitants.

princely rewards to any one who would save the bidy, and bravely stood by the beloves corpse, while the fire surged and swept around her, and then bore it herself We wish it to be distinctly understood, that we do not hold ourselves responsible for pinious expressed by correspondents through ur columns.

swept around her, and then bore it herself to the guards of the boat, hoping that both might be rescued. The lady was only herself saved by the firmness of the mate, who truced her into the yawi and carried her to shore. Such heroic devotedness is without a parallel! Mrs. McDonald re-mained at Uniontown, hoping to gather at east the ashes of her beloved husband.

GREAT FIRE IN GUELPH.

VICTORIA MALLS BURNED-LOSS \$12,000 From the Guelph Herald of Monday.

Ou Saturday eroning, about half-past five erclock, the fire-bell sounded the alarm, and ero man; minutes had slapsed, the whole town was builtantly illuminated by the glars of a confla-gration---the "Victoria Mills "---in the vicinity of the Market Square, sweed and eccupied by busiders of grain per acre, that a lowe would carry less sail and more bal-given farm is capable of produc-ing, in order to arrive at a correct in the eyes of the public. So Mr. blowing aburrance, second by a bloding construction of its worth, rather than to the possible profit that may be realized from a rapid rise in the The fire engines were early on the ground, and the firemen, with their usual alactity, used theis every endeaver to ronder assistance, but the

to the safety of a cottage a short distance off, occupied by Mr. Bradley and the miller, and that of the residence of Mr. Pressult, still fur-ther distant. The former building soon caught the sweep of the flames so overpowering, and the wind so high that the fire engines were uselsms. In less than two hours from the breaking out of

the fire the mill was reduced to a heap of smouldering brands. The loss on the building, machinery and produce is estimated, by Mr. Preseant, at \$12,000, on which there is no insurrance, a policy from the Wellington Mutua having expired only a short time since. Mr. Pressont called two days before the fire at the Company's office, with the intention of renew-The surviving officers and crew of the

ing the policy, but, unfortunately, did not find-the Secretary. Additional machinery of the value of \$600 ll-fated steamer arrived in Louisville at had been placed in the milt only a few weeks since. The fire commenced on the reof of the mill, and is supposed to have proceeded from the chimney connected with the office stove on one corner of the building, the only one on the

premises

SOUTHERN SUCCESSION-PROGRESS OF THE son. She arrived at Uniontown on Jun-day evening, about 63 o'clock. It was then dark and coal was being received on graph informs us, has, by its Legislature, ashay in the sented to a hill to devote \$400,000 to the armticinity of the boilers was discovered to be on fire. They broke out the ignited, followed by another intended to be more start-bales, but too base to percent the spread of the flames and the dreadful casuality. When Captain Lamb and his officers found that the flames could not be stayed. The junt position of the two items of intella-tions and fly to the service of South Carolina. The junt position of the two items of intella-tions of the two items of intellaing of the State. This piece of intelligence is followed by another intended to be more startfound that the Eames could not us sargen, they devoted themselves to rescuing the passengers and citizens of Uniontown who were on board. The forward gang may was then unimpeded, and measely all mode

bofore the Taku forts had been taken. Nor is South Carolina the only State whence intellito save his books, papers and money, but the fire was so rapid that he had to abandgence of warlike movements come. The Rickmoud Dispatch tells all the world, and on all but one package of \$1,500, belong. Rickmound Dispatch tells all the world, and ing to Capitain Bragdon, one of the boats especially that portion of it known as the Nor-owners, and the books and records were them, the North-Eastern and North-Western.

totally destroyed. The free mounted up, and spread through the cabins with terribe speed, and within brows with terribe speed, and within fitteen minutes the noble Pacific was a that she has plenty dry powder, and is going Inffreen minufes the noble facility was a that she has plenty dry powder, and is going drifting mass of free upon the barich inter-The scene was magnificently terrible. A thousand horses, cattle, and sheep were confined within the influence of the fames, and their cries of terror and pein were horrible to hear, and all perisked by the torture of free. The loss of property sur-tourible to hear, and all perisked by the torture of free. The loss of property sur-touries by this disaster we alluded to yester. the add their interview of the sector. it oud ?- Leader.

On Saturday night last, about eleven o'clock, On Saturday ingiti suit, about civen o covery a man named Geovresu, a shoemsker, working in Mr. J. Chamberland's catablishment in Que-bec, was discovered lying inside the contier by and energetic system of superva-sion to which they have been sub-jected, show decided signs of the greatest progress. With regard to the state of our Colleges and Uni-versities, the report is exceedingly meagre, and the note appended at the bottom, "to official returns could not hold on much longer. The lat-
